Josephine Lamont

Flexibility in the Migration Strategies of Animals Nathan R. Senner, Yolanda E. Morbey, Brett K. Sandercock, 2020-06-29

Rise Josephine Lamont, 2025-02-06 War has begun. Mara betrayed us all. And I will sacrifice everything to get her back. With Mara imprisoned for treason and war raging across the United Factions, Wes Calvernnon uncovers a betrayal at the highest level—his father. President Charles Calvernnon has been secretly working to undermine the Dissenters, and with Mara's life hanging in the balance, Wes must confront his father in a desperate bid to free her before it's too late. But liberation comes at a cost. With the North's rebellion crumbling and Raúl's forces closing in, two ghosts from Mara's past return with a shocking revelation and a plan that could turn the tide. Through battles, betrayals, and fierce self-discovery, Mara and Wes must confront the scars of their dark pasts and find strength within each other as they face their deadliest battle yet. In a clash of untamed love and brutal sacrifice, can they rise to be the leaders their people need, or will they fall prey to their fears and watch the world burn? Filled with high-stakes romance, gritty rebellion, and the hope that love can change even the darkest of hearts, *Rise* is a powerful, heart-wrenching conclusion that will leave readers breathless until the very last page. Perfect for lovers of *Shatter Me*, *Divergent*, and *The Hunger Games* series, readers should be aware that *The Dissenter Saga* is recommended for older, mature teens and adults. *Rise* is a military-style fantasy romance set in a brutal dystopian future. This book depicts issues of war, murder, death, intense violence (including gun violence), emotional and physical abuse, blood, burning, executions, graphic language, mental health issues (including anxiety, depression, and PTSD), grief, loss of family and friends, incarceration, and sexual intimacy depicted on the page. If these issues could be considered triggering to you, please take note. Recommended Reading Order *Revile** *Dissent Resist Rise* *Note: *Revile* is a prequel that can be enjoyed at any time.

Information Assurance and Security Education and Training Ronald C. Dodge, Lynn Fitcher, 2013-07-03 This book constitutes the refereed proceedings of the 8th IFIP WG 11.8 World Conference on Security Education, WISE 8, held in Auckland, New Zealand, in July 2013. It also includes papers from WISE 6, held in Bento Gonçalves, Brazil, in July 2009 and WISE 7, held in Lucerne, Switzerland in June 2011. The 34 revised papers presented were carefully reviewed and selected for inclusion in this volume. They represent a cross section of applicable research as well as case studies in security

education.

A Book of European Writers Dr. Badal W. Kariye, 2014-06-12 A Book of European Writers A-Z By Country Published on June 12, 2014 in USA.

Cuba and Revolutionary Latin America Dirk Kruijt, 2017-01-01 The Cuban revolution served as a rallying cry to people across Latin America and the Caribbean. The revolutionary regime has provided vital support to the rest of the region, offering everything from medical and development assistance to training and advice on guerrilla warfare. Cuba and Revolutionary Latin America is the first oral history of Cuba's liberation struggle. Drawing on a vast array of original testimonies, Dirk Kruijt looks at the role of both veterans and the post-Revolution fidelista generation in shaping Cuba and the Americas. Featuring the testimonies of over sixty Cuban officials and former combatants, Cuba and Revolutionary Latin America offers unique insight into a nation which, in spite of its small size and notional pariah status, remains one of the most influential countries in the Americas.

Carlism and Crisis in Spain 1931-1939 Martin Blinkhorn, 1975-11-27 This is a study in English of the Carlist Movement, the extreme right-wing party in Spain, during the climactic decade of the 1930s. Carlism represents the oldest existing movement of the traditionalist right in Europe. In 1931 Carlists had already been in conflict with Spanish liberalism and leftism for over a century, seeking to reverse the trends of the nineteenth century and restore a religiously inspired corporative monarchy and harmonious society. During the 1930s they attacked and plotted the overthrow of the democratic Second Republic, participated in the rising of 1936 and then played a major political and military role within Nationalist Spain. Dr Blinkhorn discusses Carlism's internal politics, power struggles and sources of support; its ideology; its relations with other elements in the Spanish right, principally Falangism and Catholic conservatism; its attitude towards the Republic, liberalism and the left; its view of contemporary events elsewhere in Europe; its stress on paramilitarism and conspiracy against the Republican regime; and its wartime role.

Revile Josephine Lamont, 2024-10-17 When faced with torture and death, love may be her only salvation. In a world of political corruption and rebellion, 18-year-old Liddy finds herself torn between loyalty to her faction and the seductive allure of a boy she's tasked to assassinate. But when her plans unravel, Liddy finds herself ensnared in a web of captivity and torment, and her fate is now intertwined with the one she was meant to eliminate. Bound by the chains of unexpected love,

she must navigate the thin line between survival and surrender, all while grappling with a heart torn between loyalty and desire. Will she find a way to escape the clutches of fate, or is her path destined to end in the shadow of an executioner's justice? Unveil a tale of forbidden love in this gripping young adult dystopian romance, where every heartbeat echoes the struggle for freedom and a love that defies the darkest of destinies. For fans of *Divergent* and *The Hunger Games*, this gripping tale of forbidden love and rebellion will keep you on the edge of your seat until the very end.

Bibliografía cronológica de la lingüística, la gramática y la lexicografía del español (BICRES V) Miguel Ángel Esparza Torres, Hans-Josef Niederehe, 2015-10-15 Since the publication of the still very valuable Biblioteca histórica de la filología by Cipriano Muñoz y Manzano, conde de la Viñaza (Madrid, 1893), our knowledge of the history of the study of the Spanish language has grown considerably, and most manuscript and secondary sources had never been tapped before Hans-Josef Niederehe of the University of Trier courageously undertook the task to bring together any available bibliographical information together with much more recent research findings, scattered in libraries, journals and other places. The resulting *Bibliografía cronológica de la lingüística, la gramática y la lexicografía del español: Desde los principios hasta el año 1600 (BICRES)* began appearing in 1994. BICRES I covered the period from the early beginnings to 1600), followed by BICRES II (1601-1700), BICRES III (1701-1800), and together with Miguel Ángel Esparza Torres of Madrid there followed BICRES IV (1801 to 1860). Now, the fifth volume, has become available, covering the years from 1861 to 1899. Access to the bibliographical information of altogether 5,272 titles is facilitated by several detailed indexes, such as a short title index, a listing of printers, publishers and places of production, and an author index. More than twenty years of research in the major libraries of Spain and other European countries have gone into this unique work — relative sources of the Americas have also been covered — making it exhaustive source for any serious scholar of any possible aspect of the Spanish language.

Fujimori's Peru Catherine M. Conaghan, 2005-08-28 Alberto Fujimori ascended to the presidency of Peru in 1990, boldly promising to remake the country. Ten years later, he hastily sent his resignation from exile in Japan, leaving behind a trail of lies, deceit, and corruption. While piecing together the shards of Fujimori's presidency, prosecutors uncovered a vast criminal conspiracy fueled by political ambition and personal greed. The Fujimori regime managed to maintain a facade of

democracy while systematically eviscerating democratic institutions and the rule of law through legal subterfuge, intimidation, and outright bribery. The architect of this strategy was Fujimori's notorious intelligence advisor, Vladimiro Montesinos. With great skill, Fujimori and Montesinos created the appearance of a democratic public sphere but ensured it would work only to suit their personal motives. The press was allowed to operate, but information exchange was under strict control. The more government officials tampered with the free flow of ideas, the more they inadvertently exposed the ills they were trying to cover up. And that proved to be their downfall. Merging penetrating analysis and a journalist's flair for narrative, Catherine Conaghan reveals the thin line between democracy and dictatorship, and shows how public institutions can both empower dictators and bring them down.

A Companion to Jesuit Mysticism Robert Aleksander Maryks, 2017-03-06 In *A Companion to Jesuit Mysticism*, Robert A. Maryks provides thirteen unique essays discussing the Jesuit mystical tradition, a somewhat neglected aspect of Jesuit historiography that stretches as far back as the order's co-founder, Ignatius of Loyola, his spiritual visions at Manresa, and ultimately the mystical perspective contained in his *Spiritual Exercises*. The volume's contributions on the most significant representatives of the Jesuit mystical tradition—from Baltasar Álvarez to Louis Lallemant to Hugo Makibi Enomiya-Lassalle—aim to fill this lacuna in Jesuit historiography. Although intended primarily as a handbook for scholars seeking to further their own research in this area, the volume will undoubtedly be of interest to scholars and students of Jesuit studies more broadly.

Documentos para la historia de la vida pública del libertador de Colombia, Perú y Bolivia ... José Félix Blanco, 1876
