Love Lost Tracy Falbe, 2012-10-17 Courage only goes so far. In this breathtaking conclusion to a fantasy series on Google Play, unleashed monsters born of cruel spells test the mettle of the sturdiest warriors. Soul wrenching chaos consumes the faith of thousands, and Nufal meets an awesome assault ignited by the raging power of love lost. Dacian embraces Onja's dark inspirations and helps twist the flesh of captives into powerful new beasts. While building a larger human army for his Goddess, Amar shrugs off an assassination attempt but then must lash out viciously after a vengeful attack against his lover the rogue Princess Demeda. His magnificent fortress continues to rise while he gathers all tribes to his supremacy. With his armies ready, he awaits Onja's call to war and dreams of feasting upon the spoils of wealthy Nufal. Threatened with a rys invasion, Cruce Chenomet hardens his body for brutal combat and labors to prepare his society to survive the onslaught of terrible enemies. The new fenthakrabi beasts magically conceived by his tabre allies disturb him with their unholy presence, but he remains devoted to Alloï, who has pledged to defend his people. Torn between his need to protect his secret lover and son on the frontier and his family in Kwellstan, Cruce struggles through ever worsening battles until he finally wagers his life against the most favored warlord of Onja. Enjoy this great fantasy book on Google Play. This English language fantasy series is the one to read if you like A Game of Thrones by George R. R. Martin. Rys Rising is hard hitting, emotional, and the conclusion, Love Lost, will shock readers.

Endpoint M. Pax, 2021-12-26 What are you willing to lose in order to win? Only Craze seems to understand the galaxy is about to be lost. He can no longer keep the evil Quassers contained, and winning the war gets harder. The Quassers join forces with another enemy and become more threatening, more destructive, and more murderous. Planet after planet falls, and the only hope Craze has is a handful of tiny discoveries that might add up to a viable strategy. But he needs the other planets in the galaxy working with him. So far, everybody is still out for themselves, leaving him to make the gut-wrenching decisions—the deaths of innocents in exchange for everyone's survival. Will his desperate efforts yield victory, or does humanity take its last breaths? This is the eighth book in the science fiction series, The Backworlds. A space opera adventure
