**The One-minute Cure** Madison Cavanaugh, 2008 Reveals a remarkable, scientifically proven natural therapy that creates an environment within the body where disease cannot thrive, thus enabling the body to cure itself of disease--P. [4] of cover.

**Licensed to Kill** Barbara Every, 2012-12-26 Barb Every Wife, Mother, Grand Mother and Great Grand Mother with all these years and a host of experiences in observing and helping with all sorts of ailments and finding the old remedies of my mother and grand mother often times worked better than the drugs promoted by traditional doctors that only learn prescriptions and surgery in 8 years of Med. School. I started buying health books and monthly news letters by the dozens. When modern medicine nearly killed my dear husband, not once, but two different times, I knew something needed to be done to help others that are being sickened or killed by medicine (poisons). The book Licensed To Kill practically wrote itself it took barely over a week. The title of the book, the names of each chapter just fell into place. Even the cover design of prescription containers was done without much thought on my part. (Divine intervention?) The only addition was Chapter 9, Here We Go Again, which personally proved, one more time, what a natural cure (iodine) can do by regulating the pulse, and what medical drugs and procedures cannot do. I'm still reading health books and Newsletters. After all, Natural cures (with no side effects) have been around for literally thousands of years. Drugs and Prescriptions (with many side effects, including death, are relatively new). The Pharmaceutical Companies do not want you well. Why would they? They make their Big Bucks when you are ill and buying their Drugs.

Jim Heckathorn writes in a way that inspires the reader to take action in caring for the body that God created. Rebekah Murphy, BA, MS, Professor of Anatomy, Wichita State University. How to Live Long and Like It: The Longevity Diet, is not just a diet; its a guide for a whole lifestyle that has contributed to long lives for many people. *Hydrogen Medicine* Dr. Mark Sircus, 2021-06-15 This book will explore hydrogen gas, hydrogen water, oxygen (O<sub>2</sub>), and carbon dioxide (CO<sub>2</sub>). Combining these gases will usher in a new age of medicine where the impossible becomes possible. Hydrogen is serious medicine, and so is oxygen and carbon dioxide. All three gases are nutritional and are of enormous help to people with pain, disease, and cancer. Hydrogen allows the body to function and breathe under stress. And it allows for quicker healing and recovery than when oxygen alone is used. The sicker a person is, the more they will experience the benefits of hydrogen. Hydrogen can be flooded into the body to put out the worst flames of inflammation and oxidative stress. The longer one wants to live, the more one supplements with these primary gases. The most powerful healing/medical/anti-aging device in the world is a hydrogen oxygen inhaler.

**The Cancer Odyssey** Margaret Brennan Bermel, MBA, 2011-03-10 Chemotherapy is the greatest fraud ever perpetrated upon the American public. This statement must reach the public consciousness. The Big Pharma-FDA complex must be exposed as a cartel colluding, not on curing cancer, but on generating profits. Does chemotherapy work? Maybe, sometimes, with some specific cancers. But very often, it does not work. The “best weapon” used in the “war on cancer” traces its genesis to mustard gas. The cancer may die, but the collateral damage is the patient’s life. Approximately 600,000 Americans die each year ostensibly from “cancer”—but are they actually dying from treatment? A very provocative question. Bill Henderson interviews Margaret Bermel about her new book called “The Cancer Odyssey.” Bill says, I really enjoyed your book. If everyone would read it BEFORE they get the cancer diagnosis (and go into fear orbit), the millions of unnecessary cancer deaths would end. Here is a direct link where you can listen to it or download it (plain mp3 audio file).

**El Amor no ha olvidado a nadie** Gary Renard,2013-10-31 “Este es un libro sobre espiritualidad. La espiritualidad real, no lo que ha pasado por ser espiritualidad en los medios de comunicación durante las últimas dos décadas. La espiritualidad se ha confundido con el movimiento de autoayuda. Cuando acabes este libro, no solo entenderás la diferencia entre ambas, sino que también sabrás por qué solo una de ellas puede llegar a hacerte feliz.” —De la Introducción. En esta nueva entrega de la trilogía formada por La desaparición del universo, Tu realidad inmortal y El amor no ha olvidado a nadie, Gary alcanza su plena dimensión como escritor y como docente, compartiendo su vida y sus conversaciones con los maestros con el amor y el humor que le caracterizan. Su tono ligero y amistoso es ideal para transmitirnos verdades profundas que van calando en nuestra psique y en nuestras vidas. Es una verdadera alegría poner al alcance del público hispanohablante este libro que sin duda llegará a ser un clásico de la espiritualidad contemporánea.
