**The Miracle and the Message** John C. Preiss,2017-09-15 A century old — eternally new. 2017 marks the 100th anniversary of the apparitions of the Virgin Mary to three shepherd children at Fatima, Portugal. The message of Fatima reflects all the teachings of the Catholic faith. It's a message so simple that children could understand it — yet one so rich that theologians are still mining its depths. In *The Miracle and the Message: 100 Years of Fatima*, author John C. Preiss describes in clear detail the Blessed Mother's appearances to Lucia dos Santos and Francisco and Jacinta Marto (now the Church's youngest canonized saints) and shares the background, sights, and sounds that draw you into the events as they unfolded over the course of the twentieth century. More than just a history lesson about the apparitions, *The Miracle and the Message* shows us how to claim the message in our own lives and fully embrace what Mary offers the Church and the World. Whether you know little about what happened in Fatima and want to learn more, or you already have a devotion to Our Lady of the Rosary, you will love *The Miracle and the Message*. Includes eight pages of photos. ABOUT THE AUTHOR John Preiss is President of the Fatima Family Apostolate International, a Public Association of the Faithful, founded in 1986 by the late Father Robert J. Fox. The mission of the Fatima Family Apostolate International is to promote the message of Fatima and the sanctification of family life.

**Miracle Visitors** Ian Watson,2011-09-29 John Deacon uses hypnosis to research altered states of consciousness. One of his subjects, Michael Peacocke, is unusually susceptible and in their first session together he recalls a Close Encounter which took place some years before. Deacon is sceptical of UFOs and dismisses Peacocke's story as an adolescent sexual fantasy. But then inexplicable things happen - the tape of the session is mysteriously erased, Deacon's dog is killed, he and Michael see a pterodactyl, Michael's girlfriend is menaced by Men in Black - and Deacon is forced to reconsider. Could UFOs be symbols projected from the collective unconscious? Are they messages from the biomatrix? Does the mind have the ability to project tulpas, objects and people which are physically real yet somehow illusory?

**Migration Miracle** Jacqueline Maria Hagan,2012-09-10 Migration Miracle humanizes the immigration controversy by

exploring the harsh realities of the migrants' desperate journeys. Drawing on over 300 interviews with men, women, and children, Hagan focuses on an unexplored dimension of the migration undertaking—the role of religion and faith in surviving the journey.

*A Promise In Portugal* Janet Azevedo,2014-03-17 At 81 years old, Evalina da Rosa, a very wealthy widow, decided to begin her life anew. She had survived a marriage of 60 years to a man whose moral code was non-existent. But her essential optimism had not faded, only dimmed. She was determined to find joy before she passed on to the next world and her methods were distinctly at odds with 1901 Lisbon society. She placed an ad in the city's largest newspaper requesting applicants for an open position - her husband. Shortly before the time that Evalina decided to embark on the scandalous scheme, the young Miguel Machado was departing his native island of Terceira for the big city of Lisbon in an effort to find the financial wherewithal to return to the Azore Islands to marry the beautiful but more well-to-do Maria Barcelos. The journey that brings these two very unique individuals into the same sphere raises themes of love, courage, intrigue, murder and a final redemption that touches each of their core beings and changes their lives forever.

*The Miracle Girl* Andrew Roe,2016-03-01 Perhaps the first miracle was that she lived. The crowds keep coming. They arrive, all with their reasons, all with their doubts and certainties and everything in between. More and more every day, drawn by rumor and whisper and desperate wish. They come to Shaker Street to see eight-year-old Anabelle Vincent, who lies in a coma-like state--unable to move or speak. They come because a visitor experienced what seemed like a miracle and believed it happened because of Anabelle. Word spreads. There are more visitors, more supposed miracles, more stories on TV and the Internet. But is this the divine at work or something else?

**Miracles** Patrick J. Hayes,2016-01-11 Miracles give hope to the hopeless and exemplify the intersection of the divine and the mundane. They have shaped world history and continue to influence us through their presence in films, television, novels, and popular culture. This encyclopedia provides a unique resource on the philosophical, historical, religious, and cross-cultural conceptions of miracles that cut across denominational lines. Multidisciplinary in approach, this informative yet entertaining encyclopedia covers major aspects of miraculous phenomena through more than 150 alphabetically arranged entries that document how humanity's belief in religious miracles over multiple places, periods, and faiths have affected society—even changed the course of history. Written for high school students and general readers, the coverage enables readers to learn about different civilizations and cultures, the controversies surrounding different beliefs, and the often uncomfortable engagement of religion with science. This single-volume book provides a one-stop ready-reference that addresses a broad variety of subject matter on miraculous phenomena and guides further investigations into the subject. Helpful illustrations and lucid explanations of the ancillary concepts associated with miraculous phenomena make learning about this topic more engaging. Readers will be able to link the doctrinal concepts, such as grace or prayer, with the

descriptions of miraculous events, especially those associated with saints or holy objects. The examination of the controversial aspects of different belief systems along with the book's balanced coverage of the interpretation of miracles will encourage students to weigh different explanations, thus fostering the development of their critical thinking skills.

**Looking for a Miracle** Joe Nickell, 2009-12-02 The willingness of people to believe in magical icons, mystical relics, and miraculous pictures (like the Image of Guadalupe) is almost as curious as these phenomena themselves. Though they cry out for scientific investigation, millions of people blindly accept them as fact. Historical and paranormal investigator Joe Nickell confronts such strange events, powers, and objects as the Shroud of Turin, bleeding or weeping statues, burning handprints, liquefying blood, ecstatic visions, miraculous cures, and people speaking in tongues in *Looking for a Miracle*. Departing from standard critiques of religion, Nickell carefully investigates the evidence relating to specific claims. Religious believers and rationalists alike have much to learn from this revealing examination of the evidence for the miraculous.

**Miracles, Angels & Afterlife** Peter Shockey, Stowe Dailey Shockey, 2014-07-01 A compelling account of years of spiritual investigations from the director of *Life After Life*, the award-winning documentary on near-death experiences. The stories of divine intervention in people's everyday lives continued to occupy Peter Shockey's thoughts even after his documentaries on the subject for Hallmark Channel and Discovery's TLC had been completed and garnered awards and international acclaim. In *Miracles, Angels & Afterlife*, Shockey shares the most compelling accounts he has gathered during his years of spiritual investigations and offers profound insight into what the increasing presence of the divine in daily life can mean in this, the first generation of the third millennium. Beginning with his own personal story, Shockey goes on to introduce others who relate their miraculous experiences, ranging from visions of heaven to the presence of angels. He then puts these encounters in an enlightening context as he explores striking patterns of divine intervention in human history as well as in the Bible. In doing so, he takes readers on an unforgettable spiritual odyssey that will change the way they look at the here and now . . . and the hereafter.

**The Occult Connection** Ken Hudnall, 2004-10 This is a reprint of the 1989 cult classic involving connections between UFOs, Secret Societies and Ancient Gods.

**The Catholic Guide to Miracles** Adam Blai, 2021-05-18 In this fascinating, eye-opening book, Adam Blai offers a uniquely comprehensive, careful, and thoughtful exploration of miracles, the Church's process of approving them, and the telltale signs of demonic counterfeits.

**Revelations** Xavier Reyes-Ayral, 2022-05-31 From 1846 to the present day, the Vatican has maintained quite the same message brought forth from Heaven by different messengers across time and across vast distances and continents. This message echoes the gravest of admonitions and calls mankind to convert and find refuge through the knowledge of the truth, which today threatens the very basis of world peace... Today, in 2022, the message of La Salette, La Fraudais, Tilly, Fatima,

Garabandal, Akita and Medjugorje, and their secrets take a meaning of the greatest importance, as the admonitions brought forth by the Blessed Virgin Mary warn of a cataclysmic global disaster which has now become imminent. The Church's apprehension of frightening the masses, inspired inaction and Rome's decision to silence – founded more on fear than on caution – led millions of faithful to the darkness of ignorance and, therefore, to a lack of necessary conversion, prayers and intercession for peace. This book proposes unveiling the light and, thus, asking humanity to respond to the call of a warm and loving mother who merely seeks the salvation of her children.

Miracles: An Exercise in Comparative Philosophy of Religion Karen R. Zwier, David L. Weddle, Timothy D. Knepper, 2022-11-03 This volume provides a comparative philosophical investigation into a particular concept from a variety of angles—in this case, the concept of “miracle.” The text covers deeply philosophical questions around the miracle, with a multiplicity of answers. Each chapter brings its own focus to this multifaceted effort. The volume rejects the primarily western focus that typically dominates philosophy of religion and is filled with particular examples of miracle narratives, community responses, and polemical scenarios across widely varying religious contexts and historical periods. Some of these examples defy religious categorization, and some papers challenge the applicability of the concept “miracle,” which is of western and monotheistic origin. By examining miracles thru a wide comparative context, this text presents a range of descriptive content and analysis, with attention to the audience, to the subjective experiences being communicated, and to the flavor of the narratives that come to surround miracles. This book appeals to students and researchers working in philosophy of religion and science, as well those in comparative religion. It represents, in written form, some of the

perspectives and dialogue achieved in The Comparison Project's 2017-2019 lecture series on miracles. The Comparison Project is an enterprise in comparing a variety of religious voices, allowing them to stand in dialogue.

**Marian Devotion Among the Roma in Slovakia** Tatiana Zachar Podolinská, 2020-11-09 In this book Tatiana Zachar Podolinská explores how post-modern Marian devotion represents both the continuation and restoration of tradition in the modern world. Podolinská illuminates how Mary as a Great Enchantress has colonised the modern world and survived mandatory atheism in communist countries. The resilience of Marian devotion in the face of the secularising forces of modernity is due to how fluidly it mixes pre-modern and ultra-modern elements of beliefs and practices with the grassroots current of post-modern Christianity. At the same time, Podolinská elucidates how Mary has become the voice of peripheral ethnic groups and nations. This book specifically explains the devotion of the post-modern Mary among the Roma in Slovakia and explores how this community copes with marginalisation, creating islands of marginal centrality. By approaching the ethnicised and enculturated forms of the Virgin Mary (i.e. Chocolate Marys), the book illuminates her potential for helping the Slovak Roma on their own path from the periphery to the center.

Is the Bible Infallible? Carmel Paul Attard, 2019-09-26 Christians believe the Bible is God's revelation: infallibly inspired by the Holy Spirit. Is the Bible Infallible? evaluates evidence for a divine or human origin, such as: Irreconcilable textual contradictions and myth-based accounts, Biblical cosmology's compatibility with modern science of the universe and solar system, Agreement of Earth's shape and age with geological facts and radiometric dating, Creation accounts' confirmation through fossil records and man's appearance or evolution, Transpiration of prophecies, historical accuracy, and miraculous accounts. The book discusses: The Bible's concepts of afterlife, heaven, hell, salvation, resurrection, and the soul, The meaning of "Gospel" and "Kingdom of God/Heaven". It also debates whether: Jesus is really the "Christ": the "Messiah" first promised to King David, The Messiah/Christ was supposed to suffer to redeem us from our sins, Jesus is God, the "Son of Man", and the "Servant of the Lord", God is both a loving father and a violent judge.

**We Are America, We Are Americans** Matt Teahan, 2022-05-11 We Are America, We Are Americans By: Matt Teahan A Journey through life (at least part of it)... and the lessons learned... and in a rare instance.... taught. In this quasi-autobiography, I answer the confounding questions of our day through a riveting (for some people) journey of all topics

relevant. Is the United States of America really a Christian Nation? Where has this Country's corporate leadership gone? Why would anyone waste an entire adolescence refining their basketball jump shot? Why has the moral compass in Professional Sports disappeared into the abyss of political wokeness? Why do we need to ban plastic straws and not water bottles.....particularly if Climate Change is going to kill us all in 9 years, anyway? How do we pay reparations for people of mixed race? How can chicken sandwiches galvanize and legitimize the LGBT community? What did I share with the Pope at the sacred site of Fatima? What's it going to take to get millennials off Twitter, out of Mom's basement and into Church? Why is 'systemic ignorance' a far greater threat to this country than anything else 'systemic'? I'll introduce a toxic blend of fact, fiction, criticism, sarcasm, reality, inquiry, and humor into the topics of the day. And I'll blend my shallow, yet relevant, life experiences into the mix where it's almost impossible to tell the difference. You may get bored. You might not. You may or may not like my viewpoints. You might not even like me. But you won't be the first nor the last. I think, however, everyone will find something here they can relate to. Whether it's basketball, friends, God, politics, a career, or the social issues of the day there's something for everybody. Even for those who rarely open a book, like today's College students. For them I've included pictures. See! Something for everybody!! And although some of my viewpoints you may frown upon, you will appreciate the humor, anecdotes, multiple geography lessons, ridicule, sarcasm, and blatant hypocrisy that I'll expose on any number of topics. All shrouded in the novel concept called 'common sense'. And if you don't like to read about those types of things, then don't buy the book. Get it at the library. I started this book on July 4th, 2020. And I did it for a reason.
