**Mike Jess**

*On the Shore* Laura Pavlov, 2023 He's the GOAT of the NFL. She's a hot-headed reporter who despises him. They're in the same small town for the summer. What could possibly go wrong? I'm more than aware of the responsibilities that come with being a quarterback in the NFL. The upside--I get to do what I love every day, which is play football. The downside--everyone wants a piece of me, and the press stalks me ruthlessly. And one reporter in particular, Brinkley Reynolds, has crossed a line. So yeah, I have her escorted out of the press conference. Imagine my surprise when the same woman walks into the coffee shop in the small town where I've gone to get some privacy for the summer. I accuse her of stalking me. She calls me every name in the book before proceeding to make me feel very unwelcome in Cottonwood Cove. Her hometown. The place where she tucked tail and ran after I'd unknowingly gotten her fired. She's equal parts stubborn and aggravating. But she happens to be the sexiest woman I've ever laid eyes on. So I try to make amends. She won't give me the time of day unless I agree to give her my story. One I've fought hard to protect since the day I started playing professional ball. I don't owe Brinkley Reynolds anything. So why am I considering giving her everything? -- Derived from back cover.

Beautifully Flawed Laura Pavlov,2020-09-21 Elle Fiore wants a prince on a white horse. Maverick Wallace does not fit the description. It doesn't matter they shared the best kiss of her life, or her friends think he walks on water...and his Greek-god looks have absolutely no effect on her whatsoever. If only she can convince her heart he's not for her. Maverick is happy with his free and easy no-strings lifestyle. The last thing he wants or needs is someone complicated like Elle. He doesn't do relationships or sleepovers. She's beautiful, but a diva with a capital D. But something magical happens whenever they're in a room together, whether they want it to or not.

Beautifully Damaged Laura Pavlov,2019-07-24 Peyton Kroft was his forever, until the unthinkable happened. Walking away all those years ago had been the right thing to do, but he's ready to put the past behind him. Moving to San Francisco and hiring his first love, the city's top designer, is a good place to start. Yet it stirs up feelings he thought he'd buried. Jackson Vance broke her heart. He took half of it with him on his way out of town. Picking up the pieces hadn't been easy, but more than nine years later, Peyton is living her best life. Coming face to face with her first love is not on the agenda. He is beautiful, broken, and everything she's ever wanted. The past still hovers like a dark cloud. But every dark cloud has a silver-lining.

*His Majesty the Human* Vojislav Deric,2017-01-12 Behold the human, the creator of life, and embodiment of our planet, wit, and witlessness, whose existence and actions will direct your attention to what you already know but with the aim of inspiring you not only to reflect passively, but also to use your intellect and influence them. This is the only way for this contemporary ill humanity to heal.

**Australian Literature in the German Democratic Republic** Nicole Moore,Christina Spittel,2016-06-19 An account of fraught and complex cross-cultural literary exchange between two highly distinct - even uniquely opposed - reading contexts, Australian Literature in the German Democratic Republic has resonance for all newly global reckonings of the cultural Cold War. Working from the extraordinary records of the East German publishing and censorship regime, the authors materially track the production and reception of one country's corpus as envisioned by another. The 90 Australian titles published in the GDR form an alternative canon, revealing a shadowy literary archive that rewrites Australia's postwar cultural history from behind the iron curtain and illuminates multiple ironies for the GDR as a 'reading nation'. This book brings together leading German and Australian scholars in the fields of book history, German and Australian cultural history, Australian and postcolonial literatures, and postcolonial and cross-cultural theory, with emerging writers currently navigating between the two cultures.

**Cattle and People** Catarina Ginja, Elizabeth Wright, 2022-05-01 This volume originates in a conference session that took place at the 2018 International Council of Archaeozoology conference in Ankara, Turkey, entitled Humans and Cattle: Interdisciplinary Perspectives to an Ancient Relationship. The aim of the session was to bring together zooarchaeologists and their colleagues from various other research fields working on human cattle interactions over time. The contributions in this volume reflect well the breadth of work being undertaken on the ancient relationship between humans and cattle across the continents of Europe, Africa and Asia, and from the late Pleistocene to postmedieval period. Almost all involve the study of archaeological cattle remains and use different zooarchaeological methods, but the combination of these approaches with that of ethnography, isotopes and genetics is also featured.
