The Hunchback of Notre Dame Mark Bennett (Composer),Everett Quinton,1992 This uproarious send up of Victor Hugo's novel is truly ridiculous-as in the famed Ridiculous Theatrical company where it was a success. Hugo's tale is enhanced with a hilarious assortment of major and minor characters, some in drag. The score is an eclectic mix of country western, gospel, disco and rhythm and blues

The Exile's Song Sally McKee,2017-01-03 The extraordinary story of African American composer Edmond D d , raised in antebellum New Orleans, and his remarkable career in France In 1855, Edmond D d , a free black composer from New Orleans, emigrated to Paris. There he trained with France's best classical musicians and went on to spend thirty-six years in Bordeaux leading the city's most popular orchestras. How did this African American, raised in the biggest slave market in the United States, come to compose ballets for one of the best theaters outside of Paris and gain recognition as one of Bordeaux's most popular orchestra leaders? Beginning with his birth in antebellum New Orleans in 1827 and ending with his death in Paris in 1901, Sally McKee vividly recounts the life of this extraordinary man. From the Crescent City to the City of Light and on to the raucous music halls of Bordeaux, this intimate narrative history brings to life the lost world of exiles and travelers in a rapidly modernizing world that threatened to leave the most vulnerable behind.

Mao's Last Dancer (Movie Tie-In) Li Cunxin,2010-07-27 THE INTERNATIONAL BESTSELLER The extraordinary memoir of a peasant boy raised in rural Maoist China who was plucked from his village to study ballet and went on to become one of the greatest dancers of his generation. From a desperately poor village in northeast China, at age eleven, Li Cunxin was chosen by Madame Mao's cultural delegates to be taken from his rural home and brought to Beijing, where he would study ballet. In 1979, the young dancer arrived in Texas as part of a cultural exchange, only to fall in love with America-and with an American woman. Two years later, through a series of events worthy of the most exciting cloak-and-dagger fiction, he defected to the United States, where he quickly became known as one of the greatest ballet dancers in the world. This is his story, told in his own inimitable voice. THE BASIS FOR A MAJOR MOTION PICTURE

The Untried Life James T. Fritsch, 2012-08-21 Told in unflinching detail, this is the story of the Twenty-Ninth Ohio Volunteer Infantry, also known as the Giddings Regiment or the Abolition Regiment, after its founder, radical abolitionist Congressman J. R. Giddings. The men who enlisted in the Twenty-Ninth OVI were, according to its lore, handpicked to ensure each was as pure in his antislavery beliefs as its founder. Whether these soldiers would fight harder than other soldiers, and whether the people of their hometowns would remain devoted to the ideals of the regiment, were questions that could only be tested by the experiment of war. *The Untried Life* is the story of these men from their very first regimental formation in a county fairground to the devastation of Gettysburg and the march to Atlanta and back again, enduring disease and Confederate prisons. It brings to vivid life the comradeship and loneliness that pervaded their days on the march. Dozens of unforgettable characters emerge, animated by their own letters and diaries: Corporal Nathan Parmenter, whose modest upbringing belies the eloquence of his writings; Colonel Lewis Buckley, one of the Twenty-Ninth's most charismatic officers; and Chaplain Lyman Ames, whose care of the sick and wounded challenged his spiritual beliefs. *The Untried Life* shows how the common soldier lived—his entertainments, methods of cooking, medical treatment, and struggle to maintain family connections—and separates the facts from the mythology created in the decades after the war.

The Griffith Project, Volume 8 Paolo Cherchi Usai,2019-07-25 No other silent film director has been as extensively studied as D. W. Griffith. However, only a small group of his more than five hundred films has been the subject of a systematic analysis, and the vast majority of his other works still await proper examination. For the first time in film studies, the complete creative output of Griffith - from 'Professional Jealousy' (1907) to 'The' 'Struggle' (1931) - will be explored in this multivolume collection of contributions from an international team of leading scholars in the field. Created as a companion to the ongoing retrospective held by the Pordenone Silent Film Festival, the Griffith Project is an indispensable guide to the work of a crucial figure in the arts of the nineteenth century. The latest volume assesses Griffith's work in 1914-15. It includes an extensive, multi-authored evaluation of 'The Birth of' 'a Nation.'
