

Power Of The Psalms

Thomas R. Hawkins

Mystical Power of the Psalms Nathaniel J. Harris, 2013-10-05 Wise men throughout the generations have recognized the power of the Psalms to get results: from attracting love and wealth, to overcoming adversaries, to banishing the powers of evil. Yet these are not mere incantations, to be repeated with an empty heart. Pay heed to these words, and follow their advice closely. To those who trust in the LORD, and who faithfully hold his precepts, great favours shall be granted.

The Secret Power of the Psalms animatarot, This book reveals how the Psalms are a path to access the power of God, His blessings, and His miracles—whether for healing, protection, love, prosperity, or any other need that afflicts you. A BOOK TO DISCOVER THE MIRACULOUS POWER OF THE PSALMS The Secret Power of the Psalms is a book that reveals the immense power of God's word through the Psalms. "The Psalms are the word of God turned into prayer." – Benedict XVI People often read the Psalms without really knowing their uses, powers, and secrets; yet the Psalms are much more than simple prayers of praise found in the Bible—they contain the power of God's word, capable of transforming our lives. MIRACLES AND HEALING WITH THE PSALMS The purpose of this book is to bring us closer to God, allowing us to experience His blessings, love, and protection. We want each person to discover the power of God's word and how the Psalms, through their power, are an inexhaustible source of protection and blessing. Each Psalm is a door opened to divine grace, an invitation to enter the presence of God and receive His gifts. THE BOOK OF PSALMS: A WELL-KEPT SECRET When studying the Psalms, one quickly discovers that for every situation there is a Psalm that symbolizes and represents it—one that contains the precise word capable of working miracles. This is a practical guide to using the Psalms: whether you are seeking peace in times of distress, protection in moments of uncertainty, a blessing, or simply a deeper connection with the divine, the Psalms can offer a spiritual solution to any need that afflicts you. negative energies, etc. In the third part, The Power of the Psalms, a thematic reference section, you will find the Psalms organized by topics and purpose, such as Blessing, Protection, Love, Family, Justice, Healing or Illness, among many other topics. The idea of this section is to help you find the Psalm you need to pray. Constructing and Deconstructing Power in Psalms 107-150 W. Dennis Tucker Jr.,2014-07-01 Essential research on the relationship between the Persian empire and the the formation of the book of Psalms In this latest entry in the Ancient Israel and Its Literature series, W. Dennis Tucker, Jr. examines the role of Persian imperial ideology in the creation of psalms in Book 5 of the Psalter and in the shaping of the book of Psalms as a whole. Although much research has been conducted on the relationship between the Persian empire and the creation of biblical texts, the book of Psalms has been largely absent from this discussion. Tucker seeks to rectify this omission by illustrating that Book 5 constructed a subtle anti-imperial ideology in response to the threats imposed from all empires both past and present. Features: Close study of the psalms portrayal of human power to that of Yahweh Comparison of Achaemenid propaganda to the ideology found in the psalms Evidence drawn from Persian iconography and inscriptions

The Power in the Book of Psalm Andrew B. Adeniji,2017-10 It is shame that the modern world have lost the edge when it comes to the power of prayer. Prayer is so powerful that in the hand of a righteous person, that a man like us named Elijah

prayed earnestly that it will not rain and it did not rain for three and half year. And to show how effective prayer can be, he prayed again and the heavens gave rain. The bible shows us time and time again how the less powerful have used prayer to conquer their adversaries. Our Lord and savior, Jesus Christ told us Mathew 17:20, I tell you the truth, if you have faith as small as a mustard seed, you can say to this mountain, 'Move from here to there' and it will move. Nothing will be impossible for you. Why will Jesus give us such an assurance? It is because, the weapon we fight with are not the weapons of the sinful world, we the children of God use divine power of God to tear down the strong hold of the evil one. So we must continue to pray even when you think your answers are not coming as quickly as you wanted. Remember when Martha and Mary send a message to Jesus that Lazarus is sick, his sisters sent unto him, saying, Lord, behold, he whom thou lovest is sick even though the answer took two days to get to the sisters. The most important thing is that Jesus was called and that is when action was put in process and they did not put their request on the righteousness of Lazarus or his status in the ministry or how hard he works or even what he has given to the Church. The appeal was based on the love of Jesus Christ. The one whom you love is sick, that is our clue; we must always focus our prayers on the love of God. We also have the confidence that God will answer our prayers if they are in agreement with His will. So I know that anything I ask that is according to His will be answered no matter how sinful the person praying may be. Even though we don't always get yes, but His answer are always in our best interest. And we don't have to follow any secret incantation before praying or offer some unnecessary repetition while praying. And the eloquence of our prayer will not make God answer our prayer. That is why in Matthew 6:7-8, Jesus rebukes those who pray using repetitions, And when you pray, do not keep on babbling like pagans, for they think they will be heard because of their many words. Do not be like them, for your Father knows what you need before you ask him. The Word of God is full of accounts describing the power of prayer in various situations. The power of prayer has overcome enemies (Psalm 6:9-10), conquered death (2 Kings 4:3-36), brought healing (James 5:14-15), and defeated demons (Mark 9:29). God, through prayer, opens eyes, changes hearts, heals wounds, and grants wisdom (James 1:5). The power of prayer should never be underestimated because it draws on the glory and might of the infinitely powerful God of the universe! Daniel 4:35 proclaims, All the peoples of the earth are regarded as nothing. He does as he pleases with the powers of heaven and the peoples of the earth. No one can hold back his hand or say to him: 'What have you done?' So pray and God who loves you first will answer your prayers.

Theopoetry of the Psalms C.J.A. Vos, 2005-10-10 In *Theopoetry of the Psalms* Cas J.A. Vos explores the beauty of the Psalms and examines their meaning within the context of exegesis, homiletics and poetry. By investigating the structure, literary genre, history and theology of the Psalms he traces the ways in which they continue to be relevant to contemporary readers and to modern worship. Vos scrutinizes the Psalms as a volume of poetry and a work of art; considers hermeneutical approaches and difficulties, providing not only a verse-by-verse analysis but also a contextual history; outlines a

comprehensive homiletic theory for preaching the Psalms; and concludes with a study of the Psalms in liturgy. Theopoetry of the Psalms is valuable to those Biblical scholars who wish to explore the theological and exegetical interpretation of the Psalms as well as to those readers who are interested in liturgics and practical theology for preaching and worship.

Success and Power Through Psalms Donna Rose, 2004-10-01 The Psalms are the longest, shortest and middle chapters of the Bible and probably the most famous. It has been largely overlooked by the various churches that there is a mystical quality inherent to the Psalms. The pages in this book contain a variety of uses to which the Psalms have been applied. By saying the particular Psalm over and over with an intent, a specific purpose may be achieved.

For centuries the Church has kept hidden the process of using the Psalms for magical purposes.
