Good Morning, Love Ashley M. Coleman, 2022-06-21 For fans of *My (Not So) Perfect Life* and Jasmine Guillory's *While We Were Dating*, a disarmingly fun debut novel follows Carlisa Henton as her life comes undone after a chance meeting with a rising pop star. Carlisa "Carli" Henton is a musician and songwriter hoping to follow in her father's musical footsteps. But, biding her time until she makes it big in the music industry, she works as a junior account manager at a big-name media company to cover her New York City rent. Carli meticulously balances her work with her musical endeavors as a songwriter—until a chance meeting with rising star Tau Anderson sends her calculated world into a frenzy. Their worlds collide and quickly blur the strict lines Carli has drawn between her business and her personal life, throwing Carli's reputation—and her burgeoning songwriting career—into question. A smart, timely, energizing romance, *Good Morning, Love* shows us what the glamorous New York's music scene is really like and takes us into the lives of a rising but somewhat troubled R&B star and a promising protégé who knows her job better than she knows herself. With fresh and honest prose, *Good Morning, Love* examines the uncertainty of being a new professional looking to chase a dream while also trying to

survive in a world that's not always kind to ambitious women.

**The Psalms in Israel's Worship** Sigmund Mowinckel,2004 One of the most important contributions to our understanding of the psalms, *The Psalms in Israel's Worship* by Sigmund Mowinckel has largely provided the framework and suppositions of modern Psalms study. Fully revised from the original Norwegian edition and now featuring a substantial new foreword by James Crenshaw, this classic work (two volumes in one) argues that the psalms originated in actual temple worship and were used regularly to add drama to Israel's adoration of Yahweh. Throughout this fascinating work, Mowinckel carefully explores the relationship of the various psalm types to the congregation's devotional life, including hymns of praise from Israel's national festivals, psalms of lamentation and penitence, and personal or private psalms of thanksgiving. Other topics include the psalms' relationship to prophecy and wisdom, their composition and collection, their style and performance, and the technical terminology involved in Psalms study. Praise for *The Psalms in Israel's Worship* bWe must be very grateful to Mowinckel and all who have helped him to make available this standard work in psalms research to a larger audience. b -- *Journal of Biblical Literature* bA mere review must fail to do justice to this book's awesome learning and insight. b -- *Catholic Biblical Quarterly* bBeyond any doubt whatever, this book represents thorough scholarship and has to be taken into consideration by any teacher of the Old Testament. b -- *Princeton Seminary Bulletin*
