The Road Goes Ever On and On Jeb Smith,2023-04-12 Engrossing...Tolkien's principles--patriotism, Medievalism, localism, Catholicism--are certainly out of fashion today. And yet they're the foundation for all his books, which have sold hundreds of millions of copies. Mr. Smith does a wonderful job of explaining why modern readers are so enthralled by Tolkien's reactionary vision. Whether you're a casual Lord of the Rings fan or a serious Tolkien scholar, every page of Mr. Smith's book will delight and fascinate. And if anyone ever tells you that fairy-tales are only for children, hand him this book. Tolkien ought to be regarded as one of the great social critics of our time, as Mr. Smith so masterfully demonstrates. - Michael Warren Davis is an editor for Sophia Institute Press and the author of *The Reactionary Mind: Why Conservative Isn't Enough*. You can find him on his blog, *The Common Man*. As the popularity of Tolkien's work continues to endure, the importance of Jeb Smith's work continues to grow. This is because of a prolonged siege against Tolkien's work: the attempt to dislodge it from its Christian and Biblical foundations. Jeb Smith's insights are immensely helpful to this and future generations of Tolkien admirers. Scott L. Smith, author of *Lord of the Rings and the Eucharist* J.R.R. Tolkien's Middle-earth has captured the imaginations of millions of readers around the world for generations. He is considered the father of modern fantasy, but few understand how Tolkien's worldview impacted his mythology. *The Road Goes Ever On and On* is the first book of its kind to place Tolkien within his proper context, giving the reader a deeper understanding of Tolkien and Middle-earth. Smith takes us on a quest through a wide range of Tolkien's writings to unlock Tolkien's perspective--a perspective that, like the elves who have sailed into the West leaving Middle-earth, has faded away from our world. You will gain an in-depth knowledge of Tolkien's views on politics, environmentalism, religion, and much more. From the Valar to Hobbits, the

free peoples closely follow Tolkien's sentiments. In contrast, forces under the Shadow represent what Tolkien believed was immoral. Covering a wide range of topics, *The Road Goes Ever On* and *On* is filled with breathtaking illustrations bringing Middle-earth to life like never before, making this the 'one book to rule them all.'

Tyranny from Plato to Trump Andrew Fiala, 2022-03-15 Power grabs, partisan stand-offs, propaganda, and riots make for tantalizing fiction, but what do we do when that drama becomes a reality all around us? For a country founded as an escape from British tyranny, the United States seems to have devolved into a land where tyrants rise to power, sycophants blindly follow, and the entire nation suffers. As ancient Greek philosophers warned us, chaotic tragedy unfolds in the absence of reason, and the only cure is a return to wisdom and virtue. America's founding fathers knew this lesson all too well and dreamed of an enlightened citizenry guided by better-than-ideological dictators. Using contemporary events to illuminate universal human weaknesses, Andrew Fiala charts the perennial history of tyrannical takeovers and the masses who support them and ultimately suffer under their rule. Ultimately, Fiala also points to a solution. Knowing the cyclical nature of tyranny, we can build safeguards against our worst inclinations and keep alive the freedoms our founding fathers envisioned for this nation.

The Rose Garden and the Ring Lynn, Christine, 2013-11-14 This heartfelt and honest account of two ordinary yet very different women goes beyond just saying life will get better with Christ and delves into the actual process one goes through on the road to healing from a spouses affair. Adultery is prominent in todays society and is devastating to the entire family. Lynn and Christines testimonies in *The Rose Garden and the Ring* are disclosed in the following identifiable topics: Walking with God through a spouses affair Knowing your options for immediate assistance Feeling out of control while searching for truth Identifying with the emotional rollercoaster Understanding Gods view on marriage and divorce Deciding whether to stay or go Dealing with our sweet children Taking revenge or not Understanding the anatomy of an adulteress Remembering Gods promises and other miracles In *The Rose Garden and the Ring*, you will discover that you are not alone. The tools and insight gained from the pages of this labor of love can bring comfort in the emotional moments to persevere with God.

Should You Judge This Book By Its Cover? Julian Baggini, 2009-09-03 A philosopher takes a second look at sayings, proverbs, and bits of homespun wisdom: "Every society needs its guardian of good sense: Baggini is ours." —The Financial Times These short, stimulating, and entertaining capsules of philosophy delve into the familiar words that live in our consciousness yet are rarely examined. Should you really do as the Romans do when in Rome and practice what you preach? Is the grass always in fact greener on the other side of the fence, and is there ever smoke without fire? Is beauty always in the eye of the beholder and is it actually better to be safe than sorry? From the popular author of *The Pig That Wants to Be Eaten*, cofounder of *The Philosophers' Magazine*, and academic director of the Royal Institute of Philosophy, this is a witty, deeply thought-provoking reminder that we should never stop asking questions.

Prayers That Change Destiny Sidney Edi-Osagie,2015-07-31 Prayers That Change Destiny is the concept of studying, articulating and declaring Gods Word in prayer with a view to the Word becoming flesh in our lives and circumstances. The results, changes and transformation these prayers bring to our destinies are an undeniable testament to the truth and potency of Gods Word. In the natural, we are destined to walk in the paths of our fathers. There are certain things encoded in our DNA that we cannot avoid, just by simply being born into our families. However, when we come into the family of God through Christ, we become born again, into an entirely new family. The generational curses and drawbacks we are destined to face as a part of our natural families are broken as a result of our new birth experience and because the prayers of the righteous avails much (James 5:16)

My People Don't Know Me Shannon Bowen,2025-03-11 My People Don't Know Me is a Holy Spirit-inspired book. Page after page, you will feel the heart of Jesus as He expresses His desire for a relationship with you. You will learn the tactics Satan uses to separate you from God, how to take authority over the enemy, and that you are the greatest hindrance in your relationship with Jesus. Through dozens of scriptures, you will learn what the Word of God says about surrendering to Him, dying to self, strongholds and how to pull them down, and much more. God desires to have a close relationship with you, just as He had with Adam and Eve before Satan entered the garden. It is our responsibility to seek him and make Him our first love, not ourselves. Whether you have never met Jesus, have just turned your life over to Him, or have been serving Him for years, this book will help you grow spiritually. We do not have time to waste in these last days. James 4:14 NLT says, "How do you know what your life will be like tomorrow? Your life is like the morning fog—it's here a little while, then it's gone." A

lie that Satan tells you is that you have plenty of time. The truth is you're not promised tomorrow, so why would you take the chance of not knowing Jesus? Don't waste another day. Surrender your life to God and develop a relationship with Him.

My Name Is Not 18121-018 Sammie Smith,2024-08-06 Life is full of ups and downs, twists and turns. But one thing is certain: there is no reverse. No one can go back in time to right a wrong or choose a different path. The only choice people have is to keep moving forward. In the game of life, everyone wins some and loses some. The good news is that, in life, every day is game day. A loss yesterday doesn't mean a win can't happen today. In fact, when people learn from their losses, they set themselves up for more wins in the future. My Name Is Not 18121-018 goes on a deeply personal journey, detailing Sammie's path to becoming a professional football player and the highs and the lows that came with it. From the profound loss of a child from sudden infant death syndrome (SIDS) and a federal prison sentence to the incredible redemption found through accepting Jesus Christ as his Lord and Savior, Sammie shares a transformative story of hope discovered in the shadows of life's lowest moments. Through it all, he reveals precisely what it means to win the most important game of all - the game of life.
