Elle Kennedy

The Complete Off-Campus Series Set Elle Kennedy, 2023-11-21 *A limited collector's bundle with illustrated covers and blue sprayed edges on the first print run.* New York Times bestselling author Elle Kennedy brings her signature angst, humor, and spice to the icy-hot Off Campus books. The series follows a house of hockey-playing college roommates and the women who knock them off their pedestals, teaching them that love is worth more than any game-scoring goal. *The Deal* Hannah Wells might be confident, but she's carting around a full set of baggage when it comes to sex and seduction. If she wants to get her crush's attention, she'll have to step out of her comfort zone...even if it means tutoring the annoying, childish, cocky captain of the hockey team, Garrett Graham, in exchange for a public pretend date. But when one unexpected kiss leads to the wildest sex of their lives, it doesn't take long for Garrett to realize that pretend isn't going to cut it. *The Mistake* For college hockey star John Logan, life is a parade of parties and hook-ups, but behind his killer grins hides growing despair about the dead-end road he'll be forced to walk after graduation. A sexy encounter with freshman Grace Ivers is just the distraction he needs, but when a thoughtless mistake pushes her away, Logan plans to spend his final year proving to her that he's worth a second chance. But this time around, she'll be the one in the driver's seat...and she plans on driving him wild. *The Score* Wild rebound sex after a breakup is definitely not the solution to Allie Hayes's problems, but gorgeous hockey star Dean Di Laurentis is impossible to resist. Just once, though, because even if her future is uncertain, it sure as hell won't include the king of one-night stands. Dean has never met a woman who's immune to his charms...until Allie. For one night, the feisty blonde rocked his entire world--and now she wants to be friends? Nope. It's not over until he says it's over. *The Goal* College senior Sabrina James has her whole future planned out: graduate from college, kick butt in law school, and land a high-paying job at a cutthroat firm. Her path to escaping her shameful past certainly doesn't include a gorgeous hockey player who believes in love at first sight. One night of sizzling heat and surprising tenderness is all she's willing to give John Tucker...but sometimes, one night is all it takes for your entire life to change. *The Legacy* Four stories. Four couples. Three years of real life after graduation... A wedding. A proposal. An elopement. And a surprise pregnancy. Can you guess which Off Campus couple is which?

The Risk Elle Kennedy, 2019-02-18 Everyone says I'm a bad girl. They're only partly right—I don't let fear rule me, and I certainly don't care what people think. But I draw the line at sleeping with the enemy. As the daughter of Briar's head hockey coach, I'd be vilified if I hooked up with a player from a rival team. And that's who Jake Connelly is. Harvard's star forward is arrogant, annoying, and too attractive for his own good. But fate is cruel—I require his help to secure a much-coveted internship, and the sexy jerk isn't making it easy for me. I need Connelly to be my fake boyfriend. For every fake date...he wants a real one. Which means this bad girl is in big trouble. Nothing good can come from sneaking around with Jake Connelly. My father would kill me, my friends will revolt, and my post-college career is on the line. But while it's getting harder and harder to resist Jake's oozing sex appeal and cocky grin, I refuse to fall for him. That's the one risk I'm not willing to take. The Dare Elle Kennedy, 2020-06-16 College was supposed to be my chance to get over my ugly-duckling complex and spread my wings. Instead, I wound up in a sorority full of mean girls. I already have a hard time fitting in, so when my Kappa Chi sisters issue the challenge, I can't say no. The dare: seduce the hottest new hockey player in the junior class. Conor Edwards is a regular at Greek Row parties...and in Greek Row sorority beds. He's the one you fall for before you learn that guys like him don't give girls like me a second glance. Except Mr. Popular throws me for a loop--rather than laughing in my face, he does me a solid by letting me take him upstairs to pretend we're getting busy. Even crazier, now he wants to keep pretending. Turns out Conor loves games, and he thinks it's fun to pull the wool over my frenemies' eyes. But resisting his easy charm and surfer-boy hotness is darn near impossible. Though I'm realizing there's much more to Conor's story than his fan club can see. And the longer this silly ruse goes on, the greater the danger of it all blowing up in my face.

The Complete Briar U Series Set Elle Kennedy, 2024-04-16 *A limited collector's bundle of 5 individual titles (not boxed) with illustrated covers and blue sprayed edges on the first print run.* New York Times bestselling author Elle Kennedy returns to Briar University in these hot and hilarious spinoffs of the Off-Campus series. Favorite hockey players return and get the chance for their own happily-ever-afters with the smart and sassy women who win their hearts. The Chase Everyone says opposites attract. drawn to tattoo-covered, video-gaming, hockey-playing Colin Fitzgerald. It doesn't help that she just moved in with him. Fitzzy made it clear he's not interested, and Summer isn't the type to chase a man--but the sparks between them might still burn their house down. The Risk Brenna Jensen might be known as the bad girl, but as the daughter of Briar U's head hockey coach, she draws the line at sleeping with the enemy. And that's who Jake Connelly is. Harvard's star forward is arrogant, annoying, and too attractive for his own good. But fate is cruel--Brenna needs Connelly to be her fake boyfriend, and for every fake date, he wants a real one. And she can't risk falling for him. The Play After last year's distractions cost his hockey team their season, captain Hunter Davenport has a new philosophy: hockey and school now, women later. He's going celibate. But there's nothing in the rulebook that says he can't be friends with gorgeous Demi Davis. She even has a boyfriend. Except three months into their friendship, Demi is single and looking for a rebound...and she's making a play for Hunter. The Dare College is finally Taylor Marsh's chance to get over her ugly-duckling complex, and when her Kappa Chi sisters issue a challenge, she can't say no. The dare: seduce hockey-playing hottie Conor Edwards. She expects him to laugh in her face, but instead, he lets Taylor take him upstairs to pretend they're getting busy. What's more? He wants to keep pretending. But the longer this ruse goes on, the less of a game it seems.
