Jerry Ahern

Surviving Home A. American, 2016-04-05 Book 2 of The Survivalist Series No electricity. No running water. No food. No end in sight. If life as you knew it changed in an instant, would you be prepared? In A. American's first novel, *Going Home*, readers were introduced to Morgan Carter, the resourceful, tough-as-nails survivalist who embarks on a treacherous 250-mile journey across Florida following the collapse of the nation's power grid. Now reunited with his loving wife and daughters in this follow-up to *Going Home*, Morgan knows that their happiness is fleeting, as the worst is yet to come. Though for years Morgan has been diligently preparing for emergency situations, many of his neighbors are completely unready for life in this strange new world--and they're starting to get restless. With the help of his closest companions, Morgan fights to keep his home secure--only to discover shocking information about the state of the nation in the process. Fans of James Wesley Rawles, William R. Forstchen's *One Second After*, and *The End* by G. Michael Hopf will revel in A. American's apocalyptic tale.

The Awakening: The Survivalist Jerry Ahern, 2012-08 No human being could possibly escape death when the earth's atmosphere explodes into a blazing wave of global fire. But John Thomas Rourke, ex-CIA Covert Operations Officer, weapons specialist, and survival expert would not be denied another chance at life. His family and friends are alive and about to enter a cruel, desolate new world. Thinking that *The Retreat* is the last refuge of life on earth until the Eden Project returns, Rourke is stunned to find that others have also survived the fiery holocaust. Yet these humans live to kill and kill to live, eating the flesh of their victims. Rourke and all he holds dear will soon be nothing but gnawed bones unless he once again makes the most of his skills as *The Survivalist*.

The Nightmare Begins Jerry Ahern, 2011-07 World War III is now a bloody page in American history. With nuclear holocaust killing more than a quarter-billion people worldwide and the United States just a memory, John Thomas Rourke, ex-CIA Covert Operations Officer, weapons expert, and survival authority is enduring the ultimate test. Soviet Occupation Forces have landed and must begin the pacification of America. They will start by liquidating any prominent Americans who could become a rallying point for armed resistance. The first name on the list is Samuel Chambers, the lone surviving member of the Presidential cabinet. And as the American KGB invades Texas to find Chambers, they find Rourke there as well. With his young friend Paul Rubenstein, Rourke is fighting his way back home to continue the search for his missing wife and children.

Paramilitary armies, heavily armed brigands, a beautiful KGB infiltrator, an unending stream of War refugees, and a land gone mad with violence block his path. The birth of the U.S. II has begun and the quest continues for John Thomas Rourke - THE SURVIVALIST.

The Reprisal: The Survivalist Jerry Ahern, 2012-09 World War III and its aftermath of all-consuming fire left civilization on the brink of extinction. But John Thomas Rourke-the ex-CIA Covert Operations Officer, weapons specialist and survival expert-still lives, fighting the elements and the odds. And those odds have never been more heavily stacked against Rourke than when he finds his son mortally wounded and Natalia and all of his family kidnapped by a Russian foe, long thought dead. As Rourke's son hovers between life and death under the watchful eyes of Paul Rubenstein, Rourke loads his weapons and sets out across a desolate America. His destination: The Womb in Colorado, where he must battle an enemy who brutally tortures his helpless captives before killing them. Rourke cannot afford to fail. There will be no second chances for... THE SURVIVALIST.

The Web: The Survivalist Jerry Ahern, 2011-12 John Thomas Rourke, M.D., ex-CIA Covert Operations Officer, weapons expert, and survival authority, has accomplished one of his goals-he's helped his young friend Paul Rubinstein locate his parents. Now, Rourke's search for his own family must continue, hampered by severe storms raging along the Eastern Seaboard caused by the earthquakes which destroyed Florida. Rourke picks up his relentless quest, avoiding the Russian troops searching for the missing data on the enigmatic Eden Project, and rides into the most bizarre situation he's discovered since the Night of the War. Life in the Tennessee mountain village is all too normal, seemingly unaffected by the war. It is there that John Thomas Rourke finds himself in the middle of a mass suicide pact... and is expected to participate. While battles rage and blizzards roar, Rourke fights to escape. He must go on-he is The Survivalist.

The Prophet: The Survivalist Jerry Ahern, 2012-03 World War III was just practice for what's coming. And even those who survived the original firestorm-like John Thomas Rourke-won't have a chance when the next round of carnage begins. But Rourke, the ex-CIA Covert Operations Officer, weapons specialist and survival expert didn't struggle to stay alive in this brutal world only to die in a final holocaust of fire and blood. As six nuclear missiles are poised to start the ultimate conflagration, Rourke's constant quest for his wife and son becomes a desperate mission to save both his family and all humanity from being blasted into extinction. If he should fail, no man will ever walk the earth again-not even... THE SURVIVALIST.

His mom and dad are now settled in and getting to work, but the babies are coming, the milking barn needs to be built and the power plant kept running. To make matters worse, they're now dealing with the US Army. Morgan has real concerns once he hears about the Army's plans and what they expect of the people of Lake County. After more than a year without the rule of law, are the people ready to return to it? Is he? Are men and women who have become accustomed to doing as they see fit ready to return to a civil contract society? Or something more closely resembling the decadence that only recently died? Morgan and his group have an immense arsenal at their disposal, but they lack manpower. A militia is needed and Morgan is already building one. Neither Sarge nor Morgan will let the Army throw its weight around. If the Army has tyrannical plans, the people of Lake County have the means to disagree. But they will need help. Sarge has an ambitious plan but will need Morgan to make it work.
