**They Say I Have ADHD, I Say Life Sucks! Thoughts from Nicholas** Lisa-Anne Ray-Byers, 2009-12 What is wrong with Nicholas? Nothing is wrong with Nicholas, he just happens to have ADHD. Readers follow Nicholas, and his animated and sometimes comical clock companion, through a typical day. A day in which Nicholas loses a friend or two, talks too much, forgets his homework, gets sent to the principal's office, is teased by his peers, and feels all around inadequate. Readers can vividly view how the symptoms of ADHD accumulate and often follow a domino effect. Readers will also gain insight into the thoughts and feelings behind many of the behaviors exhibited by children who have ADHD. As reviewed by New York Times best-selling author Ellen Tanner Marsh Recently Mark Haddon wrote a book called *The Curious Incident of the Dog in the Night-Time*, which made the unusual and imaginative leap of letting a boy with autism tell the story himself. Whether fictional or not, books about characters with one psychological dysfunction or another are typically written from the third-person point of view so that we learn the truths from someone other than the sufferer. In *They Say I Have ADHD, I Say Life Sucks! Thoughts From Nicholas*, Lisa-Anne Ray-Byers brilliantly and adeptly follows the same principle as Haddon, allowing Nicholas-a boy with Attention Deficit/Hyperactivity Disorder-to tell his own story. Nicholas wonders, Why can't I be normal? In truth, disorganization and messiness go with being a kid, but Nicholas has been convinced of exactly the opposite by a mother and teachers who do not seem to understand childhood, nor how to accommodate Nicholas's actual disorder. Fortunately, Ray-Byers has done an outstanding job telling this story in the first person, thus bringing much needed insight to the difficulties children with ADHD face from their waking hours until bedtime. To read this book is to learn to sympathize and certainly to gain a better understanding that may possibly lead to better treatment for those afflicted. For this reason

alone, the value of this book cannot be overstated! About Lisa-Anne Lisa-Anne Ray-Byers is a native of the beautiful island of Bermuda. She immigrated to the United States after completing her Bachelor of Science degree in Communicative Disorders from Andrews University in Berrien Springs, Michigan. She has worked in education and special education for two decades with children of all ages. She has a Master of Science degree in Speech-Language Pathology from Adelphi University in Garden City, New York. She also holds a Master of Science degree in Multicultural Education from the College of New Rochelle in New Rochelle, New York. She has also completed additional graduate coursework at the College of New Rochelle for certification in educational administration. She is a licensed and certified speech-language pathologist and is currently employed in a local public school district. In addition to her duties as a speech-language pathologist, the author also writes a weekly question and answer column in four local newspapers entitled Ask Lisa-Anne. Her column covers topics in education, education law, special education, and numerous related issues. In 2006, she launched her educational website [www.AskLisaAnne.com](http://www.AskLisaAnne.com) as a resource for parents, therapists and teachers. She also shares a monthly educational e-newsletter as an extension of her website.

**The Freedom Writers Diary (20th Anniversary Edition)** The Freedom Writers, Erin Gruwell, 2007-04-24 #1 NEW YORK TIMES BESTSELLER • The twentieth anniversary edition of the classic story of an incredible group of students and the teacher who inspired them, featuring updates on the students' lives, new journal entries, and an introduction by Erin Gruwell. Now a public television documentary, *Freedom Writers: Stories from the Heart*. In 1994, an idealistic first-year teacher in Long Beach, California, named Erin Gruwell confronted a room of “unteachable, at-risk” students. She had intercepted a note with an ugly racial caricature and angrily declared that this was precisely the sort of thing that led to the Holocaust. She was met by uncomprehending looks—none of her students had heard of one of the defining moments of the twentieth century. So she rebooted her entire curriculum, using treasured books such as Anne Frank's diary as her guide to combat intolerance and misunderstanding. Her students began recording their thoughts and feelings in their own diaries, eventually dubbing themselves the “Freedom Writers.” Consisting of powerful entries from the students' diaries and narrative text by Erin Gruwell, *The Freedom Writers Diary* is an unforgettable story of how hard work, courage, and determination changed the lives of a teacher and her students. In the two decades since its original publication, the book has sold more than one million copies and inspired a major motion picture *Freedom Writers*. And now, with this twentieth-anniversary edition, readers are brought up to date on the lives of the Freedom Writers, as they blend indispensable takes on social issues with uplifting stories of attending college—and watch their own children follow in their footsteps. *The Freedom Writers Diary* remains a vital read for anyone who believes in second chances.

*Writing Across Difference* James Rushing Daniel,Katherine Helen Malcolm,Candice Rai,2022-03-01 As the nation becomes increasingly divided by economic inequality, racial injustice, xenophobic violence, and authoritarian governance, scholars in writing studies have strived to develop responsive theories and practices to engage students, teachers, administrators, and citizens in the crisis of division and to begin the complicated work of radically transforming our inequitable institutions and society. *Writing Across Difference* is one of the first collections to gather scholars from across the field engaged in offering theoretical, methodological, and pedagogical resources for understanding, interrogating, negotiating, and writing across difference. No text in composition has made such a sweeping attempt to place the multiple areas of translingualism, anti-racism, anticolonialism, interdisciplinarity, and disability into conversation or to represent the field as broadly unified around the concept of difference. The chapters in this book specifically explore how monolingual ideology is maintained in institutions and how translingual strategies can (re)include difference; how narrative-based interventions can promote writing across difference in classrooms and institutions by complicating dominant discourses; and how challenging dominant logics of class, race, ability, and disciplinarity can present opportunities for countering divisiveness. *Writing Across Difference* offers writing scholars a sustained intellectual encounter with the crisis of difference and foregrounds the possibilities such an encounter offers for collective action toward a more inclusive and equitable society. It presents a variety of approaches for intervening in classrooms and institutions in the interest of focalizing, understanding, negotiating, and bridging difference. The book will be a valuable resource to those disturbed by the bigotry, violence, and fanaticism that mark our political culture and who are seeking inspiration, models, and methods for collective response.
