Finding Me Viola Davis, 2022-04-26 OPRAH'S BOOK CLUB PICK • A HARPERS BAZAAR BEST BOOK OF 2022 • A PARADE MOST ANTICIPATED BOOK • A MARIE CLAIRE MOST ANTICIPATED BOOK "It's clear from the first page that Davis is going to serve a more intimate, unpolished account than is typical of the average (often ghost-written) celebrity memoir; Finding Me reads like Davis is sitting you down for a one-on-one conversation about her life, warts and all."—USA Today "[A] fulfilling narrative of struggle and success....Her gorgeous storytelling will inspire anyone wishing to shed old labels."—Los Angeles Times In my book, you will meet a little girl named Viola who ran from her past until she made a life-changing decision to stop running forever. This is my story, from a crumbling apartment in Central Falls, Rhode Island, to the stage in New York City, and beyond. This is the path I took to finding my purpose but also my voice in a world that didn't always see me. As I wrote Finding Me, my eyes were open to the truth of how our stories are often not given close examination. We are forced to reinvent them to fit into a crazy, competitive, judgmental world. So I wrote this for anyone running through life untethered, desperate and clawing their way through murky memories, trying to get to some form of self-love. For anyone who needs reminding that a life worth living can only be born from radical honesty and the courage to shed facades and be . . . you. Finding Me is a deep reflection, a promise, and a love letter of sorts to self. My hope is that my story will inspire you to light up your own life with creative expression and rediscover who you were before the world put a label on you.

Prose to the People Katie Mitchell, 2025-04-08 A stunning visual homage to Black bookstores, featuring a selection of shops around the country alongside essays that celebrate the history, community, activism, and culture these spaces embody, with an original foreword by Nikki Giovanni. Black literature is perhaps the most powerful, polarizing force in the modern American zeitgeist. Today—as Black novels draw authoritarian ire, as Black memoirs shape public debates, as Black polemics inspire protest petitions—it's more important than ever to highlight the places that center these stories: Black bookstores. Traversing teeming metropolises and tiny towns, *Prose to the People* explores these spaces, chronicling these Black bookstore's past and present lives. Combining narrative prose, eye-catching photography, one-on-one interviews, original essays, and specially curated poetry, *Prose to the People* is a reader's road trip companion to the world of Black books. Thoughtfully curated by writer and Black bookstore owner Katie Mitchell, *Prose to the People* is a must-have addition to the shelves of anyone who loves book culture and Black history. Though not a definitive guide, this dynamic book centers profiles of over fifty Black bookstores from the Northeast to the mid-Atlantic, the South, and the West Coast, complete with stunning original and archival photography. Interspersed throughout are essays, poems, and interviews by New York Times bestsellers Kiese Laymon, Rio Cortez, Pearl Cleage, and many more journalists, activists, authors, academics, and poets that offer deeper perspectives on these bookstores' role throughout the diaspora. Complete with a foreword by world-renowned poet and activist Nikki Giovanni, *Prose to the People* is a beautiful tribute to these vital pillars of the Black community.

How to Know a Person David Brooks, 2023-10-24 NEW YORK TIMES BESTSELLER • A practical, heartfelt guide to the art of truly knowing another person and fostering deeper connections at home, at work, and throughout our lives—from the author of *The Road to Character* and *The Second Mountain* “More than a guide to better conversations, it's a blueprint for a more connected and humane way of living. It's a must-read for anyone looking to deepen their relationships and broaden their perspectives.”—Bill Gates, *GatesNotes* (Summer Reading Pick) As David Brooks observes, “There is one skill that lies at the heart of any healthy person, family, school, community organization, or society: the ability to see someone else deeply

and make them feel seen—to accurately know another person, to let them feel valued, heard, and understood.” And yet all around are people who feel invisible, unseen, misunderstood. In *How to Know a Person*, Brooks sets out to help us do better, posing essential questions: If you want to know a person, what kind of attention should you cast on them? What kind of conversations should you have? What parts of a person’s story should you pay attention to? Driven by his trademark sense of curiosity and determination to grow as a person, Brooks draws from the fields of psychology and neuroscience and the worlds of theater, philosophy, history, and education to present a welcoming, hopeful, integrated approach to human connection. *How to Know a Person* helps readers become more understanding and considerate toward others, and to find the joy that comes from being seen. Along the way it offers a possible remedy for a society that is riven by fragmentation, hostility, and misperception. The act of seeing another person, Brooks argues, is profoundly creative: How can we look somebody in the eye and see something large in them and, in turn, see something larger in ourselves? *How to Know a Person* is for anyone searching for connection, and yearning to be understood.

Viola Davis' Days - From Poverty to Oscar Natasha Tristan, What defines a person? Is that his color? Is that his race? Is it the environment in which he grew up? Viola Davis is a person who has proven through her life that these are not what determines a person. Viola Davis is a personality who lived to show her reply to the society that mocked her, as by conquering heights, and showed it in front of them as a strong response. In front of those who tried to ridicule Davis, she stands proudly with her record achievement. This book opens up to you how she became the proudest person to break her own record of, being the most nominated Black actress for the Oscars, and what led her to it. This book describes the factors that motivated her to jump out of the unbearable growth conditions of her childhood, and later from the discriminative eyes of the society. Her film career is a testament to her determination to step into the film, ignoring those who tried to discourage her. Rising to become one of Hollywood’s most respected stars, she has made good friends like Denzel Washington and August Wilson with the films such as *Fence*, *Doubt*, *The Help*, *Ma Rainey’s Black Bottom*, etc. That bond gave it all the successes of Oscars, Emma, Academy, and Golden Globe Awards.

Actress of a Certain Age Jeff Hiller, 2025-06-10 A humorous collection of autobiographical essays from comedian and *Somebody Somewhere* actor Jeff Hiller, who shares his journey from growing up “profoundly gay” in 1980s Texas to his experiences as an inept social worker and how he clawed, scraped, and brawled to Hollywood’s lower middle-tier. While struggling to find success as an actor and pay the bills, something accidentally happened to Jeff Hiller: he aged. And while it’s one thing to get older and rest on the laurels of success from the blood, sweat, and tears of your youth, it’s quite another to be old and have no laurels. At forty, stuck in a temp job making spreadsheets, the dream of becoming a star seemed out of reach. But after twenty-five years of guest roles on TV and performing improv in a grocery store basement, he finally struck gold with a breakout role on HBO’s *Somebody Somewhere*, playing Joel—the kind of best friend everyone wishes they had. In

his book, Jeff dives into the grit and grind of climbing the Hollywood ladder. It's a raw and often hilarious tale of the struggles, triumphs, and humiliations that shaped him into the wonderfully imperfect person he is today. With a mix of awkward charm and heartfelt honesty, Jeff shares his journey: growing up very Lutheran in Texas, navigating bullying as a gay kid, working as a social worker for unhoused youth and HIV prevention, and the endless ups and downs of being a struggling actor. For every one of us who have a dream that we're chasing—and chasing, and chasing—his is a funny, moving, and utterly relatable story.

Are You For Real? Stephanie Buckhanon Crowder, 2023-09-29 *Are You for Real?* is a groundbreaking work that places imposter syndrome, the Bible, and society at the same table. In this project Stephanie Buckhanon Crowder addresses the shadow of facade and fake feeling that pervade not only women, but men and non-binary persons in various ways. Matters of racism, sexism, classism, and gender come to the forefront as the author engages imposter syndrome through the lens of biblical texts. While much work on imposter syndrome situates itself in corporate environments, Buckhanon Crowder expands such professional boundaries to include religious contexts and the public square in general. Study questions at the end of each chapter provide space for both individual and institutional reflection on manifestations of imposter syndrome.

The Women We've Been Waiting For Tiffany Bluhm, 2024-09-24 These days, society tells women they can buy self-care in a store or cross it off a to-do list. In this 40-day devotional, Tiffany Bluhm invites women into a deeper, more meaningful understanding of self-care that includes faith, rest, joy, lament, collaboration, and empowerment. Bluhm shows how self-care is critical to women's spiritual growth and empowerment to make a difference in the world. *The Women We've Been Waiting For* weaves together Scripture, liturgies, and stories of historical figures to show women that caring for themselves is the first step toward renewing their own souls and tackling the social problems they care most about. Bluhm draws from her own writing as well as guest contributions from a diverse group of ministers, authors, and activists. Each devotion invites readers to learn from women who have managed tension, survived the seemingly impossible, and embodied a resilient faith. Readers will emerge from their 40-day journey with a more vibrant spirituality to fuel them in their everyday lives.

Narratives of Hope and Grief in Higher Education Stephanie Anne Shelton, Nicole Sieben, 2020-04-01 This collection weaves together the personal narratives of a group of diverse scholars in academia in order to reflect on the ways that grief and hope matter for those situated within higher education. Each chapter explores a unique aspect of grief and loss, from experiencing a personal tragedy such as the loss of a loved one, to national and international grief such as campus shootings and refugee camp experiences, to experiencing racism and microaggressions as a woman of color in academia, to the implications of religious differences severing personal ties as an individual navigates research and academic studies. Unlike most resources examining grief, this collection pushes beyond notions of sorrow as solely individual, and instead situates moments of loss and hurt as ones that matter politically, academically, professionally, and personally. The editors and their

authors offer pathways forward to academics, researchers, teachers, pedagogues, and thinkers who grapple with grief in a variety of forms, transforming this book into a critical resource of hope to those in the field of education (and others) who may feel the effects of an otherwise solitary journey of grief, to create an awareness of solidarity and support that some may not realize exists within academic circles.

Black Girls and How We Fail Them Aria S. Halliday, 2025-02-17 From hip-hop moguls and political candidates to talk radio and critically acclaimed films, society communicates that Black girls don't matter and their girlhood is not safe. Alarming statistics on physical and sexual abuse, for instance, reveal the harm Black girls face, yet Black girls' representation in media still heavily relies on our seeing their abuse as an important factor in others' development. In this provocative new book, Aria S. Halliday asserts that the growth of diverse representation in media since 2008 has coincided with an increase in the hatred of Black girls. Halliday uses her astute expertise as a scholar of popular culture, feminist theory, and Black girlhood to expose how we have been complicit in the depiction of Black girls as unwanted and disposable while letting Black girls fend for themselves. She indicts the way media mistreats celebrity Black girls like Malia and Sasha Obama as well as fictional Black girls in popular shows and films like *A Wrinkle in Time*. Our society's inability to see or understand Black girls as girls makes us culpable in their abuse. In *Black Girls and How We Fail Them*, a revelatory book for political analysts, hip-hop lovers, pop culture junkies, and parents, Halliday provides the critical perspective we need to create a world that supports, affirms, and loves Black girls. Our future depends on it.
