Chronicles of the Damned Jack Nightengale, 2017-05-31 Father Markus Knyte, a priest of the Vatican, is assigned as a professor in the Wheaton College as he searches for clues about the possible resurrection of the first vampyre. Along the way, others seek the same knowledge. Throughout his search, he stumbles across unlikely allies old and new. With the vampyres building their ranks, he finds himself in an unpredictable situation. Secrets begin to unfold as the threat of resurrection looms closer. Will Father Knyte be able to stop the threat at hand, or will his secrets slip before the resurrection is complete. Many questions are left to be answered as we join him in his travels in the Chronicles of the Damned.

Bluebird Ciel Pierlot, 2022-02-08 ****SHORTLISTED for the COMPTON CROOK AWARD, 2023**** Lesbian gunslinger fights spies in space! Three factions vie for control of the galaxy. Rig, a gunslinging, thieving, rebel with a cause, doesn't give a damn about them and she hasn't looked back since abandoning her faction three years ago. That is, until her former faction sends her a message: return what she stole from them, or they'll kill her twin sister. Rig embarks on a journey across the galaxy to save her sister - but for once she's not alone. She has help from her network of resistance contacts, her taser-wielding librarian girlfriend, and a mysterious bounty hunter. If Rig fails and her former faction finds what she stole from them, trillions of lives will be lost--including her sister's. But if she succeeds, she might just pull the whole damn faction system down around their ears. Either way, she's going to do it with panache and pizzazz. How Powerful We Are Sally Rugg, 2019-08-27 'Incisive, blistering and tender. Sally is one of our most valiant warriors.' - Clementine Ford, author of FIGHT LIKE A GIRL and BOYS WILL BE BOYS 'Proof that the personal is always political - and love really can save the world.' - Jamila Rizvi, author of NOT JUST LUCKY 'Rugg's passion and insight make for a propulsive tale' - Sydney Morning Herald Even if you're not an activist (yet), at a time when the news is written for clicks and elections are fought with three-word slogans, it's crucial to preserve some record of events that isn't 'fake news' or political spin. In part, this book is my attempt to counter the re-writing of how Australia achieved one of the most significant social changes in a generation. Sally Rugg is one of Australia's most influential campaigners for social change. HOW POWERFUL WE ARE is her manifesto for championing what you believe is right. In these pages Sally will teach you some of the things she learnt on the marriage equality campaign: how to develop a strategy, how to frame your messages, how to get your campaign to the

media, how to build community power. And she'll share with you the much harder lessons learnt: the consequences of campaign decisions; how to weather criticism and harassment from every angle; and how, in mass campaign movements, nothing is black and white.

An Echo of Magic Nicole R. Taylor, 2024-12-20 Ancient grimoires. Deadly shadows. When magic calls, darkness answers... A pulsing blue grimoire hidden in the library stacks was never part of Vesper Ainsley's carefully ordered world. But when her friend Selene dies under mysterious circumstances, the ancient spellbook chooses Vesper as its new wielder, awakening a raw, untamed power within her that threatens to spiral beyond her control. Pursued by grotesque creatures and shadowy figures through London's supernatural underbelly, Vesper's only ally is the enigmatic mage Rafe. Together, they must navigate Nightreach—a shadow city that exists in the spaces between reality, where magic warps the very fabric of London itself. Here, ancient powers scheme in the darkness and Selene's murder is just the beginning of a deadly conspiracy. With shadow creatures hunting the grimoire and dark mages closing in, Vesper must master her abilities and unravel the truth behind Selene's murder. But in a city where magic whispers from every shadow, her untamed powers might just be her downfall. *An Echo of Magic* is a spellbinding urban fantasy where ancient powers collide with modern-day London. Can Vesper master the grimoire's power before it consumes her? Or will the darkness spreading through Nightreach's magical underground claim both the grimoire and her newfound power?

Divergent and Philosophy Courtland Lewis, 2015-12-01 Courtland Lewis has scoured the planet to bring together the most talented faction members, factionless, and even a few from the Bureau to discuss the philosophy of *Divergent*. *Divergent and Philosophy* begins by examining the personal struggles that all people face at some time: What sort of person should I be? What if I find out my life is a lie? What do I owe my parents? Am I normal? Once readers have finished answering these questions they're ready for the "choosing ceremony." Part two examines each faction, looking at its virtues, vices, and other features that will help readers pick the "right" faction. This part gives readers a glimpse into what it's like to be faced with the most important decision of our lives, the one that will forever determine who we are. Part three takes a step back, in order to question Chicago's ordering of society. Chicago is on the verge of revolution, but is this the result of the faction system itself, or is it the people within the factions that are behind the social discord? Part four shifts the focus individuals and those who hold power. Part five tells us how to recognize injustice.

Divergent - Literature Kit Gr. 9-12 Lynda Allison, 2016-10-06 Discover the power of identity in a dystopian place where individuality is targeted and destroyed. Bring this novel to life for students with informative vocabulary and engaging chapter assessments. We let the student better understand the mindset of Tris by sharing a time when being selfless instead

of selfish was a choice. Recognize the correct order of events as they happen in the story. Predict how Tris will do during the testing based on her performance in the novel. Role-play as the Erudite leader trying to find who is Divergent by using knowledge of the different factions. Create a board game illustrating the setting of the paintball and capture the flag section of the book. Complete a chart highlighting the different strengths and weaknesses for all of the factions. Aligned to your State Standards and written to Bloom's Taxonomy, additional crossword, word search, comprehension quiz and answer key are also included. About the Novel: Divergent is a story about a dystopian society where members fall within a particular faction and one girl who falls among many. Beatrice Prior was born in the Abnegation faction. This faction believes in selflessness among everything else. But Beatrice never felt that she fit in. During testing, Beatrice discovers that she exhibits tendencies from three different factions: Abnegation, Erudite and Dauntless. This is unheard of and she is warned never to reveal that she is Divergent. At the choosing ceremony, Beatrice decides to become Dauntless, and changes her name to Tris. During the initiation process into this new faction, Tris learns more about herself and what it means to be Divergent, including the dangers that come with it. She soon discovers a plot hatched by the Erudite that threatens the very fabric of their peaceful society.

The Constitutionalist Manifesto Dud Crawford,2018-02-08 The Constitutionalist Manifesto By: Dud Crawford America is on the verge of another constitutional confrontation - just like in 1860-1861. The reasons for what are an accelerating dissolution of our Social Contract lie within the Constitution. Author Dud Crawford shows what the problems are and why he believes the U.S. Constitution is a failure. The question is: Do we do what we did the last time and have a civil war or do we create a new Constitution designed to handle the problems we see in America? Dud has written a new Constitution for all citizens to critique and make changes as needed.

Project Independence Blueprint United States. Federal Energy Administration, 1974 What is Project Independence? The sources and uses of energy in the United States have changed dramatically in the last several decades. As a result, in just one generation, we have shifted from a position of domestic energy abundance to a substantial and continually growing reliance on foreign energy sources. Project Independence is a wide-ranging program to evaluate this growing dependence on foreign sources of energy, and to develop positive programs to reduce our vulnerability to future oil cut-offs and price increases.

Mount & Blade II: Bannerlord - Strategy Guide GamerGuides.com, Mount & Blade II: Bannerlord allows you to forge your own dynasty in the war-torn realm of Calradia. Raise armies, join one of the many factions to build your forces until you're strong enough to contend with them, or take a more reserved approach by slowly building wealth and power through trade. Along the way, you'll need to find a spouse in the hopes of having children to continue your dynasty by forming, maintaining, or breaking alliances with other factions in accordance with your goals. You'll also have the opportunity to recruit powerful companions who can be assigned important roles in the management of your clan. The potential variables in each campaign playthrough are vast, and this guide offers a helping hand along the way, with the following sections which cover all aspects of the game: Inside Version 1.0 (July 2021 Update) - Useful Tips which explain how the Renown and Influence systems work, and how to master the Combat and Tactics systems - A comprehensive character creation guide covering Factions, Skills, Companions, and the Marriage system - Character Builds section covering all combat types including One-Handed, Two-Handed, Polearm, Archer, Crossbow, and Throwing - A detailed guide to the best companions for Combat, Governors, Party Leaders, Caravan Leaders, and Clan Roles - A comprehensive guide to Troop Types including the Best Troops of Each Type, faction troops, mercenaries, bandits, and minor faction troops - A guide to the economy system which includes coverage of How to Make Money by trading, investing in caravans and workshops, raiding, and so much more - A guide to the Perks system which is updated in accordance with changes to their stats - A walkthrough of Campaign Quests including How to Build Your Clan, Assembling the Dragon Banner and other more minor quests - A list of Console Commands which can be used to experiment with different playthroughs, explore the map, find specific items and more

The Kremlin's Scholar Dmitrii Shepilov, 2007-01-01 Dmitrii Shepilov (1905-1995), a prominent Soviet leader and member of the Communist Party elite, rose to power under Joseph Stalin in the 1940s and 1950s, then fell into political disgrace after being implicated in a coup attempt against Nikita Khrushchev in 1957. In this remarkable memoir, Shepilov provides an unparalleled account of Soviet politics during this period, as well as first-hand recollections of prominent political leaders

including Stalin, Khrushchev, Mao Zedong, Lavrentii Beria, Andrei Zhdanov, and others. Secretary of the Central Committee, editor in chief of Pravda, and director of the Communist Party's Bureau of Propaganda and Agitation, Shepilov tells his story from the perspective of a true insider. His memoir sheds new light on Soviet relations with China, the aborted coup against Khrushchev, the personal rivalries that drove high-level Soviet politics, and much more. His report--dramatic, opinionated, and engaging--is an important addition to the history of his sparsely documented era.

The Phoenix Joanna Szpernoga, 2019-04-11 Twenty-one-year-old Roksana Ava Lawless is a fire elemental living in the secluded town of Evion and attending the School of Mastering Elemental Abilities, where elementals go to learn control of their powers until they turn twenty-three. She has been raised just like every other fire elemental: despising all ice elementals—a hatred that only increased when six of them murdered her brother six years ago. But when a certain elemental reaches out to Roksana with unexpected information, her life begins to change drastically—and her ability to maintain control of herself rapidly dwindles. Soon she finds herself working with someone she had once thought was her worst enemy. Roksana faces many battles, both mental and physical, before confronting a life-altering decision that will dictate her future and that of every other elemental's future in Evion. The first of a series, this novel tells the story of a young fire elemental as she learns that the world around her may not be quite what she believes.

A Curse on Dostoevsky Atiq Rahimi, 2014-03-04 Reading Dostoevsky in Afghanistan becomes “crime without punishment” Rassoul remembers reading Crime and Punishment as a student of Russian literature in Leningrad, so when, with axe in hand, he kills the wealthy old lady who prostitutes his beloved Sophia, he thinks twice before taking her money or killing the woman whose voice he hears from another room. He wishes only to expiate his crime and be rightfully punished. Out of principle, he gives himself up to the police. But his country, after years of civil war, has fallen into chaos. In Kabul there is only violence, absurdity, and deafness, and Rassoul's desperate attempt to be heard turns into a farce. This is a novel that not only flirts with literature but also ponders the roles of sin, guilt, and redemption in the Muslim world. At once a nostalgic ode to the magic of Persian tales and a satire on the dire reality of now, *A Curse on Dostoevsky* also portrays the resilience and wit of Afghani women, an aspect of his culture that Rahimi never forgets.

The Silver and the Green Mari Collier, 2022-01-29 As Brother Amos grows to be the Teacher for all of Tonath, he must stand against the heresies of the Silver Institute in Anoth and the Green Institute in Greenland. Jack Donald has returned to his birth planet, but cannot find proof of long ago documents. Venta Strauss struggles to provide a haven for the poor, and Grant Vidal is the Green Marauder, accustomed to taking what he wants. These are the three people who struggle to find their way in a new part of their world. One will become the new Teacher, one will rescue the older, destitute women on the planet, and one will give his life to save the others. The leaders of the Mechams use the Silver Institute to spread their version of the Star Paths, and the Greenlanders use the Green Institute to spread their version. This means there are fights,

wars, raids, love triangles, and people fighting to survive.

Worldbuilding for Game Designers Steve Dee, 2025-06-02 Our modern world is dominated by giant media companies, and increasingly they don't so much sell story, characters or gameplay as they do their setting. Fictional worlds are big business and represent big value to companies and audiences alike, and they are increasingly expected and demanded by both. As yet, however, the art of building worlds has been only taught to writers of novels or films. The same worlds are frequently used across different modes of media, but successfully adapting them to games or building them for this purpose requires a specific approach. Unlike all other artforms, games mandate participation, with the audience stepping into the world of the game and taking on the roles that the rules and pieces demand of them. Likewise, whenever an audience engages with a fictional world they are inherently playing a game of make-believe and imagining themselves within a different context. This makes world building and gaming a perfect match, with each element giving more power to the other. This book unlocks exactly how the two disciplines are entwined and work together, and how a designer can harness that synergy to the best effect. The text is composed of short, focused chapters that explain every step of building a compelling world, from getting your first ideas to moving towards publication. It also provides a deeper understanding of the how and why of world creation, and why worlds have so much power over us as players and as people. Covers every step of world creation from getting ideas to seeking publication A comprehensive analysis of the field Inspirational tricks to break blocks or find new angles Practical exercises at the end of every chapter Simple and accessible for every kind of game or game designer
