Expedition and Wilderness Medicine Gregory H. Bledsoe, Michael J. Manyak, David A. Townes, 2009 With an increase in visits to remote and dangerous locations around the world, the number of serious and fatal injuries and illnesses associated with these expeditions has markedly increased. Thus, so has the need for medical personnel trained specifically to handle the health risks that are faced when far removed from professional care resources. Expedition and Wilderness Medicine covers everything a prospective field physician or medical consultant needs to prepare for when beginning an expedition. Divided into three parts Expedition Planning, Expeditions in Unique Environments, and Illness and Injuries on Expeditions, - this unique book covers everything that the expedition physician needs to know.--BOOK JACKET.

*Bizarrrism Vol 1* Chris Mikul, 2016-09-22 Bizarrrism is a collection of strange-but-true tales, featuring a grand parade of eccentrics, visionaries, crackpots, cult leaders, artists, theorists and outsiders of every stripe. First published in 1999, this

new, fully revised and expanded edition revisits a host of unique individuals, including: William Chidley, who believed that, when it comes to sex, we've all been making a terrible mistake; Arthur Cravan, who combined poetry with boxing; Slim Gaillard, jazz singer and dispenser of 'vout'; William Lindsay Gresham, author of the classic noir novel Nightmare Alley; Rosaleen Norton, Australia's most notorious witch; Harry Crosby, poet, sun worshipper and the best looking corpse of 1929; Reginald Levgiac, author of the mysterious pamphlet Drugs Virus Germs. In writing their stories, Mikul does not judge, but instead celebrates these characters for their fabulous weirdness. For him, they are the "beacons of shining if erratic brilliance in a world of sensible conformity". The world would be a poorer place without them.

Longyang, the third young master of an ordinary cultivation family, was born in a bad family, with a low talent. However, he challenged himself step by step, surpassed himself, and gradually grew up to become a powerful God of martial arts, named Dragon God, and left endless legends with beauties.
