Zodiac Academy Caroline Peckham,Susanne Valenti,2021-09-08 I'm a Gemini. Impulsive. Curious. Headstrong. A twin. Heir to a throne I know nothing about. And it turns out, I'm Fae. But of course there's a catch - all I have to do to claim my birth right is prove that I'm the most powerful supernatural in the whole of Solaria. And sure, technically that's true as I'm the daughter of the Savage King. But the bit they didn't put in the brochure was that every single Fae in this Kingdom would claim my throne if they could. The school they've sent me to is both dangerous as sh*t and one helluva party. Vampires bite weaker students in the corridors, the Werewolf pack has orgies in the Wailing Wood at every full moon and don't even get me started on the dark and twisted ways the Sirens use their powers on people's emotions, or how my sinfully tempting Cardinal Magic teacher hosts detentions that leave people needing therapy. Classes are totally interesting if you manage to live through them. And that Gemini star sign I mentioned? It now determines my elemental magic and affects my destiny, so learning astrology is essential if I'm going to beat down my classmates - which is actively encouraged by the way. My biggest problem is the drool worthy Dragon shifter who has his eyes on my throne. He and his three psycho friends are determined to make my time here hell. All I've got to do is survive. But fate might have other ideas. Dammit, why couldn't I have gotten a letter to Hogwarts?

Zodiac Academy Peckham, Susanne Valenti, 2021-08-30 The Vega twins are alive. Those five words circle in my mind like an oncoming storm. They change everything about the future we thought had been set in stone. They challenge everything we were raised to be and the stability of the entire kingdom. They're coming to our academy looking for the life that was stolen from them, but we can't let them take it back. So much hangs in the balance and we can't risk the arrival of two naïve princesses destroying everything we worked so hard for. I have trained in dark magic, overcome all challenges and stood in the shadow of Lionel Acrux for far too long already. I won't let them come between me and his downfall. Which means they have to go before they discover how powerful they truly are.--

Beyond The Veil Caroline Peckham,Susanne Valenti,2025-06-30 The stars called us. The Veil closed at our backs. And now death holds us in its clutches. We were torn from life before our time, a Savage King, his queen, a betrayed son, a wronged brother, a scorned wife and so many more. We watch those we left behind as they struggle against the grip of the stars, the answers to so many of their questions within our grasp and yet out of their reach. But what if we could find a way to answer their pleas? What if we could find a way to help them from this side of the divide? And what price would such a thing come at? ***This is a bridging book which takes place beyond The Veil (in the land of the dead) during the events of book 8 in the Zodiac Academy series. It should be read after book 8 to avoid spoilers for that book and holds the answer to what takes place for the characters who are held within the clutches of death by this point in the story, as well as vital clues to the conclusion of this epic series***

But now I'm held by the King I've been stalking in the shadows and when I unmask him, he'll realise he made a huge mistake in taking my brother from this world. My Kings are coming for me, I know that in my soul. They're on their way to rip me from my enemy's arms and tear him apart for me. My heart beats to the sound of their names. But I won't wait around to be rescued. Everything has led me to this moment and I'm ready to destroy the Fae who stole my brother from me. Secrets will be uncovered. Destiny will be decided. Without my sister, the world seems darker than ever before and the shadows loom thicker, rising up to answer the call of the Shadow Princess and changing the face of Solaria for good. Now Lionel Acrux has the strength to make a move for the throne, I'm not sure how much time we have left to stop him. Our only hope is to find the Imperial Star before he does. We made the sacrifice the stars called for and we're paying the price for that decision so it can't be for nothing. But with the stars turning against us at every move, and the last light in the world seeming to fade, I'm afraid we're almost out of time. Hope is a dangerous thing. It's the key to us fighting on. But it could be what destroys us in the end. One thing is for certain, I won't stop until I have been reunited with my other half and together we will fight to take our crowns. A war is coming. The throne is calling for a new monarch. And someone must answer its call.
