After Seven Wows and time in the Tomb, Jesus Resurrects on the Third Day Debbie Dunn, 2024-08-06 After Seven Wows and time in the Tomb, Jesus Resurrects on the Third Day is a book crafted for youth groups, Jesus lovers, church leaders, Bible study groups, and families. The author, deeply understanding these groups' unique needs and interests, has filled this book with conceptual color illustrations that will resonate with them and has included a study guide for their convenience. Seven Wows (unanticipated things) occurred right after Jesus died: Jesus died on command around 3 PM on Friday, 30 AD. The 60-foot-tall veil tore in the temple from top to bottom. An Earthquake followed. Some tombs opened, and these holy people walked around Jerusalem after Jesus' resurrection. A Roman centurion concluded Jesus was the Son of God. Followers of Jesus grieved and smote their chests when they saw the mangled appearance of Jesus' tortured body. To ascertain that Jesus was dead, a Roman soldier pierced His side with a spear but did not break His legs. Other parts of this book include: 1 Timeline from Adam to the Flood to King David to Jesus to Today. 1 Pilate permitted Joseph of Arimathea to house Jesus' body in his newly constructed tomb. 1 The book explains what happened to Jesus during His three days in that rich man's tomb. 1 On the third day, Jesus rose from the dead and appeared first to Mary Magdalene and later to dozens of followers, including eleven of His twelve Disciples. 1 The Pharisees bribed the soldiers guarding the tomb to lie and say that His Disciples stole His body. 1 Jesus gave His Disciples an assignment to share the good news with Jews and Gentiles worldwide. 1 On the fortieth day, the Disciples witnessed Jesus ascending into Heaven. 1 On Pentecost, 50 days after Jesus rose from the dead, He gave 120 followers the gift of the Holy Spirit. As a result, 3000 Jews converted. The author will donate fifty percent (50%) of all book sales to Covenant House, a charity dedicated to 'joining the fight to end youth homelessness.'

Five Ancient Creeds: A Pastoral and Theological Critique Edwin Walhout, 2016-10-29 FIVE ANCIENT CREEDS - Apostles' Creed, Nicene Creed, Formula of Chalcedon, Third Council of Constantinople, Athanasian Creed. A pastoral and theological analysis of these creedal formulations from the ancient church. The only one acceptable as it stands is The Apostles' Creed.

Quantum Love Jeffrey Strickland, 2017-03-19 In Quantum Faith (Faith), Dr. Strickland argued that Science and Scripture are not at odds and Faith has substance. In Quantum Hope, he argued that Hope is tangible. In Quantum Love, he argues

that Love is measureable. However, we cannot choose one of these in favor of the other. Certainly Love is the greatest, but a relationship exist between Faith, Hope, and Love, which requires all three working together. Quantum Love argues from the base of Scripture that Love is not some abstract concept and that real love is only possible with the presence of the Holy Spirit. Although the Bible is the basis, Dr. Strickland injects frequent episodes of What I Learned at the Movies. Often, Hollywood gets it wrong, but there is an occasional nugget.

Afterlife and Resurrection Beliefs in the Pseudepigrapha Jan Age Sigvartsen,2019-09-05 Jan A. Sigvartsen seeks to examine the immense interest in life after death, and speculation about the fates awaiting both the righteous and the wicked, that proliferated in the Second Temple period. In this volume Sigvartsen analyses the texts of the Pseudepigrapha, identifies the numerous afterlife and resurrection beliefs they contain, and presents an analysis of these beliefs and how they functioned in the Second Temple period. A careful reading of these diverse resurrection passages – from testaments to wisdom, philosophical literature, and prayers – reveals that most of these distinct life-after-death views, regardless of their complexity, show little evidence of systematic development relational to one another, and are often supported by several key passages or shared motifs from texts that later became a part of the TaNaKh. This volume examines testaments from Adam to the Twelve Patriarchs, expansions of stories and legends such as Joseph and Aseneth and the ladder of Jacob, and texts such as 4 Maccabees, before finally considering the posthumous body, the nature of the soul, and anthropological implications. Sigvartsen's study provides a deeper understanding of how texts that later became a part of the TaNaKh were read by different communities during this important period, and the role they played in the development of the resurrection belief – a central article of faith in both Christianity and Rabbinic Judaism. This volume is a companion to Sigvartsen's work on afterlife and resurrection in the Apocrypha and the apocalyptic literature of the Pseudepigrapha.

Subdue the Earth! J. J. Rodriguez,2022-12-12 Subdue the Earth: The Principle of Authority.What happens to a system where the chain of command is not observed?A country's armed forces may have different branches which, in turn, control various specialties, like Navy or Air Force. Given the importance of these organizations' duties and the huge responsibility on their shoulders, they cannot allow any disruptions to the chain of command. Insubordination cannot be tolerated.Police forces, fire departments, ambulance services, and other like groups have similar responsibilities, and considering their duty to protect and serve the community, they function in a similar manner.How does the church of the twenty-first century operate, the army of the Lord of Hosts?What is its leadership like?Subdue the Earth studies and describes the principle of authority from many different perspectives but especially from the core of the Christian Church of our time.

Jan A. Sigvartsen seeks to examine the immense interest in life after death, and speculation about the fates awaiting both the righteous and the wicked, that proliferated in the Second Temple period. In this volume Sigvartsen explores the Apocrypha and the apocalyptic writings in the Pseudepigrapha. He identifies the numerous afterlife and resurrection beliefs and presents an analysis that enables readers to easily understand and compare the wide-ranging beliefs regarding the afterlife that these texts hold. A careful reading of these resurrection passages, including passages appearing in Sirach, Maccabees, the Sibylline Oracles and the Ezra texts, reveals that most of the distinct views on life-after-death, regardless of their complexity, show little evidence of systematic development relational to one another, and are often supported by several key passages or shared motifs from texts that later became a part of the TaNaKh. Sigvartsen also highlights the factors that may have influenced the development of so many different resurrection beliefs; including anthropology, the nature of the soul, the scope of the resurrection, the number and function of judgments, and the final destination of the righteous and the wicked. Sigvartsen's study provides a deeper understanding of how the "TaNaKh" was read by different communities during this important period, and the role it played in the development of the resurrection belief - a central article of faith in both Christianity and Rabbinic Judaism.

Jeanne Guyon's Interior Faith Jeanne de la Mothe Guyon, 2019-02-04 In seventeenth-century France, Jeanne Guyon wrote about God, "I loved him, and I burned with his fire because I loved him, and I loved him in such a way that I could love only him, but in loving him I had no motive save himself." She called this the pure love of God. Guyon traveled throughout Europe teaching others how to pray and her books became popular bestsellers. She expressed her Christian faith that Jesus Christ lives within our interior life. As Guyon became increasingly popular, the church and state authorities used the power of the Roman Catholic Inquisition and arrested her, charging her with heresy. Guyon spent nearly ten years incarcerated, including five years in the Bastille from 1698-1703. The state authorities judged her innocent. After her release, she lived in Blois on the Loire River and welcomed visitors from Europe and the New World who talked with her about the Christian faith. This is the first English translation of Guyon's Commentary on the Gospel of Luke.

The Millennial New World Frank Graziano, 1999 This is a study of millennialism - the idea that something climactic will happen in the year 2000 - in Latin America, from the pre-Columbian period up to the present.

From Bharata to India Manjul K. Agarwal, 2012-06-19 Continuing the narrative from Volume One of: From Bharata to India, this second volume spans the years from the Muslim conquests down to the present era. The Volume begins by contrasting the stifling theocracy of the Abrahamic religions (Judaism and Christianity), and of Islam, to the pristine ideation of compassion, love and universal wellbeing inherent in the Vedic world. The forced conversion of pagan peoples and their places of worship was consequently institutionalized by intolerance, savagery, barbarism, cruelty, and unparalleled brutality.

This cultural and religious Invasion shook the very foundations of the Vedic patrimony as the native Hindus adapted Alien lifestyles where Vedic values were repackaged as European and/ or Islamic. Consequently, the modern Indians began to despise what had once been their own legacy, the Cradle of civilization, and embraced imported modes of behavior. The transformed, native polity, supported by foreign vested interests, exploited their own country even more than the alien invaders. As the Western world frees itself from the shackles of Middle Age conformism and depravity, this second volume concludes that the eternal values of Vedic Bharata are to inspire the nascent Civilization of tomorrow. Eastern introspection will replace, then, the Western tradition of a wholly other divinity.

The Disproof of Christianity Adam Weishaupt, 2013-01-25 This incendiary book constitutes a formal theological disproof of the central tenets of Christianity - the Trinity and the Incarnation. Christianity is a staggeringly false religion. The reason most Christians continue to believe is that a) they have been relentlessly brainwashed and b) they don't actually know anything about Christianity. The absurdities of Christianity can be understood only by examining the many heresies that sprang up in the early centuries of the Church, challenging every aspect of orthodox Christian thinking. These heresies have boxed in Christianity so much that all that's left is a statement of what Christianity ISN'T. It's only possible to be a Trinitarian Christian by stating the empty formula three persons in one God without ever daring to specify what person means. Similarly, Christians mouth the hollow formula of the Incarnation: two natures, human and divine, in one person without having any idea of what nature means.

Knowledge of Things Human and Divine Donald Phillip Verene,2008-10-01 This is the first book to examine in full the interconnections between Giambattista Vico's new science and James Joyce's Finnegans Wake. Maintaining that Joyce is the greatest modern "interpreter" of Vico, Donald Phillip Verene demonstrates how images from Joyce's work offer keys to Vico's philosophy. Verene presents the entire course of Vico's philosophical thought as it develops in his major works, with Joyce's words and insights serving as a guide. The book devotes a chapter to each period of Vico's thought, from his early orations on education to his anti-Cartesian metaphysics and his conception of universal law, culminating in his new science of the history of nations. Verene analyzes Vico's major works, including all three editions of the New Science. The volume also features a detailed chronology of the philosopher's career, historical illustrations related to his works, and an extensive bibliography of Vico scholarship and all English translations of his writings.
