

At The Bottom Of Everything

Derek Ball

At the Bottom of Everything Ben Dolnick, 2014-09-09 It's been ages since the "incident" that estranged former best friends Adam and Thomas, and Adam has long since decided he's better off, even if his own life hasn't exactly turned out as planned. Ten years after the two friends spoke their last words, Adam is working as a tutor, sleeping with the mother of a student, and spending most of his nights looking up his ex-girlfriend on Facebook. But when he receives an email from Thomas's mother begging for his help, he finds himself drawn back into his old friend's world. Thomas hasn't been doing well, and now he's disappeared while traveling in India. As Adam embarks upon a magnificently strange and unlikely journey, Ben Dolnick unspools a tale of friendship, spiritual reckoning, and redemption.

The Everything Sewing Book Sandra Detrixhe, 2004-06-04 Despite the availability of retail fashion, more and more people are turning away from the assembly line toward one-of-a-kind clothing, decorations, and accessories. The Everything Sewing Book provides readers with easy instructions for creating beautiful garments, gifts, and decorations for the home. From selecting the right needle and thread to choosing fabrics, reading patterns, and working with a machine, this uncomplicated book introduces readers to the basics of sewing as they complete increasingly challenging projects that will be cherished for years to come. Also included are tips and tricks for making alterations and repairs and dressing up old clothes with embroidery and accents. Projects include: Curtains and tablecloths Colorful appliqued tote bags Pillows and wall hangings Dresses and skirts Shirts and vests Supplemented with foolproof illustrations, The Everything Sewing Book is the perfect gift for anyone interested in learning this rewarding craft.

Bass Fishing Basics or Everything a Bass Fisherman Needs to Remember Carlton "Doc" Holliday, 2014-09-10 This is a reference manual for basic information about bass fishing for novice and experienced bass fishermen, both men and

women. How to find fish, develop patterns, which baits to use and where and when to use them.

The Story of CO2 Is the Story of Everything Peter Brannen, 2015-03-11 Carbon dioxide. This seemingly simple and ubiquitous substance is fundamental to how our planet works. All life is made from CO2 and its behavior on this planet has kept it bizarrely habitable for hundreds of millions of years. In its workings lie both the splendor of our world—and the potential for life's destruction. In short, it is the most important substance in Earth's history. But why is CO2 as essential to life on Earth as it is capable of destroying it? In *THE STORY OF CO2 IS THE STORY OF EVERYTHING*, award-winning science journalist Peter Brannen reveals carbon dioxide's fundamental role in the operation and maintenance of Planet Earth. Starting at the beginning of time and working all the way up to our present reality, he illuminates how CO2 has been responsible for the planet's many deaths and rebirths, for the evolution of life, and for the development of modern human society. Carbon dioxide's movement through the rocks, the air, the oceans, and life has kept our planet's climate livable, its air breathable, and its oceans hospitable to complex life for more than 500 million years. And only by understanding CO2 in the context of deep Earth history can we see how it gave rise to today's industrial economy – and more clearly recognize what it means to be churning through hundreds of millions of years of old life in the form of fossil fuels and converting it all to carbon dioxide. With groundbreaking research and a clear-eyed perspective, Brannen shows how a deep exploration into the mechanics of the carbon cycle and the history of our planet can provide hope for averting environmental catastrophe in the future. It all starts with a richer understanding of the essential role of one substance.

How to Do Absolutely Everything Instructables.com, 2013-01-03 Offers some of the best do it yourself projects from Instructables.com, including crafting a bento box, making homemade dog treats, and fixing rust spots on a car.
