

Identical Ellen Hopkins

E. R. Frank

Identical Ellen Hopkins, 2008-08-26 Beneath their perfect family façade, twin sisters struggle alone with impossible circumstances and their own demons until they finally learn to fight for each other in this poignant tour de force from #1 New York Times bestselling author Ellen Hopkins. Sixteen-year-old Kaeleigh and Raeanne are identical down to the dimple. As daughters of a district court judge father and a politician mother, they are an all-American family...on the surface. Underneath run very deep and damaging secrets. What really happened in the car accident that Daddy caused? And why is Mom never home, always running far away to pursue some new dream? The girls themselves have become hopelessly divided over the years. Sick of losing Daddy's game of favorites, Raeanne turns to painkillers, alcohol, and sex to dull her pain her anger. Kaeleigh tries to be her father's perfect little flower, but being the misplaced focus of his sexual attention has her seeking control anywhere she can—even if it means cutting herself and unhealthy binge and purge eating. Secrets like the ones the twins are harboring are not meant to be kept—from each other or anyone else. Before long, it's obvious that neither sister can handle their problems alone, and one must step up to save the other, but the question is...who?

Wrecked E. R. Frank, 2015-05-26 After a car accident seriously injures her best friend and kills her brother's girlfriend, sixteen-year-old Anna tries to cope with her guilt and grief, while learning some truths about her family and herself.

Smoke Ellen Hopkins, 2015-02-03 After the death of her abusive father and loss of her beloved Ethan and their unborn child, Pattyn runs away, desperately seeking peace, as her younger sister, a sophomore in high school, also tries to put the pieces of her life back together.

Tricks Ellen Hopkins, 2009-08-25 Five troubled teenagers fall into prostitution as they search for freedom, safety, community, family, and love in this #1 New York Times bestselling novel from Ellen Hopkins. When all choice is taken from you, life becomes a game of survival. Five teenagers from different parts of the country. Three girls. Two guys. Four straight. One gay. Some rich. Some poor. Some from great families. Some with no one at all. All living their lives as best they can, but all searching...for freedom, safety, community, family, love. What they don't expect, though, is all that can happen when those powerful little words "I love you" are said for all the wrong reasons. Five moving stories remain separate at first, then interweave to tell a larger, powerful story—a story about making choices, taking leaps of faith, falling down, and growing up. A story about kids figuring out what sex and love are all about, at all costs, while asking themselves, "Can I ever feel okay

about myself?" A brilliant achievement from New York Times bestselling author Ellen Hopkins—who has been called “the bestselling living poet in the country” by Mediabistro.com—Tricks is a book that turns you on and repels you at the same time. Just like so much of life.

Rumble Ellen Hopkins,2016-02-02 Does it get better? The New York Times bestselling author of Crank and Tricks explores the highly charged landscapes of bullying and forgiveness in this “strong and worthy” (Kirkus Reviews) novel. Matthew Turner knows it doesn’t get better. His younger brother Luke was bullied mercilessly after one of Matt’s friends outed Luke to the whole school, and when Luke called Matt—on the brink of suicide—Matt was too wrapped up in his new girlfriend to answer the phone. Now Luke is gone, and Matt’s family is falling apart. No matter what his girlfriend Hayden says about forgiveness, there’s no way Matt’s letting those he blames off the hook—including himself. As Matt spirals further into bitterness, he risks losing Hayden, the love of his life. But when her father begins to pressure the school board into banning books because of their homosexual content, he begins to wonder if he and Hayden ever had anything in common. With brilliant sensitivity and emotional resonance, bestselling author Ellen Hopkins’s Rumble explores bullying and suicide in a powerful story that examines the value of forgiveness and reconciliation.

Smashed Lisa Luedeke,2012-08-21 A field hockey star grapples with addiction in this riveting read perfect for fans of Laurie Halse Anderson’s Speak. Katie Martin wants to leave her small-town loneliness behind forever. She is a field hockey star on the fast track to a college scholarship, but her relationship with alcohol has always been a little questionable. Then trouble finds her. Alec is the most popular guy in school, and also the biggest bully—with his sights set firmly on Katie. When Alec turns on the charm, Katie thinks she must have been wrong about him. Except that she wasn’t. On a rain-soaked, alcohol-drenched night, one impulsive decision leaves Katie indebted to Alec in the worst possible way. This fast-paced and compelling story is a “thoughtful and complex portrait of addiction, accountability, and the debilitating impact of low self-esteem” (Publishers Weekly).

Flirtin' With the Monster Ellen Hopkins,2009-05-01 Where is the line between truth and fiction? Why do love and addiction so often go hand in hand? What does the real Kristina think about the way her story is told in Crank and Glass? Crank and Glass have always been more than just stories. Join their author Ellen Hopkins and a host of other writers as they delve deep into Kristina's story, from the straight truth on the physical effects of methamphetamine addiction to the psychological consequences of keeping secrets (and how Hopkins' books have encouraged so many teens to reveal theirs). With an essay by Ellen's real-life daughter (the basis for the character of Kristina) that tells her version of the events that inspired the books—along with perspectives from Scott, Jake, and 10-year-old Hunter, the baby from Crank—Flirtin' with the Monster is a compelling journey through the complexities of Hopkins' beloved bestselling works.

Tunnel Vision Susan Shaw,2012-05-08 After witnessing her mother's murder, 16-year-old high school student Liza

Wellington and her father go into the witness protection program.

America E. R. Frank, 2002 Teenage America, a not-black, not-white, not-anything boy who has spent many years in institutions for disturbed, antisocial behavior, tries to piece his life together.

City of Ashes Cassandra Clare, 2009-03-24 Sixteen-year-old Clary continues trying to make sense of the swiftly changing events and relationships in her life as she becomes further involved with the Shadowhunters and their pursuit of demons and discovers some terrifying truths about her parents, her brother Jace, and her boyfriend Simon.

Burnout Adrienne Maria Vrettos, 2011-09-13 A teen wakes up to find her nightmare is real in a novel Kirkus Reviews calls “stark, compelling, perceptive: a winner” (starred review). On the day after Halloween, Nan wakes up in a subway car. She is not dreaming. She doesn’t know where she’s been or what she’s done. She’s missing a whole day from her life. And she’s wearing skeleton makeup and a too-small Halloween costume that she doesn’t remember putting on. Nan is not supposed to wake up in places like this anymore. She’s different now, so far from that dangerously drunk girl who hit bottom in the Nanapocalypse. She needs to find out what happened to her, and fast. As she tries to put together the pieces of the last twenty-four hours, she flashes back to memories of her previous life. But she would never go back to her old friends and her old ways. Would she? The deeper Nan digs, the more disturbing things get. This time, she may have gone one step too far. This time, she may be a walking ghost.

Sexual Assault Olivia Ghafoerkhan, 2016-12-08 Out of all reported cases of sexual assault, nearly 70 percent occur with victims who are under the age of seventeen, and it has been estimated that one in ten children will be sexually abused before they turn eighteen. Sexual assault has become an all-too-common occurrence among young adults. An assault can cause physical injuries, STDs and STIs, post-traumatic stress disorder, flashbacks, anxiety, depression, and other re-experiencing symptoms. It can lead to poor academic performance, substance abuse, risky sexual behavior, and even suicide. Research has also shown that victims of sexual abuse are more likely to confide in friends than in adults, but those friends may not be equipped to help. In *Sexual Assault: The Ultimate Teen Guide*, Olivia Ghafoerkhan describes the various ways sexual violence can be perpetrated, discusses myths many teens believe about the subject, and outlines how young adults can get the help they need to begin the healing process. Topics covered include date rape, abusive relationships, incest, breaking the silence, victim blaming, support, healing. An invaluable resource for young people, *Sexual Assault: The Ultimate Teen Guide* aims to give victims and their friends the courage to report such crimes, advice on where to find help, and hope that life can return to some sense of normalcy after such a horrific experience.

Tilt Ellen Hopkins, 2014-02-11 Three teens, connected by their parents' bad choices, tell in their own voices of their lives and loves as Shane finds his first boyfriend, Mikayla discovers that love can be pushed too far, and Harley loses herself in her quest for new experiences.

Friction E. R. Frank, 2015-04-07 This stunning novel by E.R. Frank explores what happens when the truth is worse than the rumor. Twelve-year-old Alex loves her small alternative school. She hangs out with her best friend, Tim, every day, and Simon is the coolest teacher—he's even starting a soccer team just for them. And then Stacey comes to town. With her tongue ring and air of confidence, Stacey immediately shakes things up in the classroom. Alex is drawn to her at first, but when Stacey starts rumors that something is going on between Alex and Simon, trouble brews. As the class and Tim begin to believe Stacey's rumors, Alex starts to doubt what is really true herself. This explosive tale about school politics, relationships, and the frictional power of suggestion is "sure to spark heated discussions" (SLJ, starred review).

Tweak Nic Sheff, 2009-01-06 Nic Sheff shares the compelling and true story of his addictions growing up, his violent relapse, and the road to recovery.

Beware of the Other Side(s) Heike Schwarz, 2014-03-15 This interdisciplinary study examines the still vivid phenomenon of the most controversial psychiatric diagnosis in the United States: multiple personality disorder, now called dissociative identity disorder. This syndrome comprehends the occurrence of two or more distinct identities that take control of a person's behavior paired with an inexplicable memory loss. Synthesizing the fields of psychiatry and the dynamics of the disorder with its influential representation in American fiction, the study researches how psychiatry and fiction mutually shaped a mysterious syndrome and how this reciprocal process created a genre fiction of its own that persists until today in a very distinct self-referential mode.

Identical Ellen Hopkins Introduction

In today's digital age, the availability of Identical Ellen Hopkins books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Identical Ellen Hopkins books and manuals for download, along with some popular platforms that offer these resources. One of the significant

advantages of Identical Ellen Hopkins books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Identical Ellen Hopkins versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Identical Ellen Hopkins books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device

used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Identical Ellen Hopkins books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Identical Ellen Hopkins books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary

titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Identical Ellen Hopkins books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we

have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Identical Ellen Hopkins books and manuals for download and embark on your journey of knowledge?
