

Bruno Chief Of Police In Order

Maureen O'Connor

Bruno, Chief of Police Martin Walker, 2009-03-24 The first installment in the delightful, internationally acclaimed series featuring Chief of Police Bruno. Meet Benoît Courrèges, aka Bruno, a policeman in a small village in the South of France. He's a former soldier who has embraced the pleasures and slow rhythms of country life. He has a gun but never wears it; he has the power to arrest but never uses it. But then the murder of an elderly North African who fought in the French army changes all that. Now Bruno must balance his beloved routines—living in his restored shepherd's cottage, shopping at the local market, drinking wine, strolling the countryside—with a politically delicate investigation. He's paired with a young policewoman from Paris and the two suspect anti-immigrant militants. As they learn more about the dead man's past, Bruno's suspicions turn toward a more complex motive. Enjoyable.... Martin Walker plots with the same finesse with which Bruno can whip up a truffle omelette, and both have a clear appreciation for a life tied to the land. —The Christian Science Monitor A nice literary pairing with the slow-food movement.... [It is] lovely...to linger at the table. —Entertainment Weekly A wonderfully crafted novel as satisfying as a French pastry but with none of the guilt or calories. —Tuscon Citizen's Journal

Mysteries of the French Countryside: Bruno, Chief of Police; The Dark Vineyard; Black Diamond Martin Walker, 2023-01-17 From internationally acclaimed author Martin Walker comes the first three books in Mysteries of the French Countryside and an introduction to the world of Bruno, Chief of Police Benoît Courrèges, aka Bruno, is a policeman in St. Denis, a small town in the Périgord region of France. When trouble arises, Bruno is on the case, settling local disputes, tracking down lawbreakers, and solving tantalizing mysteries. From a disturbance in the wine business and threats against the truffle trade to murders of national and even international scale, Bruno deals with it all. In story after story, Walker weaves in familiar characters from past novels, whether they are helping Bruno on a case or helping him prepare a delicious meal. Mystery readers will delight in Bruno's adventures, and hunger for more! "With Bruno in charge, there's always time for one of those classic feasts that makes this series such a mouthwatering treat."—The New York Times Book Review "Whether he's preparing a gourmet dinner, enjoying a glass of wine, or solving a murder, it's a pleasure to be in Bruno's company."—Publishers Weekly

The Body in the Castle Well Martin Walker, 2020-04-16 Another installment in the delightful, internationally acclaimed series featuring Chief of Police Bruno: When a young American woman turns up dead in the courtyard of an ancient castle,

Bruno Courrèges initially assumes that she died of an overdose. But her doctor soon persuades him that things may not be so simple, setting Bruno on an investigation that will lead him from the Renaissance to the French Resistance and beyond. Claudia Muller had been studying with Monsieur de Bourdeille, a renowned art historian who became extraordinarily wealthy through the sale of paintings that may have been falsely attributed—or so Claudia suggested shortly before her death. In his younger days, Bourdeille had aided the Resistance and been arrested by a Vichy police officer whose own life story also becomes inexorably entangled with the case. Also in the mix is a young falconer who works at the Château des Milandes, the former home of fabled jazz singer Josephine Baker. Once again, it's up to Bruno to make sure that justice is served—along with a generous helping of his signature Périgordian cuisine, of course.

The Dark Vineyard Martin Walker, 2010-06-29 The second installment in the delightful, internationally acclaimed series featuring Bruno, Chief of Police: When a bevy of winemakers descend on Saint-Denis the idyllic town finds itself the center of an intense drama, with suspicious fires at the agricultural research station that is working on genetically-modified crops. Two young men—Max, an environmentalist who hopes to make organic wine, and Fernando, the heir to an American wine fortune—become rivals for the affections of Jacqueline, a flirtatious, newly arrived Québécoise student of wine. Events grow ever darker, culminating in two suspicious deaths, and Bruno finds that the problems of the present are never far from those of the past. Captivating...Sure to appeal to readers with a palate for mysteries with social nuance and understated charm. —The Wall Street Journal A gentle reminder to slow down and smell the grapes.... [Walker] beguiles the reader. —The New York Times Book Review The real pleasure of the book is the place itself.... As readers are drawn into wine-stomping parties, truffle omelet dinners, and the aged dignity of a French hunting hound, the narrative tension gathers. —Houston Chronicle

The Shooting at Chateau Rock Martin Walker, 2021-04-06 This installment in the delightful, internationally acclaimed series featuring Chief of Police Bruno will take all of Bruno's resolve and quick thinking to untangle a mystery that will reach its deadly denouement at the château of an aging rock star. But in true Bruno fashion, at least lunchtime is never in danger. It's summer in the Dordogne and the heirs of a modest sheep farmer learn that they have been disinherited. Their father's estate has been sold to an insurance company in return for a policy that will place him in a five-star retirement home for the rest of his life. But the farmer dies before he can move in. Was it a natural death? Or was there foul play? Chief of Police Bruno Courrèges is soon on the case, embarking on an investigation that will lead him to several shadowy insurance companies owned by a Russian oligarch with a Cypriot passport. The arrival of the oligarch's daughter in the Périgord only further complicates one of Bruno's toughest cases yet.

A Birthday Lunch Martin Walker, 2019-03-19 When not solving mysteries in his beloved little town of St. Denis, Bruno, the chief of police, likes to cook and share his meals with local guests and dear friends. For his friend Florence's birthday, Bruno is preparing a surprise. But, like much else in St. Denis, it's a communal effort, and one that Bruno pulls off with a

little help from the countryside and the town. He finds an ancient hand axe in the ground during his morning run with his dog Balzac—it will make a spectacular gift—picks up newspapers for wrapping by the medical center, and gathers fresh nettles from by his chicken coop and thyme from his garden for soup and garnish. It'll be the perfect day for Bruno and his guests to celebrate their collective history. A Vintage Shorts original. An ebook short.

The Templars' Last Secret Martin Walker, 2018-05-01 In this installment in the delightful, internationally acclaimed series Chief of Police Bruno works to connect the tangled threads of past and present. He nonetheless finds time, naturellement, to enjoy the wine, food, and beauty of the Périgord region. When a woman's body is found at the foot of a cliff near the idyllic French town of St. Denis, chief of police Bruno Courrèges suspects a connection to the great ruin that stands above: a long-ago Knights Templar stronghold. With the help of Amélie, a young newcomer to the Dordogne, Bruno learns that the dead woman was an archaeologist searching for a religious artifact of incredible importance. And her ties to Islamic terrorists—not to mention the return of an old flame of Bruno's, who is assigned to work with him on the case—only heightens the pressure to unravel the centuries-old mystery.

Splintered Justice Kim Hays, 2025-04-15 Homicide. Suicide. Attempted murder in a Swiss cathedral . . . Fans of cops pursuing justice against the odds will love the new Linder and Donatelli book. Sometimes, a murder stays hidden in plain sight. When it isn't clear if a crime has been committed, how do you get justice for the victim? Swiss homicide detective Giuliana Linder of the Bern Police and her investigating partner Renzo Donatelli are facing cases that may not be what they appear. Renzo is on the scene near the Bern cathedral when a young man repairing a medieval window is injured by falling from a scaffold—a fall deliberately caused by a teenage boy. Finding evidence that the boy's attack on the glassworker is linked to his mother's suicide fifteen years earlier, Renzo decides to reexamine the woman's death, hoping his work on the case will help get him promoted to homicide detective. He learns that the apparent suicide still haunts the injured

glassworker, although he was a child of ten when the boy's mother died. Now that Renzo has left his wife, Giuliana knows she has to choose what she wants from their future together. Frustrated by her own case, which may or may not be a mercy killing, Giuliana can't help getting involved in Renzo's investigation, even against her better judgment.

Burgundy Janet Hubbard,2024-04-02 *Burgundy: Twisted Roots* is an intriguing and multi-layered novel about love, wine and intrigue, steeped in a deep knowledge of the seductive French lifestyle, from wild boar hunts to wine harvests feasts, with side servings of skullduggery and inheritance laws. —MARTIN WALKER, bestselling author of the Bruno, Chief of Police series Max Maguire of the NYPD, daughter of a legendary NY cop and a French mother disowned by her aristocratic family when she married, met examining magistrate Olivier Chaumont over murder at the wedding of an old friend in the Champagne wine region. They remained on-again-off-again partners and lovers over more murder again, this time in Bordeaux. And now, six months later, Max is on her way to Burgundy where it's time to give up her promising career and commit—or split. Murder occurs. There's a mystery girl, American. Fractured families. Motives aplenty. But the story's real fascination lies in two things French: the wine culture and French inheritance laws which are convoluted and guaranteed to spark family wars, even unto death. And the French justice system functions differently which frustrates Max, an action-oriented, straightforward investigator, and causes some friction with Olivier. Janet Hubbard wraps up her Vengeance in the Vineyard trilogy with a surprise and solutions that will please readers.

This means another case for Bruno, the town's cherished chief

of police. With the discovery of sinister markings and black candles near the body, it seems to Bruno that the occult might be involved. And as questions mount—most notably about a troubling real estate proposal in the region and the sudden reappearance of an elderly countess—Bruno and his colleagues are drawn ever closer to a climactic showdown in the Gouffre de Colombac: the place locals call the Devil's Cave.
