

Carol Ann Duffy The Devils Wife

SA Adler

Class and the Uses of Poetry Andrew Smith, 2024-08-17 This book provides new empirical evidence about the ways in which social inequalities, especially those of class, shape and delimit forms of cultural reception and creative opportunity. How does it come about that, in George Orwell's words, 'the divorce between poetry and popular culture is accepted as a sort of law of nature'? Drawing on qualitative research conducted in and around Glasgow, *Poetry, Class and Symbolic Violence* explores how working-class readers engaged with, made sense of, and contested a sense of exclusion from, contemporary poetry. In doing so it sheds light on the symbolic enclosure of poetry, on how that enclosure takes shape in the encounter between readers and poems, but also on why poetry continues to matter. Through these conversations, and in further interviews with unpublished poets, it reflects on the creative and expressive affordances of poetry, on what can be done with poetry and what it can make possible. Sociologists have had little to say about poetry as a distinctive esthetic practice. *Poetry, Class and Symbolic Violence* tries to break that silence and to make a start on constructing a critical sociology of poetry for today.

'Choosing Tough Words' Angelica Michelis, Antony Rowland, 2003 If the post of Poet Laureate was allocated on the basis of popularity, Carol Ann Duffy would have been the first woman to hold this prestigious post. Like Philip Larkin in his day, Duffy is both a poet respected by many academics and teachers, and widely read and enjoyed by children and adult readers of poetry. This is the first full-length collection of essays on the poetry of Carol Ann Duffy, approaching and exploring her work from a variety of literary theoretical perspectives, including feminism, masculinity, national identity, and post-structuralism. This lively anthology situates Duffy's poems in relation to current debates about the state, value and social relevance of contemporary British poetry.

Hammer Complete Howard Maxford, 2019-11-08 Think you know everything there is to know about Hammer Films, the fabled Studio that Dripped Blood? The lowdown on all the imperishable classics of horror, like *The Curse of Frankenstein*, *Horror of Dracula* and *The Devil Rides Out*? What about the company's less blood-curdling back catalog? What about the musicals, comedies and travelogues, the fantasies and historical epics--not to mention the pirate adventures? This lavishly illustrated encyclopedia covers every Hammer film and television production in thorough detail, including budgets, shooting schedules, publicity and more, along with all the actors, supporting players, writers, directors, producers, composers and

technicians. Packed with quotes, behind-the-scenes anecdotes, credit lists and production specifics, this all-inclusive reference work is the last word on this cherished cinematic institution.

Theatre Record ,1997

The 1961-1970: American Film Institute Catalog of Motion Pictures Produced in the United States American Film Institute,1997 Back in print after more than fifteen years, this American Film Institute Catalog covers the decade of the sixties. This was the era in which films began to challenge the taboos on sex and violence and treated social issues in a new light. Included in this volume are *The Wild Bunch*, *Bonnie and Clyde*, *Guess Who's Coming to Dinner?* and *Who's Afraid of Virginia Woolf?* The decade also produced such all-time classics as *The Sound of Music*, *To Kill a Mockingbird*, and *The Graduate*.

Vixens, Floozies and Molls Hans J. Wollstein,2024-10-14 The floozy, the gangster's moll, the nasty debutante: Most Hollywood actresses played at least one of these bad girls in the 1930s. Since censorship customarily demanded that goodness prevail, vixens were in mainly supporting roles--but the actresses who played them were often colorful scene stealers. These characters and the women who played them first began to appear in film in 1915 when Theda Bara played home-wrecker Elsie Drummond in *The Vixen*. Movie theaters filled and the industry focused on heaving bosoms and ceaseless lust. Bara never shed the vamp image. The type evolved into the flapper, the gangster's moll, the dame, and the bad girl. This work covers the lives and careers of 28 actresses, providing details about their lives and giving complete filmographies of their careers.
