The Coming Tsunami Jim Denison, 2022-01-25 In *The Coming Tsunami*, pastor and cultural scholar Dr. Jim Denison addresses the gravest threat Christians in America have ever faced—four cultural tidal waves threatening to submerge Christians in America and the biblical morality they proclaim. Through proactive, biblical steps, he helps us redeem these challenges so that we can live the way Jesus calls us to live. This book is a warning sign. The coming cultural tsunami is the gravest threat Christians in America have ever faced. Caused by four cultural “earthquakes,” the cultural acceptance of four specific ideologies has seismically shifted our world. With the rise of a “post-truth” culture, the expansion of the sexual revolution, the attraction of Critical Theory, and the advance of secular religion, Christians are increasingly labeled as intolerant, irrelevant, oppressive, and dangerous—the antithesis of the life Jesus calls Christians to live. These tidal waves are threatening to submerge Christians in America and the biblical morality they proclaim. And the ultimate repercussions of these issues—the coming tsunami—have yet to be fully experienced. In *The Coming Tsunami*, pastor and cultural scholar Dr. Jim Denison of the Denison Forum: assesses how our current culture came to be, identifies the enormous danger these cultural quakes represent, explores their consequences for evangelicals and our larger culture, and offers proactive, biblical steps to redeem these challenges as opportunities for God's word and grace. The coming cultural tsunami will greatly impact Christians in the coming years. It will undoubtedly influence and affect your children and grandchildren. However, unlike tsunamis in nature, which cannot be stopped once they have been created, it's not too late to stop the moral tsunamis of our day. But Christians must act now. The rain is falling.

The Magnolia Story (with Bonus Content) Chip Gaines, Joanna Gaines, 2016-10-18 This eBook includes the full text of the book plus an exclusive additional chapter from Chip and Joanna that is not found in the hardcover. An exclusive look at America's first family of renovation! Taking you behind the scenes, Chip and Joanna Gaines share the story of how they met, the ups and downs of being an entrepreneurial couple, and how they built a life they love. *The Magnolia Story* is the first book from dynamic husband-and-wife team Chip and Joanna Gaines, stars of HGTV's *Fixer Upper*. Offering their fans a detailed look at their life together, they share everything from the very first renovation project they ever tackled together to the project that nearly cost them everything; from the childhood memories that shaped them, to the twists and turns that led them to the life they share on the farm today. While they both attended Baylor University in Waco, their paths didn't cross until Chip checked his car into the local Firestone tire shop where Joanna worked behind the counter. Even back then Chip was a serial entrepreneur who, among other things, ran a lawn care company, sold fireworks, and flipped houses. Soon they

were married and living in their first fixer upper. Four children and countless renovations later, Joanna garnered the attention of a television producer who noticed her work on a blog one day, leading to the incredible Fixer Upper phenomenon. In *The Magnolia Story*, fans will finally get to join the Gaines family behind the scenes and discover: The time Chip ran to the grocery store and forgot to take their new, sleeping baby Joanna's agonizing decision to close her dream business to focus on raising their children When Chip buys a houseboat, sight-unseen, and it turns out to be a leaky wreck Harrowing stories of the financial ups and downs as an entrepreneurial couple Memories and photos from Chip and Jo's wedding The significance of the word magnolia and why it permeates everything they do The way the couple pays the popularity of Fixer Upper forward, sharing the success with others, and bolstering the city of Waco along the way And yet there is still one lingering question for fans of the show: Is Chip really that funny? "Oh yeah," says Joanna. "He was, and still is, my first fixer upper."

An American Girl S. Naomi Main, 2024-01-23 Sharon Sholl is an ordinary girl growing up in America. She meets an ordinary young man, Mark Main, two weeks before her sixteenth birthday, who blows to pieces her little world, she says of him. *An American Girl* is a relational journey, which, no matter how you look at it, is a love story. Sharon's love story is about her extraordinary life with Mark whom she met in 1968, four weeks before he was to leave for Vietnam. From the moment she was born, she also traveled a relational journey with the God of the universe, the Creator God. She didn't pursue that relationship seriously until in her early forties, she and Mark came to a point in their marriage when it seemed as though they had hit rock bottom. Sharon presents the beautiful, the distressing, and the unattractive of her journey of nearly seventy years. Perhaps as you read about this ordinary American girl, you will identify with some of the challenges but mostly with the joys one encounters in this life on earth, joys that are available to all.

Mother Trouble Miranda J. Brady, 2024-10-01 *Mother Trouble* traces white maternal angst in popular culture across a span of more than fifty years, from the iconic Rosemary's Baby to anti-vaxx mom memes and HGTV shows. The book narrows in on popular media to think about white maternal angst as a manifestation of feminism's unrealized possibilities and continued omissions since the second wave. It interrogates intersecting systems of power which make mothers and their children the most impoverished people in the world and urges a greater appreciation in academic and popular thinking of the work that mothers do. The book calls for an analytical expansion beyond gender to better address the erasure of reproductive labour, and especially that performed by migrants and people of colour. It illustrates the continued marginalization of racialized mothers and the disproportionate amount of labour performed by all mothers in a society where their work is devalued. Ultimately, *Mother Trouble* reveals how the unease around white motherhood in the media has become a proxy for the troubles faced by all mothers.

Organizational Behavior Mitchell J. Neubert, Bruno Dyck, 2021-04-13 *Organizational Behavior: For a Better Tomorrow*, 2nd Edition is a unique, blended approach to the subject, combining traditional core competencies with contemporary research and innovative practices. The textbook's distinctive dual presentation integrates "conventional" and "sustainable" organizational behavior (OB) to help students understand how creativity, collaboration, and ethical decision-making can positively impact people, organizations, and entire communities. This fully-updated second edition provides a balanced, real-world approach that strengthens critical thinking skills, enables students to explore the rationale for sustainable OB practices, and illustrates how values and ethics influence business decisions in the real world. Rather than focusing only on the short-term, bottom-line approach of traditional OB, the text discusses a comprehensive range of topics, from current trends in popular media and scholarly literature, to addressing the current and long-term needs and goals of organizational stakeholders.

Steadfast Love Lauren Chandler, 2016-01-05 Sometimes He wrings the worship from our hearts. There are times when

worship overflows easily and effortlessly from a heart full of gratitude and praise. Yet, there are other times when God seems far and we feel we have nothing left to offer. We are tired, or thirsty, or imprisoned in our own chains through our own devices, or caught in the waves of a tumultuous sea. This is when God shows us His steadfast love. He wraps His eternally powerful, ultimately creative, nail-scarred hands around our hearts and squeezes with appropriate might—yielding an honest plea for Him to save us and deliver us from our circumstances, fears, and self control. And He does. He initiates with His steadfast love, and responds with the same. Walk with Lauren as she shares what she has learned of the steadfast love of the Lord.
