

Franz Bardon Initiation Into Hermetics

Peregrin Wildoak

Initiation Into Hermetics Franz Bardon, 2014-06 Initiation into Hermetics is the first and most important of Franz Bardon's works and is rightly regarded as the cornerstone of his entire opus. In contrast to other books on the subject of magic, Bardon focuses his attention on the practical training necessary for all true magical attainment. Using the four elements of fire, water, air and earth as a foundation, Bardon teaches the student how to master these universal forces in the three worlds of body, soul, and spirit. Bardon leads the student step by step through exercises providing detailed training in the entire arcanum of magic, from basic techniques in thought control to advanced teachings in astral travel, and much more. No other writer has ever developed such a clear, concise, and practical program of magical development.

A Practice Guide Seila Orianta, Peter Windsheimer, 2014-11-07 This little practice guide, written by an experienced practitioner, gives the student of the hermetics some supplemental insights into material that complements Bardon's hermetic system, namely the qualitative - mystical - aspect of Initiation into Hermetics. The student is given the opportunity to understand the qualitative meaning of the diverse exercises of Bardon's interpretation of the first Tarot card.

Realization Into Hermetics Magnus Sarmarx, 2017-04-07 In order to carry out the Great Work an unshakable determination is always necessary, but if you continue to use the same techniques always you will unfortunately always get the same results, how much time do you still believe you have in this life to achieve what you set out to achieve? Using improved techniques in the right way and improving them always more is what will lead to the dreamed goal and we have no time to lose.

Realization Into Hermetics Initiation And Masters Part 1, 2 And 3 Magnus Sarmarx, 2018-05-01 The Realization Into Hermetics Initiation And Masters Part 1 2 And 3 books is united here for preparation for the new book who is coming. In Initiation Into Hermetics Franz Bardon presented a system of practices graded by degrees to accompany the Adept from the simplest level to the most complex state, yet both the practices and teachings contained in his book function only as tools that only in hand of someone able to use them correctly come to their ultimate goal. How many people have practiced so dedicatedly and still practice these techniques and fall short of what they hoped to achieve? How many years have you dedicated to this goal? In order to carry out the Great Work an unshakable determination is always necessary, but if you continue to use the same techniques always you will unfortunately always get the same results, how much time do you still

believe you have in this life to achieve what you set out to achieve? Using improved techniques in the right way and improving them always more is what will lead to the dreamed goal and we have no time to lose. Among the Alchemists it was said that the philosopher's stone is like a forgotten treasure in a pit and that the more one tried to catch more the gap deepened and more roots appeared between them and their objective. That is exactly what has happened and has plagued many of the dedicated students of Hermetic both today and in the past ages, and the hard truth is made present because the path that can be followed does not lead to the True Path because this is something that presents itself Himself in his own way and with his Absolute Power, unquestioning Authority, being The Strong Force of All Strength, to teach you the means of how to arrive in this state of Supreme Bliss where the Universe converges to bless you is the purpose of this book. The Path to the Great Work is unique in its direction but multiple in its strands. Hermeticism is to follow this path by obtaining the union of all powers and balancing them both in a Passive Receptive and Active Aggressive manner, the union of the Elements and their Absolute Control over the protection of the Law of Manifestation of Polarity is the Realization of the Scepter of the Power and the full consecration of the Master in this art. The human being in his conscious state supports only a tiny fraction of the Cosmic Consciousness thus making it impossible for him alone to touch and unite with the higher powers, only with the application of the Law of Polarity in its deepest strand is obtained So your success, both your Conscious and Perceptible as well as your Unconscious and Imperceptible, must be directed towards achieving such a noble goal. For the vast majority of the uninitiated, what they do not perceive and which can not be touched or conceivable by them is not part of their world, practically for them is something that does not exist yet it is precisely this inconceivable and unexpected part that when presented In their lives it assaults to him of surprise and of fatal way. When a Higher Power manifests itself in the world it is only perceptible and comprehensible in its totality to those who are on the same level, the lower levels only perceive fractions, and the lower ones have never been able to comprehend it, and these which are so are Adapted so much to their material physical state that they disconnected completely forgot the Grandiosity from which they came, from the Power of their Microcosm and from their Sacred counterpart The Macrocosm. The Initiate was already able to apply the Law of Polarity and thus obtain and fix his own reintegration with the flow of Divine Providence in this world strengthening him with blessing and power, making his life be watched over by Superior and Absolutely Holy Forces, And now to consecrate his masters he needs to reintegrate with the foundation of this power so deeply that they will become more than inseparable. When he came into this world his Being in the process of incarnation was turned away from the Holy Powers, Forces and Plans, his vibrational state equaled to this time and finally to the material, social and emotional environment, then reborn, yet his Spirit in his state Always imperative and present directed him again by the experiences of his life and by the love of his heart to reintegrate and rise again reconnecting to the Sacred Plans, Forces and Powers thus extinguishing their pendencies with this world and allowing their Ascension, the first step in this Sacred Way has already been given in the last Book with

the True Initiation and now its Kingdom must be re-erected here in its fullness to obtain the Master, only from this conquest that can go forward and obtain Sacred Realization. The Universal Fire establishing itself in the Magus as it was shown in the practices of the last book, grants it abilities and powers that for many were unknown and sometimes unbelievable, make use of its forces and carry on with all its Power, we will still speak in the First part of this book how to stabilize and deepen still further in this force, there is nothing in the world that can be compared to it, this Force and this Power is the Foundation for your salvation and after the Realization you can obtain with it the Supreme Most Holy Sacred Sword, And in obtaining this Upper and Crushing Force his horizons widened beyond the barriers of the mortal world and at this point he could Open the Way to his beloved brethren who, still trapped, the chains of the world follow in the midst of great sufferings with unshakeable strength and will on the way Of the Great Work. When the time comes, just as I am doing to you, my holy brother, lift your Supreme Most Holy Sacred Sword and Walk the Path for them. For the Initiate who has already built the pillars of the Universal Elements, Fire and Air, their resources will be expanded here so that they can safely obtain the pillar of the Universal Water element. This is the next step. Fire is Strength and Power. Air is Wisdom and Water is Universal Love from which Blessing, Healing and Infinite Life is born, uniting Human Heart with Divine Heart, micro and macro, and the infinite power that is born from this state, being in the Now living consciously and unconsciously in the deepest center of All Powerful Superior loving deeply and generating strength and being deeply loved thus generating courage. By locating and accepting the love of the beings of the universe, accepting that there are forces and powers that through Divine Grace and its infinite power, mercy and strength, protect and bless you deeply, recognizing and reconnecting with this Supreme Power and feeling it fully. By maintaining this power and this state of receptivity, feel this active power deeply in your life, present, past and future, conscious and unconscious, Lucky Success and Well-Being, alive, permanent and real. Summary of Franz Bardon's Initiation Into Hermetics Everest Media,2022-06-13T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 The elements are the fundamental forces that make everything in the universe exist. They are the foundation of all things. The sequence of the tattvas in accordance with the Hindu system is as follows: Akasha, Tejas, Vayu, Apas, and Prithivi. #2 The four coarser tattvas came forth from the fifth tattva, the Akasha principle. The Akasha is the causal principle and, as the fifth energy, it is to be acknowledged as the quintessence. #3 The first element to come out of the Akasha is Tejas, the principle of Fire. The Fiery principle is active and latent in everything created in the entire universe, from the smallest grain of sand to the highest that is visible. #4 The element of Water, unlike Fire, has entirely opposite attributes. It is cold and contractive. The magnetic fluid came forth from this element. Water as well as Fire are active in all regions.

Back Door Into Hermetics Mark Rasmus,Jake Senn,2020-09-10 Back Door Into Hermetics is a groundbreaking work on Hermetics and spiritual development, and a spiritual successor to the late mystic Franz Bardon's magnum opus, Initiation

Into Hermetics. This book contains a comprehensive description of the metaphysical principles necessary to attain liberation and freedom for one's spirit, and details immediate steps that can be taken in order to accelerate spiritual development. By taking an approach to practicing spiritual exercises as a continuous stream of practice, the reader can gain mastery at an accelerated rate in the areas of personal development, spiritual sensitivity, equilibrium, and self-realization. This monumental volume treats the subject of spiritual development with a comprehensible depth that is too frequently absent from works of this nature. While other books and teachers might lay the groundwork for taking the first step of the journey, Back Door Into Hermetics draws upon much-coveted, 'closed-door' insider's information in order to provide a map toward the ultimate destination.

The Practice of Magical Evocation Franz Bardon, 2014-07-28 Throughout the ages, and primarily during the past few centuries, many lengthy dissertations have been published on the art of higher magic. Unfortunately, they are for the most part such bewildering and incomplete remnants that very little of it can be taken as a point of reference for practical studies, and this only in small fragments. The original initiative for magic was known only to a very few lodges and was reserved for a particularly chosen few, while for the seekers of truth who searched diligently for any information, this subject matter remained dark and mysterious. Various religions during the Middle Ages were severely hostile towards any magical knowledge. In our history, the most prominent examples are the well known Inquisitions. Later, in modern times, magic was regarded as mere superstition, and any person who showed some inclination toward this knowledge, let alone one seriously concerned himself with the study of magic, was regarded as a fool and was ridiculed. In the past, mystical and other sects maligned magic to such a degree that the word "magic" has to this very day an extremely dubious reputation. And any person who has had an appreciation or understanding for magical knowledge has been pilloried as a black magician. In reality, true magic was initially taught in the ancient schools of the prophets, and then only in the highest circles. However, only a few select insiders had access to these institutions. In those days, only a few books occasionally disclosed scant bits of information about true magic. These books were deliberately written in such a way that they would disclose little or nothing even to the most astute reader, and hence they would not give the seeker of truth a complete understanding of the subject of magic. In accordance with the ancient Egyptian Mysteries, the magic of the second Tarot card is represented by the High Priestess. Franz Bardon, the author of The Practice of Magical Evocation, gladly continues to guide the serious, diligent reader and student of magic along the proper path, as long as this person is devoid of any fanatical religious beliefs and erroneous ideology. Furthermore, this person has to be prepared to penetrate further into the mysteries of the knowledge of magic or the Hermetic sciences. As in Franz Bardon's first book, Initiation into Hermetics, Bardon endeavors to keep the language of this second volume in a style that is understandable to everyone. The subject matter of the magic of evocation is among the least known and least investigated branches of the art, and therefore Bardon makes certain that every person who

reads this book will become completely familiar with this subject matter, not only in theory but above all with the practice, if he so chooses. It is important, however, that the reader know that he will not achieve any results with the practice of magical evocation unless he has successfully completed Step VIII, at the very least, of Franz Bardon's first book, *Initiation into Hermetics*, which is a description of the first tarot card, the Magician. Should Franz Bardon be successful in assisting the reader who has successfully completed the entire practical part of his first book to achieve the same good results with this one, then Bardon has achieved his objective. Those readers who initially study the secret sciences only theoretically will find in this work a satisfactory broadening of their knowledge.

The Masonic Magician Phillipa Faulks, Robert Cooper, 2016-02-09 Miracle-worker or man of straw? Count Alessandro Cagliostro was a cult figure of European society in the tumultuous years leading to the French Revolution. An alchemist, healer and Freemason, he inspired both wild devotion and savage ridicule - as well as novels by Alexandre Dumas, a drama by Goethe and Mozart's opera The Magic Flute. Count Alessandro Cagliostro's sincere belief in the magical powers, including immortality, conferred by his Egyptian Rite of Freemasonry won him fame, but made him dangerous enemies, too. His celebrated travels through the Middle East and the capitals of Europe ended abruptly in Rome in 1789, where he was arrested by the Inquisition and condemned to death for heresy. The Masonic Magician tells Cagliostro's extraordinary story, complete with the first English translation of his Egyptian Rite of Freemasonry ever published. The authors examine the case made against him, that he was an impostor as well as a heretic, and find that the Roman Church, and history itself, have done him a terrible injustice. This engaging account, drawing on remarkable new documentary evidence, shows that the man condemned was a genuine visionary and true champion of Freemasonry. His teachings have much to reveal to us today, not just of the secrets of the movement, but of the mysterious hostility it continues to attract.

The Voodoo Doll Spellbook Denise Alvarado, 2014-06-01 The Pin Is Mightier Than the Sword "Denise Alvarado is a true hoodoo mamba home girl who burned hi-octane conjure in New Orleans where she grew up, and on visits to relatives in the Mississippi bayous, where she was formally introduced to the Voodoo/hoodoo path. Called by the spirits and taught conjuration by family members, she was working the goofer from five years old. That's some serious heat. Denise is no pretender. She's for real. She fixes the formulas, raises the spirits, calculates the mathematics, and works wonders at the old dirt track crossroads." -Doktor Snake, author of Doktor Snake's Voodoo Spellbook When it comes to Voodoo, few things are more iconic than the Voodoo doll. Known also as conjure dolls, doll babies, dollies, baby dolls, poppets, fetich, fetish, and effigies, they are servants of fast-acting, long-lasting magic. If you are seeking a new job or new friends, need to find your one true love or keep your lover at home, wish to be rid of your enemies or protect yourself from thievery, in these pages you will find the doll and the spell to do just that and more. Drawing not only on New Orleans Voodoo and hoodoo traditions, Alvarado also presents doll spellwork from ancient Greece, Egypt, Malaysia, Japan, Africa, and the European grimoires of old magic. You'll learn how to make, use, and properly dispose of your Voodoo doll. Be warned: this is some of the most effective magic that exists so be ready to reap what you are about to sow, or in this case, sew!

By Names and Images Peregrin Wildoak,2012 The Golden Dawn (GD) system of magic is the main source of the esoteric and magical wisdom and techniques practiced in the West today. While the rituals and bare teachings of the tradition have been published for sixty years, the inner workings and esoteric keys that empower those rituals have largely remained unpublished or unexplored in contemporary works. *By Names and Images* remedies this lack by providing detailed and clear instructions for the visualisations, spiritual connections and energetic practices required for every major GD practice and ritual, as well as several unpublished techniques. Focusing on the meanings and use of sacred names and practical techniques of visualisation, the book thoroughly explores meditation and divination, purification ritual, invocation and evocation, grades of initiation, and direct experience of the inner realms. Also covered is an explanation of the Qabalah and its use as a magical framework. While the book is sufficiently practical and clearly explained to be of huge benefit to a newcomer to magic, its primary aim is to allow people already practicing the Golden Dawn system to do so more effectively, and to be touched by the amazing spiritual blessings the rituals offer.
