Cosmic Initiative Jack R. Taylor, 2017-01-17 Jesus never said Seek first about any pursuit or purpose except the kingdom of God. But the church has essentially abandoned this central message, so that kingdom realities have become lost to us. Our neglect has been costly, because God's kingdom on earth—His cosmic initiative—has the authority and power to revolutionize our culture. This transformation occurs first within us and then around us, igniting the world with forgiveness, healings, miracles, righteousness, and peace. The reason most people today do not seek the kingdom is that they have not seen it. Once they truly see it, they seek and follow the remarkable vision they have glimpsed. This is because discovering the kingdom is not just information but an adventure in revelation and transformation. Well-known speaker and kingdom-seeker Jack Taylor invites us to be reintroduced to the kingdom of God and to experience the recovery of the kingdom gospel—leading to kingdom power, kingdom love, and the greatest kingdom harvest the world has ever seen.

Passing It On Myles Munroe, 2011-05-25 Leaders everywhere, in arenas big and small, struggle with the desire and, frankly, the need to make sure their vision for the organization they have created or grown continues regardless of circumstances. And the question what will be my legacy? is a question all people ask themselves. Myles Munroe has observed that the tendency among leaders is to deal with this question as serious circumstances or retirement loom. Further, it is his belief that this is one of the most important decisions a leader will ever make. This book is a wakeup call. Myles Munroe wants all leaders to focus on building the right team for the future and to make it a top priority because the process is not a quick one. Properly mentoring the right people to ensure the continuation of an organization is actually a process that must be woven into that organization over a span of years or even decades. Chapter topics discussed include The Chaos of Transition The Leadership Dilemma Living Beyond Your Generation The Principles of Mentoring *PASSING IT ON* shows how to use the concept of mentoring within an organization to value the distinct talents and abilities of the individuals. Mentoring is the pathway to developing leaders from within; leaders who are in line with the goals of the organization; leaders who are most likely to adopt and carry a vision forward.

I Am the Vine, Ye Are the Branches: Exploring the Glory and Purpose of the Branch in the Vine ,

Developing a Kingdom Mind-Set Lou Jean Turner, 2018-03-16 In the natural world, the process of appropriating a place for one's own use involves planning, organization, and strategies for implementation. Getting to know the people, language, and culture is a valuable asset for effective communication. Possibly the greatest need in succeeding is the provision of a leader to act or speak on behalf of the new government. A person who is knowledgeable of the government and loyal to its king would be an ideal candidate. The key here seems to be an acknowledgment of and commitment to the process. We first see the process of colonization as God's choice to make earth an extension of heaven—the place created for Him. God is a spirit, and therefore, we understand that He lives in a spiritual place. It is invisible. The extension, however, is visible. It is a garden given to His creation, humankind, with instructions. There is evidence that socialization, education, empowerment, and complementary relationships are parts of the preparation process of those who are made representatives of heaven's government. God's design for teaching humankind to think like He thinks is the perfect blue-print. It seems that as believers, children of God, and kingdom citizens, we have not completed the process. We must move from being believers to kingdom representatives. We must learn to think like our King, which will be reflected in our behavior. Having developed a kingdom mind-set, we must then help other believers experience the process.

In *The Power of Kingdom Faith*, Dr. Myles Munroe strips away the common errors and misconceptions surrounding faith to reveal the nature, character, and power of true faith, or, Kingdom faith. Kingdom faith trusts not in the promises of God but in the God who promises; seeks not the blessings of God, but the God who blesses. Kingdom faith will always be tested, but because it places its trust in the King of the universe, will always prevail under testing. Kingdom faith, therefore is a triumphant faith that will overcome the world.

Kingdom Mechanics Allen Wooten, 2009-11-30 The entire Bible is about a King, his kids, and a Kingdom. Without understanding Kingdom principles, you cannot understand the complete message of the Bible. God is not interested in abandoning Earth like most churches teach. His heart is to restore it. This is why we return to Earth in the Book of Revelation. God is saving souls so he can in turn salvage their purpose. God says neither he nor his purposes ever change. So, why do we teach that they did? This Bible study expands our limited salvation message to the full message of the Gospel of the Kingdom that Jesus preached, returning us to meaningful and powerful lives advancing his Kingdom on Earth. Join me in understanding how to operate in God's Kingdom right here, right now!
