Heart and Soul Truths Carmen Marsala,2014-08-26 I pray that if you are suffering from dis-ease in your life, you will discover a journey that works for you. Your life can be different, and you too can experience miracles. I chose to embark on a 12 Step Program of recovery for my spiritual journey. I use the tools suggested by the program and it continues to work for me. The God of my understanding has gifted me beyond my imagination; obtaining my License as an Addiction Counselor, professionally working with others who suffer from dis-ease. Witnessing the miracles of other men and women working the program, coming in wrapped tightly in their cocoon, and over time, One Day at a Time, emerging as the butterfly, they were meant to be. My heart and soul were buried with shame, guilt, fear, no self-esteem, self-loathing, depression, and other self-defeating thoughts and learned messages. My alcoholism brought me to the suicide of my heart and soul. My spiritual journey is a work in progress, the women in the program loved me until I could love myself. I respect myself and others, I value my worth, I am deserving, and I am basking in the sunlight of the spirit. I have learned to separate my religion and my spirituality. I found my God who is loving, nurturing and forgiving, I know He chose me to live a life full of love and forgiveness for myself and those I cross paths with. I know the God of my understanding wants me to be Happy, Joyous and Free. I pray you will discover your own path of healing and learn to live life on lifes terms. I hope you can relate to my shared experiences, strength and hope within these pages. My wish for you is to join me as a walking miracle.

America's Songs II Michael Lasser,2014-01-03 America's Songs II: Songs from the 1890's to the Post-War Years continues to tell the stories behind popular songs in our country's history, serving as a sequel to the bestselling America's Songs: Stories Behind the Songs of Broadway, Hollywood, and Tin Pan Alley. Beginning in 1890 and ending in post-war America, America's Songs II is a testament to the richness of popular music in the first half of the 20th century. This volume builds on the unique features of the first volume, delving deeper into the nature of the collaboration between well-known songwriters of the time but also shedding light on some of the early performers to turn songs into hits. The book's structure - a collection of short easy-to-read essays - allows the author to provide historical context to certain songs, but also to demonstrate how individual songs facilitated the popularity of specific genres, including ragtime, jazz, and blues, which subsequently reshaped the landscape of American popular music. America's Songs II: Songs from the 1890's to the Post-War Years will appeal to American popular music enthusiasts but will also serve as an ideal reference guide for students or as a supplement in American music courses.

The Sound of Broadway Music Steven Suskin,2011-06-03 Broadway's top orchestrators - Robert Russell Bennett, Don Walker, Philip J. Lang, Jonathan Tunick - are names well known to musical theatre fans, but few people understand precisely what the orchestrator does. The Sound of Broadway Music is the first book ever written about these unsung stars of the Broadway musical whose work is so vital to each show's success. The book examines the careers of Broadway's major orchestrators and follows the song as it travels from the composer's piano to the orchestra pit. Steven Suskin has meticulously tracked down thousands of original orchestral scores, piecing together enigmatic notes and notations with long-forgotten documents and current interviews with dozens of composers, producers, conductors and arrangers. The information is separated into three main parts: a biographical section which gives a sense of the life and world of twelve major theatre orchestrators, as well as incorporating briefer sections on another thirty arrangers and conductors; a lively discussion of the art of orchestration, written for musical theatre enthusiasts (including those who do not read music); a biographical section which gives a sense of the life and world of twelve major theatre orchestrators, as well as incorporating

brief sections on another thirty arrangers and conductors; and an impressive show-by-show listing of more than seven hundred musicals, in many cases including a song-by-song listing of precisely who orchestrated what along with relevant comments from people involved with the productions. Stocked with intriguing facts and juicy anecdotes, many of which have never before appeared in print, *The Sound of Broadway Music* brings fascinating and often surprising new insight into the world of musical theatre.

Smash Hits James E. Perone, 2016-10-17 We are what we listen to. That's the premise of this study of 100 songs that have shaped and defined the American experience, from the Colonial period to the present. Well-known music author James Perone looks at 100 songs that helped tell America's story. He examines why each song became a hit, what cultural and social values it embodies, what issues it touches upon, what audiences it attracted, and what made it such a definitive part of American history and popular culture. The chart-topping singles presented here crossed gender, age, race, and class lines to appeal to the mass American audience. The book discusses patriotic songs, minstrel music, and sacred songs and hymns as well as music in the broad categories of pop, rock, hip hop, jazz, country, and folk. An introduction provides an overview of the history and significant issues raised by the songs as a whole. Individual songs are then presented chronologically, based on when they were written. The revealing commentary for each hit is not only interesting and fun, but reveals what it was like to live in the United States at a particular time by unveiling the social, economic, and political issues—as well as the musical tastes—that made life what it was.

Choices are made, but not forgiven, and it is only when her life takes a sudden and tragic turn, and she meets a fascinating and irreverent figure who is her opposite in every way, that Fleur finds the courage she needs to move forward...

The Jan & Dean Record Mark A. Moore,2016-03-03 Jan & Dean were among the most successful artists of the late 1950s through the mid-1960s, with hits including Baby Talk, Surf City, Dead Man's Curve and The Little Old Lady (From

Pasadena). Slapstick humor and offbeat personas were a big part of their shtick, but Jan Berry was serious when it came to the studio. This book chronicles Jan's career as a songwriter and arranger--and his tenure as producer for Jan & Dean and other acts--with day-by-day entries detailing recording sessions, single and album releases, concerts and appearances, film and television projects, behind-the-scenes business and legal matters, chart positions and more. Extensive commentary from Berry's family, friends and colleagues is included. Studio invoices, contract details, tape box notes, copyright information and other particulars shed light on how music was made in the Hollywood studio system of the 1960s.

Torch Singing Stacy Linn Holman Jones,2007 In this innovative book, Stacy Holman Jones presents torch singing as a much more complicated phenomenon than the familiar trope of a woman lamenting her victimhood. With an ethnographer's eye, she observes the bluesy torch singers, asking if they are possibly performing critiques of the very lyrics they are singing. From this perspective, we see the singer giving expression not only to desire but also to an incipient determination to resist and change. Holman Jones also reveals points of contact in the opposition between spectators and performers, emotion and intellect, and love and power. Instead of interpreting the expression of love as a woman's violent mistake - as willing deception and passive fate - Holman Jones allows us to hear an active search for hope.--BOOK JACKET.
