Look into my eyes Boris Tzaprenko, 2022-02-10 Could the fate of humanity be in the hands of one single person? So many different things could erase humans from the surface of this planet. In this novel, the threat that Homo sapiens face would annihilate them in such a sudden and surprising way that no one would see it coming. However... ---- Fifteen seconds before the Event Lucien walked into the ophthalmology clinic, clueless to the fact that within fifteen seconds he would be experiencing the first manifestation of the Event. « The Event » is the name that, for the time being, we will call the contingency that would both change the course of his life, and bring History to an end. And what we mean by « bring History to an end » is actually « decide the ultimate outcome of human existence ». Lucien was there for a routine check-up and was pleased to see that there were only two other people in the waiting room. A young woman and an older lady looked up at him. Hello! he greeted them. The elderly lady in the back of the room didn't respond. The young woman answered with a shy, barely murmured Hello! before turning back to her magazine. Thirteen seconds before the Event. Lucien sat down across from her...

Fire in My Eyes Brad Snyder, Tom Sileo, 2016-09-06 I am not going to let my blindness build a brick wall around me. I'd give my eyes one hundred times again to have the chance to do what I have done, and what I can still do.-Brad Snyder speaking with First Lady Michelle Obama On the night Osama bin Laden was killed, US Navy Lieutenant Brad Snyder was serving in Afghanistan as an Explosive Ordnance Disposal officer with SEAL Team Ten. When he learned of SEAL Team Six's heroics across the Pakistani border, Brad was thankful. Still, he knew that his dangerous combat deployment would continue. Less than five months later, Brad was engulfed by darkness after a massive blast caused by an enemy improvised explosive device. Suddenly Brad was blind, with vivid dreams serving as painful nightly reminders of his sacrifice. Exactly one year after losing his sight, Brad heard thousands cheer as he stood on a podium in London. Incredibly, Brad had just won a gold medal in swimming at the 2012 Paralympic Games. *Fire in My Eyes* is the astonishing true story of a wounded veteran who refused to give up. Through My Eyes and Into Your Heart by Yvonne Betts Yvonne Betts, Gary Betts, 2022-03-30 *Through My Eyes and Into Your Heart* by Yvonne Betts By: Yvonne Betts with Gary Betts After the death of Yvonne Betts, her spirit came back to her husband, Gary Betts. She dictated this book to Gary, who simply wrote down what she said. This is a book that tells what Heaven is really like from the perspective of a spirit. This book will answer the questions that humans have had for eons:

What is Heaven really like? Is there Satan and Hell? These questions and more will be answered in this book by a spirit. This is a book about spiritualism that is rapidly taking over the world's big religions. Religion has been telling lies for centuries. Spiritualism, however, will tell people the truth; the truth that religions have been hiding. For example, God does not judge people after their death. If their spirit wants to get into Heaven, they will be granted access with no questions asked. After reading this book, people will come away with a better understanding of life, spiritualism, and the joy that they will get into Heaven no matter how many sins they have committed.

INTO THE EYES OF LIONS Graham Mercer,2019-12-03 The adventures described in this book represent the realisation of a dream that in the author's boyhood seemed unthinkable. His first safari, in Kenya in 1962 was certainly low-budget (£12 for 2 days!). Later, when working as a teacher in Dar es Salaam, Tanzania, he often spent weeks in some of the world's most celebrated national parks and reserves, camping in tiny tents in the middle of the African bush. The sometimes hazardous adventures, and the good-humoured camaraderie of those with whom the author travelled, make this book an entertaining as well as interesting read. Incidents with lions, elephants, rhinos, buffaloes and other big game abound, but safaris are not just about wild animals. The author also describes the landscape of Africa as well as many of the other adventures that occurred to him during this time. The general tone of the book is far from gung-ho male chauvinism. Like the bush itself it is predominantly one of tranquillity, of being "at one with the moment", enhanced by the author's obvious love for life on safari and for wild-life, wild places and their conservation, enlightened by a self-deprecating sense of humour and sensitive, deeply felt and lyrically expressed reflections.

Staring Into the Eyes of a Devastated Woman Sharell Gonzales,2024-06-27 This story is about a young girl who thought life was so beautiful until the mirror broke, then she actually saw the truth of horrific events that started taking place in her life. She had nowhere to run or hide, so she went to the streets where her life took her on a journey of no return! She had to figure out all these obstacles on her own, which was really sad for the most part. Some events were life-threatening, but somehow, she managed to stand on solid ground and take her life back and pick up all the shattered pieces so she could see clearly and live a normal life, even though it would never be the same. Even as a grown woman, she still had trauma from all the abuse a human should not ever experience in life. It all boils down to watching the company you keep. Not all people

have your best interest.

A Look Through My Eyes Dawn Vandenberg, 2012-11-09 This book begins with the story of a young boy, Rem Vandenberg, who was born in 1937 in the Netherlands just before the onslaught of the Second World War. His youth was a struggle to exist under the German occupation and in combating the depravation of poverty. Added to these hardships was the ongoing personal battle he fought daily in accepting the doctrines of the Roman Catholic Church which were heavily imposed on him by the uncompromising adult belief of the time. His authoritarian father loaded with the responsibility of caring for the large family was staunch in upholding his strong principles and instilling them into his children. Of a less serious nature and with a strong desire to be free of the bonds restricting him from freedom of expression and thought Rem was often on the punitive end of the discipline rod, both at school and home. Opposing this oppression was the endless love and compassion of his mother, who through the strength of her faith, was able to engulf the whole family under her mantle of love and bind them together into a caring family unit. At a young age Rem had to begin work to help support the family. What he was expected to do for a few cents per week was beyond the capability of this small undernourished lad. His father insisted on strength of character and allowed him to be pushed to the limit of his endurance. Held by the love of his family but tormented with the urge to be free of restrictions Rem finally took his life in his own hands. At the age of sixteen driven by the spirit of adventure he left home and joined the merchant navy. His first voyage was on a whaling ship to the South Pole which was followed by voyages throughout the world for the next few years. On sailing into his first Australian port his desire to stay in Australia took over. He jumped ship and went inland where he took a job on the railway. After six months as gang worker he was finally picked up by the law and experienced a short jail sentence before being deported back to Holland. His love for Australia was strong and within two years he returned as a legal migrant and still lives in his beloved land today.

The Eyes Are the Best Part Monika Kim, 2024-06-25 Crying in H-Mart meets My Sister, the Serial Killer in this feminist psychological horror about the making of a female serial killer from a Korean-American perspective. Ji-won's life tumbles into disarray in the wake of her Appa's extramarital affair and subsequent departure. Her mother, distraught. Her younger sister, hurt and confused. Her college freshman grades, failing. Her dreams, horrifying... yet enticing. In them, Ji-won walks through bloody rooms full of eyes. Succulent blue eyes. Salivatingly blue eyes. Eyes the same shape and shade as George's, who is Umma's obnoxious new boyfriend. George has already overstayed his welcome in her family's claustrophobic apartment. He brags about his puffed-up consulting job, ogles Asian waitresses while dining out, and acts condescending toward Ji-won and her sister as if he deserves all of Umma's fawning adoration. No, George doesn't deserve anything from her family. Ji-won will make sure of that. For no matter how many victims accumulate around her campus or how many people she must deceive and manipulate, Ji-won's hunger and her rage deserve to be sated. A brilliantly inventive, subversive novel about a

young woman unraveling, Monika Kim's *The Eyes Are the Best Part* is a story of a family falling apart and trying to find their way back to each other, marking a bold new voice in horror that will leave readers mesmerized and craving more.
