

How To Pronounce Oholiab

Bible. O.T. Pentateuch

Why Your Work Matters Tom Nelson, 2025-04-08 Americans spend a majority of their waking hours working, whether paid or unpaid. Due to rapidly advancing technology, hybrid work, shifts in the economy, and more, the working world has become an increasingly complex place to navigate. In this newly expanded and updated version of his 2011 book, *Work Matters*, author and pastor Tom Nelson wrestles with the latest trends and dynamics of work, including remote work, work-life balance, technology, the meaning of Sabbath, and working for the common good. Nelson explores the grand story of work in the Bible, revealing that all work matters in God's economy and that Christians can love and serve their neighbors no matter what they do for their daily vocation. He helps readers discover that their work matters deeply--not just now but for eternity. *Why Your Work Matters* contains 70% new material and has been updated throughout. It includes six new chapters and a new introduction.

The God You Need to Know Margaret Feinberg, 2025-06-10 Discover answers to your biggest questions about the Holy Spirit--and invite the Spirit to move in your life in powerful, real, tangible ways. Everyone has questions about the Holy Spirit. If faith in Jesus provides my connection to God, then what role does the Holy Spirit play? How is the Spirit part of my day-to-day relationship with Christ? And why doesn't the Spirit's work play out in my life the way it seems to in the Bible? Why do other believers seem to have a connection to the Spirit, and I don't? Even longtime Jesus followers can feel stymied and confused. In *The God You Need to Know*, Margaret Feinberg, the bestselling author of *Fight Back with Joy* and *Scouting the Divine*, takes you on a journey through the Old Testament on the road to Pentecost to find answers to your burning questions about the Spirit. You will discover: The Spirit still working powerfully in unexpected places How to respond to spiritual promptings that often go ignored A deeper understanding of the Spirit's role in biblical events, especially the Old Testament How to encounter the Holy Spirit in fresh and practical ways Spiritual renewal through companionship with God The Holy Spirit's appearance on the Day of Pentecost was not a grand debut; it was the culmination of the Spirit's work since the beginning of time. You can experience a vibrant life with the same powerful flame. It's time to discover the God you need to know.

Moses Shlomo Giora Shoham, Efrat Vignansky-Addad, 2014-09-26 This intellectual biography describes the personal development and *Weltanschauung* of Moses from his childhood until his death. It includes interactions with well-known

biblical and historical figures and with composite characters representing all of the lifestyles that he encountered. It shows how Moses was affected by the people and events in his life and how he was able to lead the Jewish people in their successful struggle for freedom. This book describes the attitudes, thought processes and motivations of Moses himself and the participants in the events surrounding his life. The book also elucidates the changes in the Jewish religion that occurred before and during his lifetime. It clarifies how Moses developed into a multi-faceted leader and law-giver and shows how he influenced the Jewish religion at the time of the Exodus.

The Expositor's Bible Commentary Tremper Longman (III), David E. Garland, 2005 This is a complete revision of the Gold Medallion-winning commentary series. It is up to date in its discussion of theological and critical issues and thoroughly evangelical in its viewpoint.

God & Culture D. A. Carson, John Woodbridge, 2020-07-30 This book examines a number of facets of contemporary culture and sets forth what thoughtful Christians have been and should be thinking about each one. Written in honor of Carl F.H. Henry on the occasion of his eightieth birthday, the essays in God and Culture are on these topics and by these contributors: •hermeneutics Kevin J. Vanhoozer •pluralism D.A. Carson •eschatology Geoffrey W. Bromiley •anthropology Robert J. Priest •psychology Warren J. Heard, Jr. •philosophy George I. Mavrodes •history Lewis W. Spitz •economics Ian Smith •law Phillip E. Johnson •politics Sir Fred Catherwood •literature Leland Ryken •art Edmund P. Clowney •media Larry W. Poland •science Charles B. Thaxton •environment Loren Wilkinson •bioethics Nigel M. de S. Cameron •human sexuality Armand M. Nicholi, Jr. •personal life-style and leisure J.I. Packer Each of these authors has demonstrated a profound interest in thinking Christianly about his subject. Some of the essays scan the ways previous Christians have tried to evaluate each cultural slice; all of them offer some guidance regarding what Christians need to bear in mind as our culture rushes on. Some contributors adopt the well-known grid of H. Richard Niebuhr in his classic Christ and Culture; others cut fresh paths. The aim throughout is to foster fidelity to Christ and his gospel while encouraging a comprehensive Christian outlook on our rapidly changing world.

The Zondervan Encyclopedia of the Bible, Volume 2 Zondervan, 2010-08-10 Revised edition. Volume 2 of 5. The Zondervan Encyclopedia of the Bible has been a classic Bible study resource for more than thirty years. Now thoroughly revised, this new five-volume edition provides up-to-date entries based on the latest scholarship. Beautiful full-color pictures supplement the text, which includes new articles in addition to thorough updates and improvements of existing topics. Different viewpoints of scholarship permit a wellrounded perspective on significant issues relating to doctrines, themes, and biblical interpretation. The goal remains the same: to provide pastors, teachers, students, and devoted Bible readers a comprehensive and reliable library of information. • More than 5,000 pages of vital information on Bible lands and people • More than 7,500 articles alphabetically arranged for easy reference • Hundreds of full-color and black-and-white

illustrations, charts, and graphs • 32 pages of full-color maps and hundreds of black-and-white outline maps for ready reference • Scholarly articles ranging across the entire spectrum of theological and biblical topics, backed by the most current body of archaeological research • 238 contributors from around the world

Faith and Energy Eric Myerholtz, 2012-07-28 When Rob Romano discovers some unsettling information regarding his employer, his curiosity unearths a decades-old plot approaching its catastrophic climax. Opposing the scope and influence of the power players in the energy industry and having now placed himself in harm's way, Rob provides a trail of clues to allow his sister and best friend to unravel the mystery in his absence. Can they derail the diabolically destructive plan designed to forever weaken the United States? A small terrorist faction is working in the American southwest at the behest of Jacob Robinson, a high ranking member of the U.S. Department of Energy. Robinson has abandoned all pretenses of ethics in attempting to realize his dream of an oil-free America. Rob stumbles upon the ongoing covert operation Mr. Robinson has designed and, after the almost sudden death of the one police officer to whom he confided his theory, Mr. Romano calls on his faith in God to guide him. He lays out a path of information for the only people left he can trust, his sister Andria and best friend Brian Maddox, using the Bible as his compass. Once these two realize Rob has disappeared, they leap into action, with Brian enlisting his co-worker Mitch Bartter and others to aid in the search. A posse forms, racing across Phoenix to piece together the cryptic messages Rob has provided and attempting to find their friend before tragedy strikes.

The Papyrus Basket Phyllis Young-Ae Kim, 2006-06 The author presents the English translation of Handong Global University's story. (Social Issues)
