*Blue Note Preaching in a Post-Soul World* Otis Moss III,2015-11-10 Can preaching recover a Blues sensibility and dare speak with authority in the midst of tragedy? America is living stormy Monday, but the pulpit is preaching happy Sunday. The world is experiencing the Blues, and pulpiteers are dispensing excessive doses of non-prescribed prosaic sermons with severe ecclesiastical and theological side effects. â€from chapter 1 Uniquely gifted preacher Otis Moss III helps preachers effectively communicate hope in a desperate and difficult world in this new work based on his 2014 Yale Lyman Beecher Lectures. Moss challenges preachers to preach with a Blue Note sensibility, which speaks directly to the tragedies faced by their congregants without falling into despair. He then offers four powerful sermons that illustrate his Blue Note preaching style. In them, Moss beautifully and passionately brings to life biblical characters that speak to today's pressing issues, including race discrimination and police brutality, while maintaining a strong message of hope. Moss shows how preachers can teach their congregations to resist letting the darkness find its way into them and, instead, learn to dance in the dark.

I am always sad to see Elle's series come to an end. Her chillaxed writing style brings an amazingly personal depth to her characters. Haven is no exception. This book will have you angry, then laughing, then crying, and when it's over you'll leave wanting more! I gave Haven the full 5 stars it deserves! Elle, you never disappoint! Thank You!!" ~ Chris, Goodreads reviewer "...I've already read this series more than once! And with having a ton of TBR books on my kindle (and believe me there are a lot). When I find myself rereading this series more than just one time I think it shows just how GREAT this series is!!" ~ Elizabeth, Goodreads reviewer "The final installment to Apocalypsis took me from one extreme to the next. Elle Casey has done it again. I laughed, I cried, I wanted to scream, I held my breath, and I read non-stop from start to finish! ~ Mandy Jamerson, Goodreads reviewer "Don't pass this series by! Elle Casey's books are stellar! This series has elements of fear, humour, survival, and romance. The characters are wonderfully developed and you race through each book needing to know what happens. It also is very thought provoking - this terror could happen now..." ~ Penny Streyby, Amazon reviewer This series is dedicated to the amazing, wonderful Native Americans who populate our nation, continuing their traditions and reminding the rest of us that sometimes, progress isn't always the best thing for our people. A perfect guide for actors, students, and the curious, Shakespeare Retold breathes new life into the most intoxicating, beguiling and often frustrating words in the English language. PRAISE FOR SHAKESPEARE RETOLD Schools and colleges will stamp and cheer with unrestrained gratitude and delight. - STEPHEN FRY "Tackling Hamlet for The Royal Shakespeare Company is arguably the most daunting role for any actor. For me, learning the words was the easy part; interpreting the nuances of the language and breathing life into the performance was brutally tough. James Anthony's Shakespeare, Retold would have helped me immensely. For every line, I'd have had a lyrically identical modern-day translation that I precisely understood, helping reveal the emphasis and punch of each moment of my stage performance. Every actor would benefit from this compelling translation." - PAAPA ESSIEDU
