**James Becker**

*Just Because You're Paranoid* Anne Louise Bannon, 2022-12-22 It doesn't mean they're not out to get you Lisa Wycherly and Sid Hackbirn find themselves up against a relentless enemy and about to get the shock of their lives in book nine of the Operation Quickline series. First, there's the wedding. Not Sid and Lisa's, but her cousin Maggie's, where Sid and his son, Nick, raise all sorts of eyebrows. Then there's the attempt on Sid's life. Then Sid and Lisa's good friends are recruited into their top secret organization. Then there's Lisa's sister being jealous, and a new house getting close to being ready, and Sid and Lisa's own wedding to work on, and Nick bringing home every bug there is at his new school and sharing it with his parents. Being highly-trained top secret counter-intelligence agents will only help so far as the circles of family complications ripple outward. Sid and Lisa try to cope with the multiple surprises as they train their two friends and track down a ruthless killer determined to take both of them out.

**Novel Gazing** Eve Kosofsky Sedgwick, 1997-12-15 This is the first collection of queer criticism on the history of the novel. Eve Sedgwick has brought together contributors to navigate this new territory through discussions of a wide range of British, French, and American novels--including canonical

**The Dictionary of Modern Proverbs**, 2012-05-22 Collects more than 1,400 English-language proverbs that arose in the 20th and 21st centuries, organized alphabetically by key words and including information on date of origin, history and meaning.

*Superheroes and Superegos* Sharon Packer MD, 2009-12-14 This comprehensive collection of essays written by a practicing psychiatrist shows that superheroes are more about superegos than about bodies and brawn, even though they contain subversive sexual subtexts that paved the path for major social shifts of the late 20th century. Superheroes have provided entertainment for generations, but there is much more to these fictional characters than what first meets the eye. Superheros and Superegos: Analyzing the Minds Behind the Masks begins its exploration in 1938 with the creation of Superman and continues to the present, with a nod to the forerunners of superhero stories in the Bible and Greek, Roman, Norse, and Hindu myth. The first book about superheroes written by a psychiatrist in over 50 years, it invokes biological psychiatry to discuss such concepts as body dysmorphic disorder, as well as Jungian concepts of the shadow self that explain the appeal of the masked hero and the secret identity. Readers will discover that the earliest superheroes represent fantasies

about stopping Hitler, while more sophisticated and socially-oriented publishers used superheroes to encourage American participation in World War II. The book also explores themes such as how the feminist movement and the dramatic shift in women's roles and rights were predicted by Wonder Woman and Sheena nearly 30 years before the dawn of the feminist era.

The X-Files: The Official Collection - The Agents, The Bureau, and The Syndicate Vol.1 Natalie Clubb, 2016-01-12 Reopen the files on the ultimate conspiracy theory. Join Agents Mulder and Scully in their epic quest to expose the truth, and meet the shadowy players intent on concealing it at all costs. From the corridors of the FBI to the highest level of government! The truth is out there, and it wants to be known. Behind the scenes secrets revealed! In-depth features investigating the mythology of the show! Exclusive interviews with the stars of The X-Files! Material previously published in Titan Magazines' official The X-Files Magazine.

**Just a Dead Man** Margaret von Klemperer, 2012 Laura Marsh, an art teacher and single mother, is horrified when a visiting friend--a Zimbabwean refugee and an artist--finds a corpse in the plantations near her home. When the friend, Daniel, is arrested for the murder, Laura assumes he has been pegged due to his being a foreigner. However, a connection between Daniel and the dead man emerges, and the situation becomes even more complicated as some politically well-connected people are lurking in the background of the case. Resenting the police's unwillingness to look beyond Daniel for a suspect, Laura puts her own life at risk. The story of a woman trying to move on following her divorce, this crime novel also touches upon the issues of xenophobia and racism in South Africa.

**Terror at G-20** John L. Flynn, 2022-10-11 The murder of a San Francisco sex worker puts a female detective on the trail of a geopolitical conspiracy against America in this international thriller. What begins as the simple murder of a sex worker becomes so much more as Insp. Kate Dawson follows the clues to a human trafficking ring which specifically targets Asian women. But as the G-20 Summit in San Francisco draws closer, Kate realizes that the stakes are much higher than she could have imagined. The disappearance of five Asian women appears to be connected to the schemes of a mad North Korean general. With a nuclear submarine deployed into American waters, he's planning to bring about economic chaos across the West. As world leaders and economists converge on the annual summit, Kate must prevent terror from breaking out at the G-20.

**Murder on Air Force One** John L. Flynn, 2022-10-11 When a woman dies under mysterious circumstances aboard Air Force One, a San Francisco detective uncovers presidential conspiracies and cover-ups. When Insp. Kate Dawson is called in the wee hours of the morning, she had no idea what would be waiting for her on the tarmac of San Francisco International Airport. Air Force One landed with a corpse in the lavatory, and everyone on board is a suspect—including Madame President, the First Man, and a slew of reporters and other presidential personnel. The female victim was engaging in kinky foreplay at the time of her death. Did her penchant for limited oxygen simply go too far? Or did someone take advantage of

her compromised position and finish her off? Kate's highly sensitive investigation is about to uncover international politics, conspiracies, affairs, and cover-ups—all involving the First Family.

Cinderman Anne Stuart, 2016-02-15 A fun, sexy take on the superhero origin story. Dr. Daniel Crompton is in charge of a topsecret project. Suzanna Molloy wants to know what he's up to. The physicist is escorting the reporter away from his work when an explosion rocks his lab. This attack transforms Daniel, giving him fantastic new powers—including a fiery gaze that can reduce any object to cinders. But is he hot enough to penetrate Suzanna's chilly exterior? If they can elude the killers on their trail, they might just have a chance to find out. Previously published.

**The Templar Archive** James Becker, 2016-09-06 James Becker, New York Times bestselling author of *The Lost Treasure of the Templars* and *The Lost Testament*, delivers a breakneck thriller continuing the adventures of antiquarian bookseller Robin Jessop and encryption expert David Mallory. While trying to decipher what few clues they have managed to recover about the Templar's secrets, Jessop and Mallory discover that the legendary "treasure" they have been searching for may not be what they thought. Rather than gold or precious jewels, their long-sought prize may, in fact, be something far more valuable... Information. For the Templar Knights were the original inventors of international trade. And not all of it was in

money. Lands, titles, the fates of entire noble houses were placed in their keeping. The records of such transactions, though centuries old, may possibly yield the greatest wealth in the world. But hunting for such an archive places Jessop and Mallory in the cross hairs of Europe's most powerful families...

**Let Us Prey, Revised Edition** Darrell Puls, 2020-06-10 Jesus warned of wolves carefully disguised as shepherds coming into local churches as pastors. It is the perfect disguise for a predator to access and devour the flock one lamb at a time while proclaiming himself as their protector and guardian. The result is spiritual devastation, broken congregations, and even destroyed churches. Darrell Puls attests from experience that the enemy has infiltrated the North American church through pastors with dangerously high levels of narcissism. These pastors hide under layers of the sacred, but it is always an illusion of smoke and mirrors. Puls has experienced this reality from the inside as a staff pastor under a narcissist, and from the outside as a church consultant. He carefully unpacks toxic narcissism in everyday terms, and lets the victims tell their own stories. *Let Us Prey, Revised Edition* is as real as it gets.

**Finding Your Own North Star** Martha Beck, 2008-06-03 New York Times bestselling author and Life Designs, Inc. creator Martha Beck shares her step-by-step program that will guide you to fulfill your own potential and create a joyful life. In this book, you'll start by learning how to read the internal compasses already built into your brain and body--and why you may have spent your life ignoring their signals. As you become reacquainted with your own deepest desires, you'll identify and repair any unconscious beliefs or unhealed emotional wounds that may be blocking your progress. This will change your life, but don't worry--although every life is unique, major transformations have common elements, and Beck provides a map that will guide you through your own life changes. You'll learn how to navigate every stage, from the first flickering appearance of a new dream to the planning and implementation of your own ideal life. Based on Dr. Beck's work as a Harvard-trained sociologist, research associate at Harvard Business School, instructor at Thunderbird Business School, and especially on her experiences with her clients over the last six years, *Finding Your Own North Star* offers thoroughly tested case studies, questionnaires, and exercises to help you articulate your core desires and act on them to build a more satisfying life. "Explorers depend on the North Star when there are no other landmarks in sight. The same relationship exists between you and your right life, the ultimate realization of your potential for happiness. I believe that a knowledge of that perfect life sits inside you just as the North Star sits in its unaltering spot." -- Martha Beck

**The Cull** L. S. Caton, 2013 On the night of Friday, April 22nd 2005 three residents were murdered at a Nursing Home; Iris Crawford, 88, Wally Green, 73, and Margaret Kelso-Brown, 82, died in their beds, their throats cut. I was expecting a death in Kellingham, but not for another week. And one death, not three.

**Your Resource is Human** Melissa Romo, 2023-04-03 Remote working is here to stay. But 65% of remote workers say they feel isolated, and many managers struggle to know how to support them. In *Your Resource is Human* award-winning

marketer and global remote business leader Melissa Romo explores the five unspoken remote work emotions, and identifies the five remote-ready leadership behaviors that can help all teams, large or small, rise above the sometimes emotional undertow of working apart. This book aims to give remote leaders the counsel and courage to embrace empathy, adapt their communication and inspire optimism that will drive culture, build connection and help their people do their best work. Melissa Romo has more than 20 years' experience as a business leader for FTSE 100 and Fortune 500 companies around the world and has spent more than a decade building, leading and working in globally dispersed teams. She earned an MBA from the Yale School of Management, where she studied organizational behavior and leadership, has been recognized as a marketing and advertising industry "40 Over 40," and is a regular speaker on communication, content and community for business events around the world. <https://www.melissaromoauthor.com/>

Now Lisette is forced to answer one question: What's a thief to do when she falls for her mark?

*Data Sets* Meredith Spies ,2021-09-11 Birdie I was kind of halfway in love with Royce. Royce just wasn't aware of that, I didn't think. Sure, we went at it like cats and dogs verbally but I was pretty sure he didn't know I wanted to go at it like... things that go at it in a naked way. Marmots? Muskrats? Wasn't there a song about muskrats doing it? He didn't know I wanted to go at it like muskrats from a 70s yacht rock song. Officially, I'm a research associate for Halloran and Reynard, a small but powerful magical research lab. Unofficially, I work for Doctors Halloran and Reynard themselves, tracking down missing and runaway magic-users trying to stay out of the grasp of folks who want to control magic-users, turning us into lab rats and squeezing us dry before throwing us into the trash heap. I wanted to keep Royce out of it, keep him safe, so I broke things off with him as soon as I realized feelings had well and truly been caught. It wasn't my brightest move, really. When Royce decided to tag along with me on what was supposed to be a simple recon trip to check on a known rogue magic-user, everything went straight to Hell and my attempts to protect him by breaking off our burgeoning relationship were for nothing. Now we're both running and I have no idea how I'm going to get him out of this before they catch up to me. *Data Sets* is a MM speculative fiction/urban fantasy romance with a happy ending. It is part TWO of a THREE part series and can best be read after part ONE. It features the prickly one soft for the soft one, friends to lovers to friends and back to lovers again, an unwilling road trip, and a seeming mismatch being a true match.
