## Kelsie Stelting

A Curvy Carol Kelsie Stelting, Everyone knows that if you want to have an incredible Christmas season, you go to Garland, Maine, where the entire town joins in on celebrating Christmas. Well, everyone except me. Every year since my parents' divorce, they've fought to make Christmas at their place the best. Shuffling back and forth between the two and running ragged with all the activities has ruined the holidays every year. So this year, I finally tell them both I'm done celebrating Christmas. And they agree on one condition: I have to show the new guy in town the best Garland has to offer this year. I thought it would be a tedious set of tasks to show him around, but for the first time I'm having fun during the holidays. Even better? I think he likes me too. That is until I learn our arrangement wasn't just a way for me to get out of the Christmas Olympics with my parents. There was something in it for him too. And at the end of it all, I have to wonder... Was any of it real for him, or would I have been better off celebrating with my parents after all?

**Curvy All the Way** Kelsie Stelting, I know a lot about fashion, and having your brother's best friend babysit you while your family's out of town is not a good look. Especially since I've wished every year on the Christmas star that Kane could see me as more than the dorky kid sister of his best friend. And every year my wish doesn't come true. But he made a promise to my brother to look after me, so I'm stuck spending more time with him than ever before. At first, I think it will be easy to ignore my feelings for him with a major deadline for my dream fashion program looming. I have just under two weeks to make it happen, and the application needs to be my sole focus. However, the more time I spend with Kane, the more I start to wonder if my crush on him is unrequited like I thought. Could my brother's best friend have feelings for me?

**Curvy and Bright** Kelsie Stelting, My parents spend every Christmas in the hospital. My dad is a charge nurse, and my mom's a doctor. And me? I'm their disappointing daughter who faints at the sight of blood and can never imagine wearing scrubs to work every day. We spend every Christmas at the hospital because injuries and illnesses don't take a day off, and every year I feel bad for the people there. So this year, I'm going to do something about it. I'm raising money for care packages for every patient and their family. But so far, I'm off to a terrible start. People walking past my booth act like I'm one of a million snowflakes falling from the sky. Nothing special and practically invisible. Until Paxton. He's a pro snowboarder my age heading for the Olympics. The first person to treat my goals like more than a cute Christmas hobby. With him at my side I'm feeling like this is actually possible-making a difference at the hospital and maybe even getting my

first mistletoe kiss.

**Chasing Skye** Kelsie Stelting, 2018-04-22 Best years of your life? Yeah right. I was so excited to start my junior year. I've been practicing volleyball all summer and even lifting weights. Just when I thought all my hard work was going to pay off, the principal's daughter starts gunning for my position. And my crush. She's making my life miserable on and off the court, and her dad won't do anything to stop it. I need to learn to stand up for myself and protect my spot on the team, or I could say goodbye to a scholarship and my only way out of this way too small town. Chasing Skye is a contemporary young adult romance showing the ups and downs of high school love and life. Grab your copy and get wrapped up in the story today

**A Curvy Wonderland** Kelsie Stelting, What happens when the Christmas-loving curvy girl is forced to volunteer for a Christmas charity with the grumpiest guy in a town? I'm babysitting two little girls while their mom works and their dad's deployed. Their mom asked me to keep them busy serving others so they don't have time to miss their dad. I'm all for it... until I realize the charity she signed us up for is managed by the Scrooge-iest guy in town. You'd think someone who's grown up selling Christmas trees with a giant, fluffy dog named Bauble would have a little more holiday spirit but no such luck. His parents put him in charge of the project to try boosting his mood. At first, I'm not sure their plan is working, but once I see his gentler side with the girls, I start falling for him, even though I know we're more opposite than peppermint and garlic. As he opens up to me, I have to wonder... Does all the mistletoe in town have my head coming up with make-believe stories that will never come true? Is he being nice just for the girls? Or could he be thawing his heart for me too?

**Always Anika** Kelsie Stelting, 2023-10-11 Falling in love with someone she'd never laid eyes on wasn't part of the plan. But an English assignment threatens to change all that. All she has as a wallet-sized photo and scribbled letters, but she's falling for her military pen pal. His honest words and quiet confidence have her imagining happily ever after until the boy next door she's always crushed on becomes available. Now, Anika has to make a decision. Stick to her plan or follow her heart. Always Anika will have you laughing, crying, and adventuring through the rough waters of first loves and second chances. **Abi and the Boy Who Lied** Kelsie Stelting, 2023-10-11 Someone's out to get me. I just don't know who. It's been the craziest year of my life, and celebrating graduation with Jon just makes it all feel real. Like maybe I can have my happily ever after. But then Grandma hands me a graduation card. And there's no address on it. No signature. Just six words from a complete stranger that turn my life upside down. I'm supposed to be getting ready for college. Dealing with moving away from my friends after actually finding some. Enjoying my relationship with Jon. But maybe all of that is the least of my worries. Because I know one thing for sure: someone is out to get me. I just hope I can find out who it is without losing the

love of my life in the process. Continue reading the second book in Abi's story, a sweet young adult/new adult romance filled with swoony kisses, thrilling moments, and enough adrenaline to last Abi a lifetime.

**Curvy Girls Can't Date Surfers** Kelsie Stelting,2023-08-07 When my dog runs away on the beach and into the arms of a handsome surfer, I think I'm in luck. Until I realize said surfer is actually a grump who acts like he owns the ocean. I want to forget the encounter ever happened and focus on helping care for my dad, who suffered a brain injury while in the military. But I'm out of luck. Jerk supreme, aka Diego, goes to my new school. And since we're in the same classes, I'll be seeing a lot of his stupid white teeth and mischievous eyes while I do my best to finish my senior year and get started on my career. Getting paired with him for a class project was just the icing on the cake. But the more time I spend with him, the more I realize first impressions aren't always true. Emerick The last thing I should be doing is giving advice. My dad's in prison, my mom's buried under his credit card debt, and me? I'm one wrong move from getting kicked out of school. After an almost-proposal and the loss of someone close to her, she's less-than-sure about her future. How can she convince the man she loves that she's there to stay when everything he wants seems just out of reach? **Always Anika** Kelsie Stelting, 2018-03-31 Falling in love with someone she's never laid eyes on wasn't part of Anika's plan. A senior boy broke her heart freshman year, and she's avoided love ever since, but an English assignment makes that almost impossible. Cue Shawn Adams, Anika's military pen pal. He's sexy, he's kind, and every letter he writes makes Anika like him even more. Her plans get even more off-track when Kyle Rayford, the newly-single, blond basketball star asks Anika out on a date. For a girl who didn't believe in soulmates, Anika's having a hard time deciding between the two loves of her life. Will she choose the steamy man in uniform who's written her beautiful letters, or the reliable guy who's afraid to lose her? Or, will her broken heart ruin her chance at love?

**Unfair Catch** Kelsie Stelting, 2018-02-28 Get ready to fall in love all over again: with self-discovery, handsome cowboys, and the unbreakable bonds of female friendship. After losing her dream job in Austin, Savannah Dondi has to do the unthinkable: move back to her small hometown. Living minutes from her parents and working in her aunt's beauty parlor isn't exactly the glamorous life she had planned. But being home comes with unexpected perks. When she sees Hudson McAllister at the local rodeo, he's even better than she remembered. Tall, lean, and clinging to a bucking horse. She only wishes she'd held onto him so tightly. Her misguided feelings for Rhett Lane had ruined it then, and if she doesn't stop herself from falling back in love with Rhett, he'll come between her and Hudson this time too. Avoiding him in a small town will be hard, though. Especially since their best friends are in love. A second chance with Hudson would make all her troubles worth it, but resisting Rhett might be more than Savannah bargained for.
