**The Perennials** Mauro F. Guillén,2023-08-22 Get the best from accelerating social change with the new book from the bestselling author of 2030 and “acclaimed thought leader” (Kirkus), Mauro Guillén. Adam Grant praises how the book invites us to rethink our careers, our families, and our future plans.” Find out why business leaders and bestselling authors around the world are calling the book sharply relevant and necessary (William P. Lauder), insightful and deeply researched (Richard Florida), and A must read (Mohammed A. El-Erian). In today’s world, the acceleration of megatrends – increasing longevity and the explosion of technology among many others – are transforming life as we now know it. In *The Perennials*, bestselling author of 2030 Mauro Guillén unpacks a sweeping societal shift triggered by demographic and technological transformation. Guillén argues that outmoded terms like Boomers, Gen X, Millennials, and Gen Z have long been used to pigeonhole us into rigid categories and life stages, artificially preventing people from reaching their full potential. A new postgenerational workforce known as “perennials” – individuals who are not pitted against each other either by their age or experience – makes it possible to liberate scores of people from the constraints of the sequential model of life and level the playing field so that everyone has a chance at living a rewarding life. Guillén unveils how this generational revolution will impact young people just entering the workforce as well as those who are living and working longer. This multigenerational revolution is already happening and Mauro Guillén identifies the specific cultural, organizational and policy changes that need to be made in order to switch to a new template and usher in a new era of innovation powered by the perennials.

*We Are the Goldens* Dana Reinhardt, 2014-05-27 Reinhardt writes wonderfully about delicate, precarious human relationships, articulating dynamics I never noticed but which ring brilliantly true. The Goldens radiate charm, but beneath their charm is heartbreak, ambition, and delusion. There is so much to dissect and discuss here: this book will leave crowds of people eager to talk about the ending. --E. Lockhart, author of *We Were Liars* and *The Disreputable History of Frankie Landau-Banks* Nell worships her older sister, Layla. They're one unit, intertwined: Nellayla. As Nell and her best friend, Felix, start their freshman year in high school, on Layla's turf, there's so much Nell looks forward to: Joining Layla on the varsity soccer team. Parties. Boys. Adventures. But the year takes a very different turn. Layla is changing, withdrawing. She's hiding something, and when Nell discovers what it is, and the consequences it might have, she struggles. She wants to support Layla, to be her confidante, to be the good sister she's always been. But with so much at stake, what secrets should she keep? What lies should she tell? Award-winning young adult author Dana Reinhardt explores questions of loyalty, love, and betrayal in this provocative and intimate novel.

The Deliverance of God Douglas A. Campbell, 2009-08-07 This book breaks a significant impasse in much Pauline interpretation, pushing beyond both Lutheran and New perspectives on Paul to a non-contractual , apocalyptic reading of

many of the apostle's most famous, and most troublesome, texts. His strongly antithetical vision identifies participation in Christ as the sole core of Pauline theology and produces the most radical rereading of Romans 1-4 for more than a generation. Even those who disagree will be forced to clarify their views as never before.

**Matthew Henry's Commentary on the Whole Bible: Volume V-II - Mark - Luke** Matthew Henry, 2018-01-05 The twelfth book in this series, this text focuses on textual comments and believer edification of the gospel of Mark and Luke. Although the text isn't focused on textual research of a theological exegesis, the commentary does try to bring the ideas and assertions made by the disciples Mark and Luke in the days of the Messiah Jesus Christ in the nation of Israel. This book is handy for anyone who wants to read into commentary history as well as to get a good solid look at how the texts of Mark and Luke apply to our lives.

**Full Circle** Stephen Sutton, 2012 Full Circle is about revisiting past events in your life. It is about the reasons we do this and what benefits we get out of looking into the past. Why we relive special moments and how it helps us to cope with our
