

Long Chills And Case Dough

United States. War Department

Long Chills and Case Dough Brandon Sanderson, 2023-12

A Baker's Odyssey Greg Patent, 2007 In this book, I'm embarking on a different path, focusing on finding recipes that preserve the tastes and memories of a long-departed place.

Everything Chocolate America's Test Kitchen, 2020-01-28 Make your decadent dreams come true with this chocolate-covered collection of more than 200 foolproof recipes that showcase the treasured dessert ingredient--from delicious morning baked goods and pick-me-up treats to rich after-dinner delights for special occasions. Chocolate may be the most universally loved (and craved) flavoring, and *Everything Chocolate* is the definitive guide to any sweet treat you can imagine featuring it, for any time of day. Wake up with streusel-topped Chocolate-Walnut Muffins that are easy to make or professional-grade Chocolate Croissants when weekend time allows. Pack lunches with pleasing Milk Chocolate Revel Bars or serve Magic Chocolate Flan Cake or Chocolate Pavlova with Berries and Whipped Cream after dinner. Much of why we fall for chocolate is because it brings back memories of candy bar snacks and sneaking just-baked chocolate chip cookies while they're still warm (we have the best recipe). We channel the nostalgia in recipes like Chocolate Fluff Cookies and Frozen Snickers Ice Cream Cake. But chocolate is also a grown-up favorite for black-tie desserts--think low, lush slices like Blood Orange Chocolate Tart or ganache-enrobed Chocolate-Pecan Torte (we'll teach you how to get a perfectly smooth coating). The full range of chocolate recipes is here, avoiding the pitfalls of unbalanced chocolate flavor (too bitter or too sweet) or dry, crumbly baked goods (chocolate contains starch and we've learned how to mind it). Become a home chocolatier by learning all about chocolate nomenclature, how to shop for the best-tasting cocoa powder, when you should use chocolate bars versus chips, decorating dazzling desserts with chocolate, and how to make candies and cookies with shiny, snappy chocolate coatings with our shortcut to tempering.

Cookie Swap Julia M. Usher, 2020-05-29 Recipes and presentation and party ideas that will have you throwing incredible cookie swaps all year long. As a specialized form of potluck, a cookie swap has all the same traits that make a potluck so effortless to host. Guests share in the baking and cost burden by bringing their favorite recipes. *Cookie Swap* takes the popular idea of the cookie exchange party to new heights and new directions. This elegant entertaining book shows that the cookie swap is perfectly suited not only to holiday gatherings but also to garden parties, showers, children's birthdays,

summer get-togethers, and more. Themes and events include: Affairs of the Heart (Valentine's Day, Anniversaries, Birthdays), Spring Fling, Vision in White (Weddings), Fun in the Sun (Summer), Garden Parties, Deck the Halls (Christmas), and even a theme for going back to school! Usher's suggestions for transporting cookies via vintage lunch box or Christmas ornament box, and party ideas like dish towels imprinted with vintage postcards, are easy and ingenious, sure to appeal to fans of the Barefoot Contessa and Martha Stewart.— Publishers Weekly, starred review Filled to the brim with mouthwatering recipes and delectable photographs, Cookie Swap is a sweet treat to savor and celebrate.—Nancy Wall Hopkins, Deputy Food and Entertaining Editor, Better Homes and Gardens Magazine This creative book has become my new gold-standard guide to cookie decorating. Talented baker Julia Usher provides foolproof recipes and teaches us decorating techniques.— Tish Boyle, Editor, Dessert Professional(formerly Chocolatier) and author of The Good Cookie and The Cake Book

The Army Baker United States. War Department,1956

Case Studies in Geriatric Primary Care & Multimorbidity Management Karen Dick,Terry Mahan

Buttaro,2019-01-29 Awarded first place in the 2019 AJN Book of the Year Awards in the Gerontologic Nursing category second place in the Advanced Practice Nursing category. Gain expert primary care of older adults with a case-based approach to geriatric primary care and multimorbidity management Written by two leading academic and clinical experts in geriatric primary care, Case Studies in Geriatric Primary Care and Multimorbidity Management, 1st Edition uses detailed Exemplar Case Studies and Practice case studies to teach you how to think like an expert geriatric clinician. Because most older adults have more than one condition when seeking care, both Exemplar and Practice Case Studies place a strong emphasis on multimorbidity management, (the management of patients with a host of complex, interacting conditions). To provide extensive practice in learning how to think like an expert, case studies reflect the reality that care does not necessarily begin or end in the primary care setting, cases move fluidly from primary care to acute care to inpatient rehabilitation to assisted living to long-term care. Building on foundational introductory chapters, cases also call on you to develop interprofessional collaboration skills and reflect the diversity of today's older adults, in terms of age (young-old to old-old), gender, culture, ethnicity, sexuality, socioeconomic status, and more! As you work through both basic-level and advanced Practice Case Studies, you can make extensive notes in the printed book and then go online to submit answers for grading and receive expert feedback for self-reflection. - NEW! Introductory unit on the core principles of caring for older adults gives you a strong foundation in the principles of geriatric primary care and multimorbidity management. - NEW! and UNIQUE! Exceptionally detailed, unfolding Exemplar Case Studies demonstrate how an expert advanced practitioner thinks clinically to provide care to older adults with multiple conditions. - NEW and UNIQUE! Exceptionally detailed, unfolding Practice Case Studies emphasize patient diversity and multimorbidity management across healthcare settings to help you develop advanced clinical reasoning skills for geriatric primary care. - NEW and UNIQUE! Strong emphasis on

multimorbidity management focuses on caring for older adults with multiple chronic conditions. - NEW! Emphasis on the continuum of care across settings reflects the reality that care does not necessarily begin or end in the primary care setting but can move from primary care to acute care to inpatient rehabilitation to assisted living to long-term care, and so forth. - NEW! Online answer submission for grading and expert feedback for self-reflection. - NEW! Emphasis on patient diversity reflects the makeup of today's older adult, population in terms of age (young-old to old-old), gender, culture, ethnicity, sexuality, socioeconomic status, and more. - NEW! Emphasis on interprofessional collaboration use Exemplar Case Studies and Practice Case Studies to allow you to demonstrate your interprofessional collaboration skills.
