But, Marie Curie contended, Nothing in life is to be feared. It is only to be understood. Precise in nature, *Stuck...* takes you straight to the heart of life's customary stumbling blocks: your relationships, your job life, your frame of mind and your desire to have the life you dream of. To some, it's an express self-help book; to others, a travel guide for their life. Whether you're following the 12 Steps, looking for an honest, encouraging companion or a fan of inspirational quotes, you'll find 1,600 opportunities to gain new insights in this book - a book of rationale and challenge that you will want to keep handy or gift to someone for those everyday moments.
