## Ralph Keyes

*Quote Junkie* Hagopian Institute, 2008-06-22 Some of the greatest political quotes in the history of the world, featuring around 600 great quotes. A great book for political, and history junkies. This edition offers quotes from some of the greatest men and women in the history of the world, from all corners of the world. Enjoy!

They Never Said It Paul F. Boller Jr., John George, 1990-06-14 Abraham Lincoln never said, You cannot fool all the people all the time. Thomas Jefferson never said, That government is best which governs least. And Horace Greeley never said, Go west, young man. In *They Never Said It*, Paul F. Boller, Jr. and John George examine hundreds of misquotations, incorrect attributions, and blatant fabrications, outlining the origins of the quotes and revealing why we should consign them to the historical trashcan. Many of the misquotes are quite harmless. Some are inadvertent misquotes that have become popular (Shakespeare actually said, The best part of valor is discretion), others, the inventions of reporters embellishing a story (Franklin Roosevelt never opened a speech to a DAR group with the salutation, My fellow immigrants). But some of the quotes, such as Charles Darwin's supposed deathbed recantation of evolution, falsify the historical record with their blatant dishonesty. And other chillingly vicious ones, filled with virulent racial and religious prejudices, completely distort the views of the person supposedly quoted and spread distrust and hatred among the gullible. These include the forged remarks attributed to Benjamin Franklin that Jews should be excluded from America and the fabricated condemnation of Catholics attributed to Lincoln. An entertaining and thought-provoking book, *They Never Said It* covers a great deal of history and sets it right. Going beyond a mere catalog of popular misconceptions, Boller and George reveal how rightists and leftists, and atheists and evangelists all have at times twisted and even invented the words of eminent figures to promote their own ends. The ultimate debunking reference, it perfectly complements handbooks of quotations.

The New Yale Book of Quotations Fred R. Shapiro, 2021-08-31 A revised, enlarged, and updated edition of this authoritative and entertaining reference book—named the #2 essential home library reference book by the Wall Street Journal “Shapiro does original research, earning [this] volume a place on the quotation shelf next to Bartlett's and Oxford's.”—William Safire, New York Times Magazine (on the original edition) “The most accurate, thorough, and up-to-date quotation book ever compiled.”—Bryan A. Garner, Los Angeles Review of Books Updated to include more than a thousand new quotations, this reader-friendly volume contains over twelve thousand famous quotations, arranged alphabetically by

author and sourced from literature, history, popular culture, sports, digital culture, science, politics, law, the social sciences, and all other aspects of human activity. Contemporaries added to this edition include Beyoncé, Sandra Cisneros, James Comey, Drake, Louise Glück, LeBron James, Brett Kavanaugh, Lady Gaga, Lin-Manuel Miranda, Barack Obama, John Oliver, Nancy Pelosi, Vladimir Putin, Bernie Sanders, Donald Trump, and David Foster Wallace. The volume also reflects path-breaking recent research resulting in the updating of quotations from the first edition with more accurate wording or attribution. It has also incorporated noncontemporary quotations that have become relevant to the present day. In addition, The New Yale Book of Quotations reveals the striking fact that women originated many familiar quotations, yet their roles have been forgotten and their verbal inventions have often been credited to prominent men instead. This book's quotations, annotations, extensive cross-references, and large keyword index will satisfy both the reader who seeks specific information and the curious browser who appreciates an amble through entertaining pages.

**Maxims of James Abram Garfield, General, Patriotic, Political** James Abram Garfield, 2023-07-18 Maxims of James Abram Garfield is a collection of the 20th President of the United States's sayings, quotes, and aphorisms. Covering a wide range of topics, from politics to patriotism to morality, this book is a fascinating insight into one of America's most intriguing leaders. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

**White House Special Handbook** Mikhail Kryzhanovskii, 2007 Here is the book that guides the President of the United States from the first in the Oval Office and to the day he (or she?) walks out for the last time. In fact, the strategies and mindset recommended in these pages are essential tools for capturing the Presidency, much less wielding it. The international scene today is either a madhouse or the product of extraordinarily cynical techniques such as these, applied with cold cunning, by our nations leaders. This handbook provides a comparison of the world's premier intelligence agencies, discusses tactics of surveillance, war, and public persuasion, practical advice on political maneuvering at the local, national and international levels. A rational, results-based handbook, it is destined to be a secret favorite of politicians, agents of the special services, CEOs and corporate boards for the next hundred years to come. And for the many other ambitious contenders in the world of winner-take-all bare-knuckles capitalism. The author, who cites decades of insider knowledge at the KGB and the CIA, says he originally compiled this book upon a request from Washington anonymous, of course. - Publisher.

**The Life and Letters of James Abram Garfield: 1831-1877** Theodore Clarke Smith, 1925

A Biography of James A. Garfield Benson John Lossing, 1882

There are nearly 900 quotes that will help you through the best and worst times. Please enjoy, and share these quotes with your co-workers, friends and family.

**The Big Road** Highlander, 2023-04-26 It is the 1940s as Garrison Yokum grows up in Betsy Layne, Kentucky. He enjoys sitting on the back porch with his cousins, watching trains haul coal to big cities, dreaming of what lies beyond the mountains, and traveling along the "big road," also known as US Route 23, with his parents on Saturdays. But when Garrison is seven, work becomes even more difficult, dangerous, and precarious for his coal miner father, setting into motion a chain of events that ultimately leads them to Ann Arbor, Michigan, for a new life. From that point on, Route 23 becomes a focal point in Garrison's life. Decades later and now approaching retirement, Garrison makes another life-changing decision as he nears completion of a documentary on the migration of families from rural east Kentucky to the cities along Route 23. After he sets out on a road trip with his professional photographer granddaughter and two student interns, Garrison explores and captures life along the long, important American highway that helped many families secure better futures beyond the mountains of southern Appalachia. The Big Road is a generational story that documents the experiences of those who migrated from southern Appalachia to bigger cities in the north by way of a memorable American highway.

*The Quote Verifier* Ralph Keyes, 2007-04-01 Our language is full of hundreds of quotations that are often cited but seldom confirmed. Ralph Keyes's *The Quote Verifier* considers not only classic misquotes such as Nice guys finish last, and Play it again, Sam, but more surprising ones such as Ain't I a woman? and Golf is a good walk spoiled, as well as the origins of popular sayings such as The opera ain't over till the fat lady sings, No one washes a rented car, and Make my day. Keyes's in-depth research routinely confounds widespread assumptions about who said what, where, and when. Organized in easy-to-access dictionary form, *The Quote Verifier* also contains special sections highlighting commonly misquoted people and

genres, such as Yogi Berra and Oscar Wilde, famous last words, and misremembered movie lines. An invaluable resource for not just those with a professional need to quote accurately, but anyone at all who is interested in the roots of words and phrases, The Quote Verifier is not only a fascinating piece of literary sleuthing, but also a great read.

**Affairs of State** Robert P. Watson, 2012 In recent years, Arnold Schwarzenegger, Eliot Spitzer, John Edwards, Newt Gingrich, Herman Cain, and countless other politicians have made headlines for their sexual scandals. But such stories are not new. Indeed, there is a long history of misbehavior in politics, including in the nation's highest office. Bill Clinton, it can safely be said, was not the first president to misbehave, nor was he the worst. In fact, there is a long history of presidential peccadilloes. Many presidents have been influenced and had their careers affected by the hand of a woman, sometimes that of a wife or mother, but at other times that of a mistress. But these stories are rarely told. Instead, history has tended to glorify our leaders. Such a scrubbed version of the lives of presidents, however, omits their marital woes, love lives, and sexual peccadilloes. As Robert P. Watson reveals, it is precisely these intimate and all-too-human moments that provide some of the most valuable insights into our leaders. *Affairs of State* is not just about sex and scandal--the who did it of history--although such incidents are described in detail. It is a book about love, marriage, and affairs in the White House, offering an intimate character study of the First Couples who made history. To see the author discuss his book on Inside South Florida, please click [here](#). To see him discuss the book on C-SPAN, please click [here](#).

*And I Quote, Revised Edition* Ashton Applewhite, Tripp Evans, Andrew Frothingham, 2003-03-19 The popular guide to quotable quotes returns in a totally revised and updated edition including all-new material.

**Progressive Men, Women, and Movements of the Past Twenty-five Years** Benjamin Orange Flower, 1914

*Neck and Neck to the White House* Robert E. Kelly, 2014-01-10 Close presidential elections in the United States are measured, evaluated and remembered primarily by simple statistics. One can easily find out, for example, how many states in the electoral college were won by each presidential candidate, and by how much. But to stop there is to miss the most dramatic parts of the political contests. Why were the votes so close? What issues split the electorate? Was it the behavior or the reputation of the candidates? This book answers these questions and more, identifying and examining 12 of the closest elections, from the 1796 battle between John Adams and Thomas Jefferson to the contested 2000 election between George W. Bush and Al Gore.

**Los Angeles School Journal**, 1927

Lives of James A. Garfield and Chester A. Arthur Homer H. Swaney, 1881

**Reclaiming the Political Process** Ray Miller, 2024-04-24 Disciples of Christ in America must live out and express their faith in practical, meaningful ways in the "real world" including the political process. Our failure to provide leadership in our culture and the political process has resulted in the many negatives that are now taking place in the US. Believers must see

engagement with the political process as a natural expression of their relationship with God. Ray Miller suggests practical and holistic ways in which we can live out our faith through this involvement and become engaged long-term in the political process.

**The Federalization of Corporate Governance** Marc I. Steinberg, 2018-02-23 This book focuses on the federalization of corporate governance in the United States from both historical and contemporary perspectives. Although the states traditionally have regulated the sphere of corporate governance - encompassing the relations among and between the subject corporation, its directors, its officers, its stockholders, and other stakeholders - federal law today impacts the governance of publicly-traded companies to a greater degree than ever before in U.S. history. This book discusses the evolution and development of corporate governance from a federal law perspective from the commencement of the twentieth century to the present. It examines the tension between state company law and federal law, analyzes the federal historical developments, explains the ramifications of the federal legislation enacted during the past two decades, and recommends corrective measures that should be implemented. The book accordingly provides an original, historical, and contemporary analysis of the federalization of corporate governance - a subject that impacts this country's economic well-being in a very fundamental way.

**The Diary of James A. Garfield: 1878-1881** James Abram Garfield, 1967 (Partial summary) The early part of volume 2 covers Garfield's visit to the Bitterroot in 1872. Includes information on Chief Charlot, Chief Looking-Glass, Chief Eagle-Against-the-Light, Jocko Reservation, and Father Lawrence Palladino.
