Rise of the Assyrian Russell Redden,2006-07 This book interprets Biblical prophecy according to Bible passages ignored by the majority of Eschatology teachers today! Many prophets wrote in the Old Testament that the Messiah would come from the heavens to defeat a wicked king from Assyria--modern day Iraq. Discover what the Bible really teaches about the Antichrist and Biblical prophecy. The little horn will not become the president of the world, but a tyrant who will be given military support by the nations of the world to drive Israel from Judea and half of Jerusalem. This act will cause the little horn to rise in power throughout the Middle East, establishing a new Babylonian Empire.

Underground Church Brian Sanders,2018-03-06 What If the Church Truly Empowered People to Engage in God's Mission? Something extraordinary has been happening in Tampa, Florida. A new expression of the church has been quietly growing. It's something of an experiment, but over the last ten years the church has been validating its ideas with sustained and growing results. At The Underground, being the church is not focused around a weekly gathering or church programs. It's about empowering individuals to respond to God's call to ministry and mission, especially to the poor and disadvantaged in our midst. While many churches talk about discerning calling and engaging in mission, very few are structured to make this their ministry focus. Underground Church is a new vision for the church rooted in its biblical mission to share the love of God and serve the poor. Sanders explores how to make structural changes, how to think about leadership, how to fund ministries, and how to truly engage people in God's mission. Filled with creative insights, he explains what it means to center the mission of the church around the callings of individuals to outward ministry - whether that involves leading Bible studies in the workplace, feeding the homeless, or working to free women and children from sex trafficking. This book will both tell the inspiring story of a church that is rethinking what church looks like while also outlining and uncovering the principles that transfer for every church and Christian community that hopes for more. It's the true story of a 10-year experiment that unpacks the possibilities of a church structured and streamlined for mission. X

Attainable Perfection Michael W. H. Holcomb, 2009-10 Yes, the Bible teaches perfection, but not your kind of perfection. Hey, that is good news! With his to-the-point writing style, Michael Holcomb exposes what he calls forbidden perfection (false, fallen-nature ideals that all humans impose upon themselves) and presents you with Heaven's liberating views on life and reality. He notes that there are, in fact, high and holy standards expected of mankind, but shows you how God, through Jesus Christ, has made them completely within reach. The author also brings out significant yet neglected principles of Christian maturity and boldly challenges the Church to abandon the relaxed but corrupting message of me-ism for the strength and excellence of a biblical, Spirit-filled focus. Perfection. It's not what you think but it's the very goal you need.

Child of God, Delight in Him Caranita Wolsieffer, 2017-05-22 Child of God, Delight in Him combines God's names with mind mapping to explore new paths for prayer, worship, and inductive Bible study. The thirty-two creative clusters are colorful structures that compress yet expand, contain yet perpetuate, and simplify yet mystify. Once readers learn to unpack the maps, they will be amazed by the blessings of spiritual growth. Various activities reinforce the comprehension and memorization of God's names and scripture references. Each map provides its own paths to color while the pages of creative responses can be filled with artwork, journaling, poetry and songs. The illustrations accompanying the story of Carrie's butterfly, Joy, provide hours of enjoyable coloring. The workbook can be used individually or adapted easily for prayer, worship, and Bible study groups. Since God's names are infinite and the journey has just begun, the author hopes that fellow travelers will create their own maps.

Acknowledge that without the help of the Holy Spirit, it won't be done. The Nonviolent Apocalypse Jeffrey D. Meyers, 2021-11-08 Revelation is resistance literature, written to instruct early Christians on how to live as followers of Jesus in the Roman Empire. The Nonviolent Apocalypse uses modern examples and scholarship on nonviolence to help illuminate Revelation's resistance, arguing that Revelation's famously violent visions are actually acts of nonviolent resistance to the Empire. The visions form part of Revelation's proclamation of God's way as a just and life-giving alternative to the system constructed by Rome. Revelation urges its readers to pursue this radical form of living, engaging in nonviolent resistance to all that stands in the way of God's vision for the world.

Deceptions of the New Theology Colin D. Standish, Russell R. Standish, 1989 Biblical archaeologists have gathered data with painstaking effort. Their work proves the accuracy of the Bible. However, the most sought-after biblical artifacts have eluded them. Yet mostly within a single decade, Ron Wyatt has claimed discovery of all these and much more. He has sought out and claimed the most amazing biblical sites and relics. In this book the authors examine Wyatt's claims in detail.

Society in Freefall Wayne E. Kabanow, "The religious landscape is littered with theories, predictions, assumptions, and speculations. Society in Freefall cuts through the clutter and delivers a much-needed analysis of the Bible's great, overarching themes, connecting the reader with a reliable understanding of the vital subjects relevant to where we are in the stream of history. Although time is running out for Planet Earth, eternity beckons. This book will provide you with an explanation, encouragement, and inspiration as you journey towards the future God has prepared for you." John Bradshaw President, It Is Written "If there exists somewhere in the universe an all-knowing, all-powerful, and all-present God who has a

message for you during the final plunge of earth's history, would you want to know that message? The reality is God does exist, and His heart is filled with love and compassion for you, and He has sent you a message of hope. That message is found in the fourteenth chapter of the book of Revelation. This book unpacks that message. You will experience fear being replaced by love, suspicion by trust, and anxiety by hope." Wayne Kablanow Author

Blessed Are the Poor in Spirit Evangelist John Henry Manigo, 2015-10-21 One book or three books: My main interest is to help the deaf, hard of hearing, and hearing people understand the Word of God and to apply it to their own life with God's help. It also gives us, as well as the hearing people, encouragement, help, and inspiration from the Word of God and tells us to receive the Word of God by faith. My main reason for writing the Trinity is to show the example of God, Jesus, and the Holy Spirit as one and believe that God is One. I also write Trinity for various reasons and put down Bible verses to help match the Old Testament and New Testament that speak the same thing to show them the Bible in fact is real. God's Word is very real. I write the main points because I have heard in the past about their belief, their teaching, and their faith in God, and I am willing to write down what they say and that the Bible has all the answer to our need and purpose. I have studied the Bible for forty-five years, seeking answers and being able to explain better from God's teaching, from God's Word. Whenever I hear people talk about their faith in God, I write down Bible verses to help inspire their life positive. It would help all of us to grow in grace through our Lord Jesus Christ. He has the answer to all our problems. My main point is to help them know that they can be saved through Jesus Christ by faith in him alone. Only in him shall we be saved. Be blessed! Evangelist John H. Manigo 1 Corinthians 6:19-20

God’S Law Captain Sonny Paago, 2012-05-10 All the gratitude the author offers to the LORD Jesus Christ, the Creator of

the heavens and earth and all the things in it the Redeemer of all sinners, who sustains the life of every person who believes in Him, for the opportunity that He gives to complete this book. This book is focused on the understanding of God's Law, which He gave to the children of Israel, and which He Himself has written on the two tablets of stone, but has been perverted by the Scribes. However, it was straightened by Jesus Christ in His teachings and prayer, and in His dialogues with the leaders of Jewish religion. May this book be a benefit to every reader who will surely be led by the Holy Spirit to obey what the Lord has commanded and will not be confused by human teachings, which have many times been perverted from the Word of the Lord.

The Parousia of Jesus James O. Ellithorpe, 2015-11-17 Throughout the ages, various celestial and non-celestial phenomena have featured images portraying the nearness of the end of days or, in the New Testament, the Parousia which means the appearance of the second coming of Jesus. Many of these images and concepts are often misunderstood or misapplied. A primary purpose of this book is to correct the errant concepts believed to be true by many people because incorrect doctrine and teaching can have disastrous results. Many people today believe we are living in tumultuous times. However, to set or fix a precise date for the return of Jesus is unbiblical. This book will present a completely different view than what is commonly believed about the end times. By blending the concepts of many schools of thought and outright challenging others, the goal of this book is to help people understand the variety of views on the topic. In short, this book should be read first and then compared with what others are teaching and saying.

'*Gold Tried in the Fire*'. *The Prophet Theaurau John Tany and the English Revolution* Ariel Hessayon, 2016-12-05 This is a study of the most fascinating and idiosyncratic of all seventeenth-century figures. Like its famous predecessor *The Cheese and The Worms: The Cosmos of a Sixteenth-Century Miller*, it explores the everyday life and mental world of an extraordinary yet humble figure. Born in Lincolnshire with a family of Cambridgeshire origins, Thomas Totney (1608-1659) was a London puritan, goldsmith and veteran of the Civil War. In November 1649, after fourteen weeks of self-abasement, fasting and prayer, he experienced a profound spiritual transformation. Taking the prophetic name Theaurau John Tany and declaring

himself 'a Jew of the Tribe of Reuben' descended from Aaron the High Priest, he set about enacting a millenarian mission to restore the Jews to their own land. Inspired prophetic gestures followed as Tany took to living in a tent, preaching in the parks and fields around London. He gathered a handful of followers and, in the week that Cromwell was offered the crown, infamously burned his bible and attacked Parliament with sword drawn. In the summer of 1656 he set sail from the Kentish coast, perhaps with some disciples in tow, bound for Jerusalem. He found his way to Holland, perhaps there to gather the Jews of Amsterdam. Some three years later, now calling himself Ram Johoram, Tany was reported lost, drowned after taking passage in a ship from Brielle bound for London. During his prophetic phase Tany wrote a number of remarkable but elusive works that are unlike anything else in the English language. His sources were varied, although they seem to have included almanacs, popular prophecies and legal treatises, as well as scriptural and extra-canonical texts, and the writings of the German mystic Jacob Boehme. Indeed, Tany's writings embrace currents of magic and mysticism, alchemy and astrology, numerology and angelology, Neoplatonism and Gnosticism, Hermeticism and Christian Kabbalah - a ferment of ideas that fused in a millenarian yearning for the hoped for
