Hell and Back Optimum Vizhan,2020-09-21 This is my Hell and Back story. I was in two wars; one with Korea and one with my wife. My story starts during the Great Depression of the Twentieth Century; on my father's self-sustaining farm. Before the age of five, my family's pet sheep, rammed my forehead into the tractor's steel wheel; leaving a visible "V" scar, on my head for the rest of my life. This "V" was proof; that God would give me victory, over hell throughout my life. Be it near death experiences; on the farm, in war, driving vehicles, building homes, marriage, heart attack, multiple bypasses and the lost of my free movie sweet heart. I learned how to be at peace with myself and God. This peace allowed me to face my hells head on; witness God walking me through them, establish me again and take me through the next season of my life. My Story finishes, with it being a navigational inspiration tool; that guides us and the generations to come, through our hell and backs. Included are my Hell and Back Survival Tips™ that guided me through my two wars. Plus the Law of Unconditional Love, I discovered while in my two wars.

Fate makes a surprise appearance several months later in the form of a pregnancy, and the couple decides to get married. In this compelling tale, two unsuspecting young lovers have

no idea that an unspeakable tragedy is about to strike, rending the delicate fabric of their family and causing an upheaval that may tear them apart forever.

Behind my front door Truusje van Zanten,2024-08-02 In her own words, and in a clear voice, Truusje van Zanten describes how she fell for the wrong man, how she and her children became victims of domestic violence and how she freed herself from his claws. In this true story, she does not spare herself, nor the institutions she has to pick a fight with for her own good, but above all for the sake of her children. Now and then she finds an audience for her cry for help, but also a lot of misunderstanding. Obstacles will be overcome and little by little, she pays off all her debts. But the threat of her abusive husband hangs over them as a dark cloud The outcome is uncertain. How will her children develop? Truusje wrote this story to be able to share it with the world and especially with all other victims of domestic violence. They can find support in this book, but so can the institutions that were involved in her 'case'. The book is not an indictment, but a report about deep pain and maybe it offers hope.

'Til Times Get Better Elle Louise,Arista,2022-09-13 Heart wrenching book with triumph over tragedy. Elle found the inner strength and courage to move beyond the devastation that surrounded her. A soul touching read...definitely a 5. - America K. West Palm Beach, FL This book left my heart hurting for Elle and children like her. The family members each hid their own lies and shame... It inspired me to know these same children can become the strength of the world. What we (I) do matters! ... - Jean B. Round Lake, IL From her earliest childhood memories until the age of 17, Elle fought a battle that didn't

belong to her but to adults. At 4, she was removed from her parents due to physical abuse...and that was just the beginning. Elle quickly learned how to survive each situation she was given: adoption, foster care, abandonment, sexual, physical, emotional abuse, secrets, and later the search and rejection by her biological father. She was always able to hide under a smile of masks at school. But everything changed the night her father put a gun to her head. That was the defining moment. Elle realized if she didn't take things into her own hands and escape the abuse, she would probably end up dead. This memoir is the true story of Elle's journey to save her own life and begin a new one. It is an inspiring voyage of relentless courage, self-reliance, and most of all forgiveness. Through her darkest challenges she never lost hope. She found that love and life can still exist if you never give up and remain steadfast in your personal quest for healing. Elle fought being a victim and became a "Survivor."

The Identity Revolt Robert Hupsel, 2022-04-06 The future will always be yours, and no matter what, you will be the only one in charge of it. However, in our childhood, our destination is something unpredictable, because someone might set or draw an uncertain line that would make big impact to our future. How would you feel when you see that you are the only one different? The real story takes place in 1958 in São Miguel Paulista, Brazil. The display in me cover book reveals that the Identity Revolt is dragged by a huge balloon, carrying so many secrets, involving several people who only see their side, who do not worry if they will hurt someone or not especially of their own blood. As it was mentioned above, Richard's future had so many plots without any remorse. He starts to face the effect of those plots, even when he was only five years old, growing on a totally and completely different neighborhood that had nothing to do with his native way. His story was hiding for more than two decades. After many things tried to direct him which way to go, he realized that he needed to put an end to that mystery. He decides go and uncover about everything that was creating a huge revolt about of his own identity, which was the starting point, which was on the other side of the world, a different country with a different language and culture. That decision took him to find out the whole truth about his identity, and it almost cost him his life, when he ended up in a deep comma, after he discovered all terrible things, especially where he came from. He did whatever it took to gain back all his power, and everyone involved in that mystery, one way or another, has paid for what they did, the hard way, but they did. The strange thing was that after many years, they realized what they had lost, so they tried to get closer to Richard, but he didn't want to get involved with them; after all he wanted to forget all those people and live in peace with only one identity

SEVEN STARR RANCH Terrence Absher, 2016-04-13 In the northwest part of Nevada there is a large home ranch. This ranch, in this book, is called the Seven Starr Ranch. I knew one of the out ranch managers. My children and his wife played in town and during hunting season I was permitted to sleep in the bunk house and hunt on the property for many years. On one trip we went to the home ranch. It was there I saw the store house, children play areas, homes for the employees, and the main ranch home. This experience later came to my mind as a movie and I wrote the Seven Starr Ranch.

Boying Up Mayim Bialik, 2018-05-08 Mayim Bialik, star of The Big Bang Theory and author of the #1 bestseller *Girling Up*, puts her Ph.D. to work to talk to teen boys about the science and pressures of growing up male in today's world. A must-have book for all teenage boys! Why does my voice crack like that? What should I eat to build muscle? How do I talk to someone I have a crush on? What do I do if someone calls me names or bullies me? Growing from a boy to a man is no easy task. Bodies are changing, social circles are evolving, hair is appearing in places it never was before -- and on top of it all, there's the ever-present pressure to conform to the typical idea of what it means to be manly and masculine. But it's easier to do if you're armed with facts. Using personal anecdotes as an overly observant mother of two boys and plenty of scientific information from her life as a neuroscientist, Mayim Bialik, PhD, star of The Big Bang Theory, talks directly to teen boys about what it means to grow from a boy to a man biologically, psychologically, and sociologically. Using the same cool, fun, and friendly tone that she took in *Girling Up*, Mayim takes boys--and their parents!--through the challenges and triumphs of *Boying Up* today. In six sections (How Boys Bodies Work; How Boys Grow; How Boys Learn; How Boys Cope; How Boys Love; and How Boys Make a Difference), she takes a look at what it means for boys to come of age in today's world, how can they take control of their paths, and what can they do to help shape the types of futures they want for themselves. Praise for *Boying Up*: A matter-of-fact mirror that reflects reality and respect, not bewildered embarrassment. --Kirkus Reviews *Boying Up* hits all the hot spots and should be included in tween and teen library collections. --VOYA

Life In An Elevator Patricia Osborn,2011-09-28 Laid off, jobless, homeless and over 60. Sound like fun? It shouldn't, but imagine our surprise when, after my husband and I moved back home to live with my 85-year old mother, we discover that things are actually pretty darn funny most of the time. This is because my Mom still thinks I'm her brainless, 12-year old daughter and Bill, as the lone man of the house, has been elevated to the status of resident God. Add to this is the wonderfully wacky world of early onset retirement in Sin - oops - Sun City, Arizona and life goes from funny to hysterical.
