Free Billionaire Romance: The Sons of Sin Short Stories Michelle Love,2020-10-07 Enjoy this FREE bad boy short stories by Best-selling billionaire romance author Michelle Love.... The Sons of Sin Short Stories is a collection with an international cast of beautiful people, stunning locations, dark storylines, and hot, hot sensual romance! 1 - Taylor's Tryst: A Dirty Little Secret Extra Some may call it stalking; I called it lining up the woman I would tame next. Little Taylor Swenson made me hot in ways no one ever had. Taking slaves had been my way for years. Taylor wouldn't be taken as one, and I could see that from the start. Secrets and lies were a necessity for me. Could I make her my last secret? Could I bind her to me? Could I silence her, using only my body and special talents? 2 - Taking Cher: The Virgin's Baby Extra The way her dark hair hung in limp, damp strands around her expressionless face lured me to a place I'd tried to stay away from ... Being a new hire from Boston Arts Academy, I found myself in Lubbock, Texas, working as the newest professor of Ancient Arts at Texas Tech. I wanted to leave my old life behind. Way behind. Trouble had a way of finding me, but I thought a place as big as Texas would hide me well enough. Until she walked into my classroom, rain-soaked, shaking with the cold, and utterly clueless to the predator who would lead her down a path of absolute destruction. Or that's how I thought at the time. Could she be the one woman on Earth who could tame the beast who resided within me? 3 - Valerie's Revenge: His Secret Virgin Extra A girl's gotta do what a girls gotta do ... He walked into the classroom and every girl's eyes went to him. Tall, seductive, muscles that just wouldn't quit. When the girl who sat next to me called dibs, I laughed. When she glared at me, I thought twice about what I'd done. When she forced herself on the new guy, I thought I'd better get him out of her nasty-ass clutches before he got something incurable from her. Love wasn't a thing I'd even contemplated, but sometimes things happen that you never see coming.

Anthology of the Biblical Revolution Evolution Series Michael Stansfield,2020-02-13 As primitive civilization developed, society has established cornerstones in our thought and reasoning. Things we are told repeatedly as fact from birth and are thus believed instinctively. Many of these cornerstones now date back many millennia such as the Bible. The BER Series takes a candid look into the Bible to explore how the theological beliefs within Institutional Religion have affected society in diabolical ways. These books also challenge the church's theological cornerstones to prove that they deviate from the Bible and truly have an obscured understanding of the Divine. Thus, the goal is to bring an overdue debate to organized religion.

The hope is to remove the barriers that deny humanity the evolution of our species. No topic is out of bounds. A person could listen to ten lifetimes of sermons and never get even a fraction of the candor of these books. Love them or hate them, you will be unable to put them down and you will never see the World or the Divine the same way again.

Nicene and Post-Nicene Fathers First Series, St. Augustine Philip Schaff,2007-05-01 The Council of Nicaea in 325 AD marked the beginning of a new era in Christianity. For the first time, doctrines were organized into a single creed. The Nicene and Post-Nicene Fathers did most of their writing during and after this important event in Church history. Unlike the previous era of Christian writing, the Nicene and Post-Nicene era is dominated by a few very important and prolific writers. In Volume VI of the 14-volume collected writings of the Nicenes and Post-Nicenes (first published between 1886 and 1889), readers will find Saint Augustines exegesis on the Gospels and the Sermon on the Mount, which strove to interpret and draw meaning out of the text without incorporating the author's personal agenda or bias. Also included in this volume are a selection of Augustines sermons.

Unspoken Sermons, Series I., II., and III George MacDonald,2022-05-28 George MacDonald's Unspoken Sermons, Series I., II., and III presents a profound exploration of Christian theology and spirituality, rendered through a poetic and contemplative prose style. Comprising a collection of sermons delivered in the mid-nineteenth century, MacDonald addresses the ineffable nature of faith and divine love, challenging his contemporaries' traditional dogmas. His writing, imbued with allegory and rich imagery, invites readers to reflect deeply on the complexities of their own faith journeys and the transformative power of grace. MacDonald, a pioneer of the fantasy genre and an influential figure in the Scottish literary renaissance, was significantly impacted by his own struggles with faith and his experiences in the Unitarian church. The author's background as a minister, alongside personal encounters with the concept of divine love and human suffering, fueled his conviction that true spirituality transcends mere theological discourse. This synthesis of personal and communal spirituality underpins the heartfelt messages throughout the sermons. I highly recommend Unspoken Sermons to anyone seeking a thought-provoking examination of spiritual themes that resonate across time and tradition. MacDonald's eloquent prose not only enriches the reader's understanding of Christian faith but also invites introspection and personal growth, making this collection a timeless addition to any theological library.
