The book draws on the deep wisdom and invites readers into growing spiritually through meditation and working on themselves every day.

The God Who Hears James Merritt,2024-03-05 Praying for God's Power in Your Times of Need Life's storms serve as sharp reminders of our profound need for God's strength. But how do we pray when the trials we face bring us to our knees? And how do we cry out to God when we don't know how to put our heart's trouble into words? From author and pastor James Merritt, *The God Who Hears* is a 40-day journey designed to help you seek the Lord in every circumstance. Guiding you through the apostle Paul's prayers from prison, Dr. Merritt illuminates how these petitions and praises provide a model for communicating with God today, enabling you to draw nearer to him as you trust his perfect ability to meet your every need.

No matter the challenges you face, *The God Who Hears* is an inspiring reminder of the power and privilege the Lord has given us through prayer. Rooted in Scripture, this encouraging devotional provides insightful teaching and practical takeaways, equipping you to pray through hardship with clarity and confidence.

Cyber Worship in Multifaith Perspectives Mohamed Taher, 2006 *Cyber Worship in Multifaith Perspectives*, as is implied by its name, explores worship (i.e., Prayer, Praise, Scripture, Sacrament, Rituals, Confessions, Eucharist, Rites, Pilgrimages, Reflection, Contemplation, etc.) on the Internet. It is not an 'everything you need to know' guide about the subjects of faith and belief, religions-online, religions on the Net, or religions in cyberspace. Rather, it is a book about religious and spiritual experience under the rubric, cyber worship, which is the variety of ways religious devotion is performed and carried out on the Internet. The term 'Cyber Worship' is a catchall phrase, which includes variants such as online worship, virtual worship, electronic prayer, cyber puja, cyber synagogue, and so on. Dr. Mohamed Taher has thus assembled a quick reference for two groups: those communities that are involved in Cyber Worship and business Webs that collaborate in sustaining wired environments. As such, this book provides an interesting and current perspective on a practice that will continue to grow in the future.

Journey through the Power of the Rainbow: Quotations from a Life Made Out of Poetry Aberjhani, 2014-05-28 More than a book of popular quotes, this volume is a powerful reference tool for some of the most frequently-cited poems, news articles, fiction, memoir, history, and creative nonfiction on the web. It also provides the largest single selection of

quotes by the author, many available only in these pages, including the entire special section titled TAO OF THE RAINBOW. In addition, the book as a whole demonstrates the ability of social media such as Twitter, Facebook, Tumblr, and Google+ to help make positive and inspiring differences in 21st-century life. Journey through the Power of the Rainbow represents a condensed compendium of literary efforts from a life dedicated to transforming the themes of injustice, grief, and despair that we all encounter during some unavoidable point of our existence into a sustainable life-affirming poetics of passionate creativity, empowered spiritual vision, and inspired commitment. --Aberjhani, from Journey through the Power of the Rainbow

The Bible and Bob Marley Dean MacNeil,2013-08-27 With a Bible and guitar, Bob Marley set out to conquer the world of popular music. Rising from humble origins to international stardom, he worked tirelessly to spread a dual message of resistance and redemption--a message inspired by his reading of scripture. Marley's constant reliance on the Bible throughout the stages of his artistic and spiritual paths is an integral part of his story that has not been sufficiently told--until now. This is the first book written on Bob Marley as biblical interpreter. It answers the question, What light does biblical scholarship shed on Marley's interpretation, and what can Marley teach biblical scholars? Focusing on the parts of the Bible that Marley quotes most often in his lyrics, MacNeil provides a close analysis of Marley's interpretation. For students of Marley, this affords a deeper appreciation and understanding of his thought and his art. For students of scripture, it demonstrates the nature of Marley's unique contribution to the field of biblical interpretation, which can be appreciated as an excellent example of what R. S. Sugirtharajah calls vernacular interpretation of scripture.

Subversive Spirituality L. Paul Jensen,2009-08-01 Subversive Spirituality links the practice and study of Christian spirituality with Christian mission. It develops a twofold thesis: grace, spiritual disciplines, and mission practices are inseparably linked in the mission of Jesus, of the early church, and of several historical renewal movements, as well as in a contemporary field research sample; and amidst the collapse of space and time evidenced by our culture's increasingly hurried pace of life, more time and space are needed for regular solitary and communal spiritual practices in church, mission, and leadership structures if Christian mission is to transform people and culture in our time. This requires a subversion of the collapsed spatial and temporal codes that have infected our Christian institutions. Jensen employs methods and approaches from a variety of academic disciplines to explore both spirituality in terms of space and time and mission in terms of deed and word. Specifically, Jensen examines the spirituality and mission of Jesus, the early church, the apostolic fathers, Origen, the Devotio Moderna, the early Jesuits, David Brainerd, and several women in 19th century Protestant

missions. He considers the spirituality and mission that have arisen within the postmodern generations born after 1960. Based on the theological, historical, cultural, and field analyses of this study, a model for spirituality and mission is proposed. The model addresses the contemporary collapse of space and time and appears to have widespread applicability to diverse cultures and eras. Jensen's model is applied to the pluralistic and postmodern milieu of North America with recommendations for spirituality and mission in church, mission, and educational structures. A derivative model for teaching and practicing spirituality and mission in the academy, which also has application for non-formal leadership development structures, is also proposed.

American Directory of Writer's Guidelines ,2007-02 Perhaps the best-kept secret in the publishing industry is that many publishers--both periodical publishers and book publishers--make available writer's guidelines to assist would-be contributors. Written by the staff at each publishing house, these guidelines help writers target their submissions to the exact needs of the individual publisher. The American Directory of Writer's Guidelines is a compilation of the actual writer's guidelines for more than 1,700 publishers. A one-of-a-kind source to browse for article, short story, poetry and book ideas.

Shakespeare's Religious Language R. Chris Hassel Jr.,2015-03-26 Religious issues and discourse are key to an understanding of Shakespeare's plays and poems. This dictionary discusses over 1000 words and names in Shakespeare's works that have a religious connotation. Its unique word-by-word approach allows equal consideration of the full nuance of each of these words, from 'abbess' to 'zeal'. It also gradually reveals the persistence, the variety, and the sophistication of Shakespeare's religious usage. Frequent attention is given to the prominence of Reformation controversy in these words, and to Shakespeare's often ingenious and playful metaphoric usage of them. Theological commonplaces assume a major place in the dictionary, as do overt references to biblical figures, biblical stories and biblical place-names; biblical allusions; church figures and saints.

Monthly Entries for the Spiritual but not Religious through the Year Mark G. Boyer,2022-08-30 This is a book about spirituality for the spiritual but not religious. Those who identify themselves as spiritual but not religious make up one quarter of the population in the United States. This book provides 189 monthly entries based on the national and international celebrations that occur every month. Each entry begins with the name of the occasion and the date when it is marked during the month. A text from the Bible, a US public law, a presidential proclamation, a United Nations declaration, etc. that illustrates the day is presented. The text is followed by a reflection which gleans the spirituality from the text and provides historical background on the day being celebrated. Journal/meditation questions follow the reflection, and a prayer concludes the entry. This book is for the spiritual but not religious, a practice of spirituality that does not regard organized religion as a valuable means to further interior spiritual growth. A section of the introduction to the book explores who the spiritual but not religious are and presents the common themes that surface from research about them.
