In My Blood Cheryl Koenig OAM, 2019-06-01 An extraordinary life, from ordinary beginnings. Optimism, resilience, audacity, hope, surviving daily challenges for themselves and those they love; carers embody all of these qualities. Cheryl's is a story about never giving up, nor giving in. Most importantly, however, it is a love story that knows no limits. It is the sequel to her fourth book, *With Just One Suitcase*, where she met her soulmate, Rob, at fifteen and is still happily married to him after a turbulent life where hers, and her eldest son's mortality was questioned. With her fearless spirit, Cheryl reveals the mindset that helped her survive, along with some courageous admissions regarding her perceived character flaws. But despite her frankness in discussing life after blood cancer, she is not a victim. Cheryl is an exemplar of her belief that the world is full of unknown achievers who have found a way to stay hopeful despite being fractured on life's battlefields. They each demonstrate that the path of a champion lies within. They each are resilient. 'For everything each life crisis has taken from us, something of greater value has been given. Ultimately the choice belongs to us, not fate, to determine how we

respond to trials; to determine our own quality of life,' Cheryl says.
