

# The Last Carolina Girl

**Virginia Kantra**

*The Last Carolina Girl* Meagan Church, 2023-03-28 Unforgettable, this a powerful debut to savor. — Kim Michele Richardson, New York Times bestselling author of *The Book Woman of Troublesome Creek* A searing book club novel for fans of *Where the Crawdads Sing* and *The Girls in the Stilt House* following one girl fighting for her family, her body, and her right to create a future all her own Some folks will do anything to control the wild spirit of a Carolina girl... For fourteen-year-old Leah Payne, life in her beloved coastal Carolina town is as simple as it is free. Devoted to her lumberjack father and running through the wilds where the forest meets the shore, Leah's country life is as natural as the Loblolly pines that rise to greet the Southern sky. When an accident takes her father's life, Leah is wrenched from her small community and cast into a family of strangers with a terrible secret. Separated from her only home, Leah is kept apart from the family and forced to act as a helpmate for the well-to-do household. When a moment of violence and prejudice thrusts Leah into the center of the state's shameful darkness, she must fight for her own future against a world that doesn't always value the wild spirit of a Carolina girl. Set in 1935 against the very real backdrop of a recently formed state eugenics board, *The Last Carolina Girl* is a powerful and heart-wrenching story of fierce strength, forgotten history, autonomy, and the places and people we ultimately call home.

*The Last Carolina Girl* Meagan Church, 2023-03

*The Last Carolina Sister* Michelle Major, 2021-03-30 “Perfect for fans of Debbie Macomber.”—Publishers Weekly In Magnolia, North Carolina, love might be waiting right next door... Meredith Ventner knows a wounded creature when she sees one. Though her temporary new neighbor may be—on the surface at least—a successful, drop-dead gorgeous doctor, she recognizes the deep hurt Ryan Sorensen is carrying, and it's catnip to her soul. But even though Meredith is the youngest, scrappiest and single-est of Magnolia's most famous sisters, she's committed to expanding the animal shelter on her newly inherited farm. She can't waste her energy on a man who's only passing through town. Ryan is hoping that after a month of small-town living he'll be healed enough to return to his busy ER. His injured leg isn't half as painful as his guilt from the tragedy he's trying to forget. Yet somehow, helping feisty, tenderhearted Meredith care for her menagerie is making him question his career-first priorities. Here in this quirky small town another future is coming into view, but can he change his life, and open his heart, to claim it? *The Magnolia Sisters Book 1: The Magnolia Sisters Book 2: The Merriest Magnolia*

**Can't Beat the Heart of a Carolina Girl** Allyson Kennedy, 2017-02-22 Does the quality of a yearbook picture have the power to predict how a school year will turn out? Riley Houston, once deemed an ugly duckling and social pariah among her classmates, makes a splash in the big pond of Linwood Whaley High her freshman year. Gone are her braceface and haircut of doom as Riley faces her long-awaited chance at love with Brett Harvey: the school's swoon-worthy quarterback and her next-door neighbor who she's admired over the backyard fence for years. Riley's convinced she's about to score her first boyfriend, but when she recites a poem she wrote about Brett for her English assignment, her cousin's adorably awkward best friend takes the bait instead. Her plan of winning over Brett falls to the wayside as Riley tries to suppress her unintended yet budding crush on Carter Pickett. In a battle of heart and soul, Riley faces the decision to either fight for what she's always wanted, or be vulnerable and loved for the side of her she's always tried to hide. Lighthearted and full of southern sass, *Can't Beat the Heart of a Carolina Girl* is a clean young adult romance that may convince you having a high school sweetheart is still a possibility.

*The Girls We Sent Away* Meagan Church, 2024-03-05 An important and vital story. — Donna Everhart, USA Today bestselling author of *The Saints of Swallow Hill* Engaging, shocking, heart-wrenching. — Library Journal A compassionate novel about loss and broken dreams. — Washington Post A searing book club read for fans of Ellen Marie Wiseman and *The Girls with No Names* set in the Baby Scoop Era of the 1960s about the women of a certain condition swept up in a dark history. It's the 1960s and Lorraine Delford has it all – an upstanding family, a perfect boyfriend, and a white picket fence home in North Carolina. Yet every time she looks through her father's telescope, she dreams of the stars. It's ambitious, but Lorraine has always been exceptional. But when this darling girl-next-door gets pregnant, she's forced to learn firsthand the realities that keep women grounded. To hide their daughter's secret shame, the Delfords send Lorraine to a maternity home for wayward girls. But this is no safe haven – it's a house with dark secrets and suffocating rules. And as Lorraine begins to piece together a new vision for her life, she must decide if she can fight against the powers that aim to take her child or submit to the rules of a society she once admired. Powerful and affecting, *The Girls We Sent Away* is a timely novel that explores autonomy, belonging, and a quest for agency when the illusions of life-as-you-know-it fall away.

***Sweet Carolina Girls - A Dual Memoir of Growing Up in the South*** Dr. Patricia Jordan Rea, Dr. Jocelyn Gathers Drakeford, 2016-03-23 Two women—one black, one white—develop a bond while in a university classroom. As academics, their impulse is to write a book about how, despite different life experiences growing up in the deeply segregated South of the 1950s and 60s, they have wound up in similar circumstances. Naïve does not even begin to describe these two women as each reviews her own past and they meld their stories. They are rendered nearly speechless as they identify one powerful parallel after another. Race frames the project, but family, love, hard work, and integrity create the picture inside that frame. This book will touch anyone who values personal history, family ties, the pain and joys of life, and the deeply moving gift of

reflection.

**That Last Carolina Summer** Karen White, 2025-07-22 Beloved bestselling author Karen White returns with a captivating Southern drama about sisterhood, secrets and one woman's reckoning with the past. As a child, Phoebe Manigault developed the gift of premonition after she was struck by lightning in the creek near her Charleston home. Plagued throughout her life by mysterious dreams, and always living in the shadow of her beautiful sister, Addie, Phoebe eventually moves to the West Coast, as far from her family as possible. Now, years later, she is summoned back to South Carolina, to help Addie care for their ailing mother. As Phoebe's return lures her back into deep-rooted tensions and conflicts, she is drawn to Celeste, whose granddaughter went missing years ago. Their connection brings comfort to Phoebe, while Celeste's adult grandson Liam resurrects complicated emotions tied to Phoebe's past. But the longer Phoebe spends in her childhood home, the more her recurring nightmares intensify—bringing her closer to the shocking truth that will irrevocably change everything. Unfolding against the lush backdrop of the South Carolina Lowcountry, *That Last Carolina Summer* is an unforgettable story about the unbreakable bonds of family and the gift of second chances.

**The Mad Wife** Meagan Church, 2025-09-30 From bestselling author Meagan Church comes a haunting exploration of identity, motherhood, and the suffocating grip of societal expectations that will leave you questioning the lives we build—and the lies we live. They called it hysteria. She called it survival. Lulu Mayfield has spent the last five years molding herself into the perfect 1950s housewife. Despite the tragic memories that haunt her and the weight of exhausting expectations, she keeps her husband happy, her household running, and her gelatin salads the talk of the neighborhood. But after she gives birth to her second child, Lulu's carefully crafted life begins to unravel. When a new neighbor, Bitsy, moves in, Lulu suspects that something darker lurks behind the woman's constant smile. As her fixation on Bitsy deepens, Lulu is drawn into a web of unsettling truths that threaten to expose the cracks in her own life. The more she uncovers about Bitsy, the more she questions everything she thought she knew—and soon, others begin questioning her sanity. But is Lulu truly losing her mind? Or is she on the verge of discovering a reality too terrifying to accept? In the vein of *The Bell Jar* and *The Hours*, *The Mad Wife* weaves domestic drama with psychological suspense, so poignant and immersive, you won't want to put it down.

**Rural Rhythm** Tony Russell, 2021-02-01 There are many biographies and histories of early country music and its creators, but surprisingly little attention has been given to the actual songs at the heart of these narratives. In this groundbreaking book, music historian Tony Russell turns the spotlight on seventy-eight original 78rpm discs of songs and tunes from the 1920s and 1930s, uncovering the hidden stories of how they came to be recorded, the musicians who sang and played them, the record companies that marketed them, and the listeners who absorbed them. In these essays, based upon new research, contemporary newspaper accounts, and previously unpublished interviews, and copiously illustrated with rare images, readers will find songs about home and family, love and courtship, crime and punishment, farms and floods, chain gangs and

chain stores, journeys and memories, and many other aspects of life in the period. Rural Rhythm not only charts the tempos and styles of rural and small-town music-making and the origins of present-day country music, but also traces the larger rhythms of life in the American South, Southwest, and Midwest. What emerges is a narrative that ingeniously blends the musical and social history of the era.

**National Boys and Girls Club News ,1924**

*Annual Report of the Attorney General of South Carolina to the General Assembly* South Carolina. Attorney General's Office,1935

Carolina Girl Virginia Kantra,2013-06-04 Meet the Fletchers of Dare Island Ambitious Meg, the daughter who never looked back Steady Matt, the son who stayed And rebel Luke, the Marine who thought he'd never return Meg Fletcher spent her childhood dreaming of escaping Dare Island—her family's home for generations. So after she landed a high-powered job in New York City, she left and never looked back. But when she loses both her job and the support of her long-term, live-in boyfriend, she returns home to lick her wounds and reevaluate her life. Helping out her parents at the family inn, she can't avoid the reminders of the past she'd rather forget—especially charming and successful Sam Grady, her brother's best friend. Their one disastrous night of teenage passion should have forever killed their childhood attraction, but Sam seems determined to reignite those long-buried embers. As Meg discovers the man he's become, she's tempted to open her vulnerable heart to him. But she has no intention of staying on Dare Island—no matter how seductive Sam's embrace might be...

*American Speech* Louise Pound,Kemp Malone,Arthur Garfield Kennedy,William Cabell Greet,1929

*The Englishwoman's Review of Social and Industrial Questions* Janet Murray,Myra Stark,2016-12-19 The Englishwoman's Review, which published from 1866 to 1910, participated in and recorded a great change in the range of possibilities open to women. The ideal of the magazine was the idea of the emerging emancipated middle-class woman: economic independence from men, choice of occupation, participation in the male enterprises of commerce and government, access to higher education, admittance to the male professions, particularly medicine, and, of course, the power of suffrage equal to that of men. First published in 1885, this eighteenth volume contains issues from 1885. With an informative introduction by Janet Horowitz Murray and Myra Stark, and an index compiled by Anna Clark, this set is an invaluable resource to those studying nineteenth and early twentieth-century feminism and the women's movement in Britain.

**South Carolina Women in the Confederacy** United Daughters of the Confederacy. South Carolina Division,United daughters of the confederacy,1903

*South Carolina women in the Confederacy, ed. by mrs. Thomas Taylor [and others].* United daughters of the confederacy S. Carolina div,1903

*The Strange Case of Jane O.* Karen Thompson Walker, 2015-02-25 In this spellbinding and provocative novel from the New York Times bestselling author of *The Age of Miracles*, a young mother is struck by sudden and puzzling psychological symptoms that illuminate the mysterious dimensions of the human mind—and of love. A Belletrist Book Club Pick A year after her child is born, Jane suffers a series of strange episodes: amnesia, premonitions, hallucinations, and an inexplicable sense of dread. Three days after her first visit to a psychiatrist, Jane suddenly goes missing. A day later she is found unconscious in Brooklyn's Prospect Park, in the midst of what seems to be an episode of dissociative fugue; when she comes to, she has no memory of what has happened to her. Are Jane's strange experiences the result of being overwhelmed by motherhood, or are they manifestations of a long-buried trauma from her past? Why is she having visions of a young man who died twenty years ago and who warns her of a disaster ahead? Jane's symptoms lead her psychiatrist ever deeper into the farthest reaches of her mind and cause him to question everything he thinks he knows about so-called reality—including events in his own life. Karen Thompson Walker's profound and beautifully written novel is both a speculative mystery about memory, identity, and fate and a mesmerizing literary puzzle about the bonds of love—between mother and child, between a man and a woman, and among those we've lost but who may still be among us.

Publications of the North Carolina Historical Commission ,1912

*National 4-H Club News* ,1923

*The Promise of the New South* Edward L. Ayers, 2007-09-07 At a public picnic in the South in the 1890s, a young man paid five cents for his first chance to hear the revolutionary Edison talking machine. He eagerly listened as the soundman placed the needle down, only to find that through the tubes he held to his ears came the chilling sounds of a lynching. In this story, with its blend of new technology and old hatreds, genteel picnics and mob violence, Edward Ayers captures the history of the South in the years between Reconstruction and the turn of the century. Ranging from the Georgia coast to the Tennessee mountains, from the power brokers to tenant farmers, Ayers depicts a land of startling contrasts. Ayers takes us from remote Southern towns, revolutionized by the spread of the railroads, to the statehouses where Democratic Redeemers swept away the legacy of Reconstruction; from the small farmers, trapped into growing nothing but cotton, to the new industries of Birmingham; from abuse and intimacy in the family to tumultuous public meetings of the prohibitionists. He explores every aspect of society, politics, and the economy, detailing the importance of each in the emerging New South. Central to the entire story is the role of race relations, from alliances and friendships between blacks and whites to the spread of Jim Crow laws and disfranchisement. The teeming nineteenth-century South comes to life in these pages. When this book first appeared in 1992, it won a broad array of prizes and was a finalist for both the National Book Award and the Pulitzer Prize. The citation for the National Book Award declared *Promise of the New South* a vivid and masterfully detailed picture of the evolution of a new society. The Atlantic called it one of the broadest and most original interpretations of

southern history of the past twenty years.
