The Life We Chose Matt Birkbeck, 2023-07-11 “The Life We Chose—an unforgettable story. A really great read.” —Nicholas Pileggi, author of *Wiseguy* and *Casino* and screenwriter of *Goodfellas* From Matt Birkbeck—investigative journalist and executive producer of Netflix’s #1 movie *Girl in the Picture*—a revelatory father/surrogate son story that takes readers deep inside the inner workings of the mob through the eyes of William “Big Billy” D’Elia, the right-hand man to legendary mafia kingpin Russell Bufalino, who ran organized crime in the US for more than fifty years. William “Big Billy” D’Elia is Mafia royalty. The “adopted” son of legendary organized crime boss Russell Bufalino, for decades D’Elia had unequaled access to the man the FBI and US Justice Department considered one of the leading organized crime figures in the United States. But the government had no real idea as to the breadth of Bufalino’s power and influence—or that it was Bufalino, from his bucolic home base in Pittston, Pennsylvania, who reigned over the five families in New York and other organized crime families throughout the country. For nearly thirty years, D’Elia was at Bufalino’s side, and “Russ’s son” was a witness and participant to major historical events that have stymied law enforcement, perplexed journalists, and produced false and wild narratives in books and movies—not the least of which being the infamous disappearance of union boss Jimmy Hoffa. In addition, their reach was illustrated by their relationships with Frank Sinatra, Marlon Brando, Michael Jackson, Suge Knight, and many other celebrities and personalities. D’Elia became the de facto leader of the Bufalino family upon Russell Bufalino’s imprisonment in 1979, and he officially took control upon Bufalino’s death in 1994 until his arrest in 2006, when he was charged with money laundering and the attempted murder of a witness. He pled guilty to money laundering and witness tampering and was released from federal prison in 2012. Candid and unapologetic, D’Elia is finally ready to reveal the real story behind the myths and in so doing paints a complicated, compelling, and stunning portrait of crime, power, money, and finally, family.

*The Life We’re Living* Andrew Zackery, 2017-10-16 First let me say to everyone out there that my reason for writing this book came from all those experiences I faced throughout my lifetime here on earth. So therefore, I was inspired to share my thoughts with my readers, leaving no stones unturned and being direct to the point as I see things. The title to my book is *The Life We’re Living*, and there is no fiction throughout my book. It contains our everyday life experiences as I deemed them too be, nothing more. Reality just happens to be everything this book consists of. I’m more than sure my readers will find

themselves relating to all that's being said and told within my book! So enjoy.

**The Life We Lead** Angel Anthony Cordero, 2024-07-10 This journey we all call life is deeply personal and individual to all of us, but some themes and stories interlock almost invariably. Throughout these pages, there is an exploration of those themes and ideas, inviting readers from all experiences to share through the wonderful medium of poetry what this life we lead means to them. Every work offers up a perspective and viewpoint meant to be changed, adapted, and renewed by everyone who reads it. They invite everyone to author their own story on this wonderful journey we all call life.

Becoming MomStrong Heidi St. John, 2017-09-19 Have you ever looked into the faces of the people who call you “mom” and wondered what in the world you got yourself into? If you’re like many Christian moms today, you’ve been reading the headlines and watching the rapid-fire changes in our culture with frustration and fear. Let’s face it: Moms today are facing questions that previous generations didn’t even see coming, and even our right to determine what is best for our own children is under fire. Popular speaker and blogger Heidi St. John (The Busy Mom) believes that today’s mothers need a special kind of strength. We need to be strong in the Lord and in the power of His might. We dare not rely on human strength for the battles we’re facing right now. In *Becoming MomStrong*, Heidi has a powerful message just for you—the mom in the midst of it all. Through encouragement, practical prayer points, and authentic “me-too” moments, Heidi equips you for a job that only you can do: to train your children to hear God’s voice and to walk in truth no matter where our culture is heading. God wants to use this generation of mothers to do something extraordinary: To be strong in the Lord To know who you are in Christ, and To impart that strength to your kids. In other words, He wants you to be MomStrong! So if you’re feeling tired or inadequate today, get ready to find new strength as you join Heidi St. John in *Becoming MomStrong*.

**Reclaiming the Life We Lost Along the Way** John Paterson, 2014-11-21 We’ve been sold a bill of goods. Not out of malice but out of a fundamental misunderstanding of how to effectively approach our lives—and the world—in order to secure the genuine happiness and authentic loving relationships we desire. In *Reclaiming the Life We Lost Along the Way*, we discover that at the heart of every decision we make is the intention to reduce our suffering and satisfy our unmet yearnings. Authentic love, safety, acceptance, connection, belonging, meaning, purpose, value, appreciation. These are the shared desires of every human being. To meet these desires, we have invested tremendous effort, yet the quality of life we have sought continues to elude us. The reason is shockingly simple: We have attempted to resolve an internal problem with external solutions. The outside world can never satisfy our deepest longings until our inner world makes a critical shift in perception and orientation. When this internal shift occurs, our experience of everything outside of us begins to change as well. This is the key to realizing and experiencing the quality of life we have been seeking for so long. Discover who you really are, recover your true self, bring your unique gifts to life, then share them with the world. This book shows you how to reclaim the life you were born to live by recovering the authentic love and deep fulfillment you came out of the Universe to

encounter and extend in your own life and the lives of everyone you touch.

The Life We Are Given George Leonard, 2005-10-20 The author of *The Future of the Body* and the author of *Mastery* team up to present a proven method for reaching the next stage of human development. Can people with the time-and energy-consuming concerns of job and family find a way to transform their lives through a regular, long-term program of body/mind/spirit development? Is it possible, through conscious choice, to participate in the next step of human evolution? Two of the most distinguished theorists and teachers of human transformation believe the answer to these questions is yes. In this inspiring and practical book, George Leonard and Michael Murphy offer a comprehensive program of Integral Transformative Practice (ITP) based on a two-year experimental class that grew out of their lifework. Drawing upon some seventy years of combined experience in the study of human potential, along with the significant findings of their recent experiment, they present step-by-step instructions for joining body, mind, heart, and soul in an evolutionary adventure that has powerful personal and social implications. Their message will be especially refreshing to those who have become disillusioned by promises of immediate gratification, instant learning, and effortless enlightenment. This book shows the way to profound and lasting transformation through long-term practice. It celebrates the day-by-day joys of the path while opening fresh vistas to human futures.

*We Call It Life: Reflections from the Classroom of Life* Elwin St. Rose, 2021-02-10 This work is a walk and a journey into the realities of life. It shares reflections from tragedy and grief to hope and healing. The different pieces of this work, challenge the reader to succor the self, despite the problems and pain of life and in the process, persevere to a place of wellness. This work challenges us to redefine our role in the world and in our relationships. It calls on us to reconstruct our rubric so we can look beyond the casual that we have been taught, to paying attention to the constructive and consequential that we must know. It summons us to give ourselves a chance to be carefully prudent enough to succeed. It reminds us of our responsibility and at the same time focuses us on our finality. It calls us to authenticity, reminds us of life's adversity, but also points us to our possibility. It calls us to get away from being gullible and from the gimmicks of our space and from the aura of grandiosity in our interactions, to a place of growth and well-being. It challenges us to get in touch with ourselves and embrace the opportunity of the genesis of a much brighter and fulfilling life in our tomorrow.

**Living on the Edge II** Jack Lane, 2014-07-02 Jim and Teena Lacy volunteered for SOG (Special Operation Group) after Jim returned from Korea, where he served in the 187th Airborne, a Regimental Combat Team. After extensive training, they completed assignments in various parts of the world. This story covers their mission to verify intelligence reports that Russia had covertly moved Nuclear weapons and troops into Cuba. Their mission objectives were to confirm those reports and obtain photos for presenting to the Kremlin...when President Kennedy demands their removal. Time was a crucial factor, since America must prepare to destroy the facilities, before nuclear missiles can be launched. Russia-Cuba started the

process of increasing coastal defenses for an anticipated US invasion, while they were on their mission. Since their covert mission required strict radio silence, they were un-aware of the military buildup within the region...until they reached their rendezvous point, where Seal Teams were awaiting to extract them. On arrival at the rendezvous point...a fierce battle erupted that resulted in critically wounded. That required shifting their Plan for Seal Teams aboard high-speed surface craft to extract those ashore. On their arrival in Florida, a meeting had been arranged in Miami for Pentagon leaders to review the data collected, and prepare for destroying all military bases in Cuba IF Russia refused to remove their missiles and troops. It is an action packed story with extensive covert actions. Additionally, it conveys the love (and passions) shared by Jim & Teena...that will be enjoyed by all. The last three chapters include surprise events, with an ending that will surprise everyone. Prior to their Cuban mission, Jim & Teena were on other covert mission assignments in the Middle East, Colombia and Brazil, that was covered in a prior book named Living on the Edge.

**A Study in Scarlet Swords** Dylan Doose,2025-01-20 In the cursed swamps of Rotmoor, a new terror stirs. They are called the Red Folk—silent specters rising from the sodden earth to strike without mercy, leaving only ruin and despair in their wake, and no blade or prayer seems enough to stop the creeping dread. When Theron Ward, a seasoned monster hunter, and his battle-worn companions cross paths with the enigmatic Baron Ulrich Sturm, they are thrust into a web of mystery, vengeance, and secrets best left buried. The baron, a man shattered in body and spirit, speaks of a warlock named Vonlych, a giant of terrible power and unfathomable rage. Haunted by visions of prophecy and driven by debts of blood and honor, Theron and his companions—Aldous the flame-wielding wizard, Celta the fearless shieldmaiden, Kendrick the cursed crusader, Chayse the unerring archer, and Gaige the tormented alchemist—must descend into darkness. But betrayal festers in the shadows, and the price of truth may be paid in blood and madness. A blade in the dark. Blood in the water. The hunt begins. For fans of dark fantasy, sword and sorcery, and epic quests, A Study in Scarlet Swords delivers relentless action, unforgettable characters, and a world teetering on the brink of ruin.

Praise for Dylan Doose: An epic tale—Library Journal Clever and well-written...The characters and setting of Fire and Sword immediately evoke similarities with the iconic The Witcher series by Andrzej Sapkowski and the First Law series by Joe Abercrombie.—Grimdark Magazine

**Work Matters** Tom Nelson,2011-10-05 Work. For some this word represents drudgery and the mundane. For others work is an idol to be served. In either case, a biblical understanding of work as godly activity and a means of spiritual formation is lost. Striking a balance between theological depth and practical counsel, Work Matters engages the theological basis of God's plan for everyday work. Tom Nelson explains how the fall has impacted vocation, how God's redemption

touches every sphere of our lives including our work, and how what we do now is connected to what we will do forever. As Nelson connects Sunday worship to Monday morning, he gives readers practical tools for understanding their own gifts, so that they may better live in accord with God's design for work.
