Gilbert, 2016-04-22 When it is time to relax and unwind from the activities of the day, there is simply nothing better than a cup of hot cocoa and your favorite coloring pencils and books. With the explosion of interest in adult coloring books, adults of all ages have been able to rediscover the joys of exploring their creative minds. colors. We are more than just color-blind; we are color-challenged. In this unique twist on the coloring books for adults genre, C.R. Gilbert has added an extra element to her coloring book designs. From the mind of the artist, you will find two copies of each design -- one with numbers and one without numbers.
