**The Evil Eye in the Bible and in Rabbinic Literature** Rivka Ulmer, 1994 Jewish belief in the power of the evil eye - aroused and energized by emotions such as jealousy and mean-spiritedness - has been a common concern in Jewish life from earliest times. The everpresent fear of its malevolent power is expressed by the common Yiddish expression *kein ahoro*, which means, literally, without an evil eye. *Kein ahoro* is intended to ward off any potential evil eye when one speaks of one's favorable prospects. Sephardic Jews have been concerned with it as well, and, like the Ashkenazim, their Jewish ritual life has incorporated ways of protecting against it. Dr. Ulmer's book examines this idea in its many permutations in Rabbinic literature. In particular, she examines its origin in people's negative emotions and its effects on its victims in many phases of life in causing death and sickness, for example, or its role in sexual transgression, etc. The Angel of Death is depicted as having many eyes, and early Jewish mystical literature depicts angels in general as covered with eyes. On the other hand, the good eye has many positive meanings, and these are discussed as well. Dr. Ulmer's study provides the reader with a complete view of the numerous symbolic meanings which this most important sense organ has been given in Jewish culture. --Book Jacket.

[A Promise Fulfilled in a Dark Moment](#) Dorothy E. Stewart, 2010-02-18 Many people had dark moments in their lives that was beyond their control. Can you think of a dark moment in your life that devastated you and you felt you had no where to go? Have you ever lost a child or love one and wondered, How will I ever get over this pain? Sometimes the pain lingers on and on and you not sure how you can get it to subside. Will I ever have peace of mind again with this person out of my life or will this dark moment ever pass? Was there something I could of done to prevent this situation? There are so many questions that go through your head that may be unanswered for you or an unsettled feeling that you have and not sure what to do with it. In this dark moment the Holy Spirit carried me through with the assurance that my son was at rest and well taken care of. Hopefully, this book will answer some of those questions and bring peace to you while the pages unfold as you read them.

*Got Questions?* S. Michael Houdmann, 2014-04-24 Everyone has questions. Young children ask “why?” Teenagers ask “why not?” Adults sometimes lament “what if?” The God who created us and who loves us has given us the answers to life’s most pressing questions in His Word. Yet many people have no idea that God has the answers and has made them available in the Bible. Whether it is a question about where we will spend eternity or how to deal with the pain of a broken relationship, you can be sure it has been asked and answered already on [www.GotQuestions.org](http://www.GotQuestions.org), the source for this book. Sadly, many individuals and ministries who offer advice are not biblically and theologically solid. That’s why *Got Questions?* is crucially needed—a resource that answers questions explicitly from a biblical perspective, with solid evangelical theology. Written in an easy-to-understand format and organized in easy-to-follow sections, *Got Questions?* will help readers find the answers to the most frequently asked questions regarding spiritual matters. The questions were asked by real people struggling through real-life issues who received solid, practical answers from the Bible. The articles in this volume are compiled from the more than 3,800 frequently-asked questions on our website, which are read over 7 million times each month. Some of the articles have been translated into 150 languages. Many books present teaching in a question-and-answer format, but few have delved into the questions that people are actually asking. Having received and answered more than 380,000 questions, *Got Questions Ministries* has a unique understanding of what questions are truly on people’s minds.

Angels in Islam Stephen Burge, 2015-12-22 Angels are a basic tenet of belief in Islam, appearing in various types and genres of text, from eschatology to law and theology to devotional material. This book presents the first comprehensive study of angels in Islam, through an analysis of a collection of traditions (hadīth) compiled by the 15th century polymath Jalāl al-Dīn al-Suyūṭī (d. 911/1505). With a focus on the principal angels in Islam, the author provides an analysis and critical translation of hadith included in al-Suyuti’s *al-Haba’ik fi akhbar al-mala’ik* (“The Arrangement of the Traditions about Angels”) – many of which are translated into English for the first time. The book discusses the issues that the hadīth raise, exploring why angels are named in particular ways; how angels are described and portrayed in the hadīth; the ways in which angels interact with humans; and the theological controversies which feature angels. From this it is possible to place al-Suyūṭī’s collection in its religious and historical milieu, building on the study of angels in Judaism and Christianity to explore aspects of comparative religious beliefs about angels as well as relating Muslim beliefs about angels to wider debates in Islamic Studies. Broadening the study of Islamic angelology and providing a significant amount of newly translated primary source material, this book will be of great interest to scholars of Islam, divinity, and comparative religion.

**Angels in the Bible** George M. Smiga, Little Rock Scripture Study Staff, 2021-02-15 The Bible is full of passages in which angelic beings are sent to accomplish God's will. Angels speak for God, direct the course of nations, and protect God's people. They worship God and deliver God's judgment. In *Angels in the Bible*, George Smiga examines some of the Bible's most fascinating passages about angels, exploring their ministry on God's behalf and drawing insights for our own spiritual lives. Because angels are mediators of God's presence and action, studying angels is studying God. Commentary, study and reflection questions, prayer, and access to recorded lectures are included. 6 lessons.
