

Book About Salem Witch Trials

Frances Hill

The Salem Witch Trials Marilynne K. Roach, 2004-10-25 Based on over twenty years of original archival research, this history unfolds a nearly day-by-day narrative of the Salem Witch Trials as the citizens of Salem experienced the outbreak of hysteria.

Witch-Hunt Marc Aronson, 2003-12-02 Publisher Description

A Storm of Witchcraft Emerson W. Baker, 2014-09-08 Beginning in January 1692, Salem Village in colonial Massachusetts witnessed the largest and most lethal outbreak of witchcraft in early America. Villagers--mainly young women--suffered from unseen torments that caused them to writhe, shriek, and contort their bodies, complaining of pins stuck into their flesh and of being haunted by specters. Believing that they suffered from assaults by an invisible spirit, the community began a hunt to track down those responsible for the demonic work. The resulting Salem Witch Trials, culminating in the execution of 19 villagers, persists as one of the most mysterious and fascinating events in American history. Historians have speculated on a web of possible causes for the witchcraft that started in Salem and spread across the region--religious crisis, ergot poisoning, an encephalitis outbreak, frontier war hysteria--but most agree that there was no single factor. Rather, as Emerson Baker illustrates in this seminal new work, Salem was a perfect storm: a unique convergence of conditions and events that produced something extraordinary throughout New England in 1692 and the following years, and which has haunted us ever since. Baker shows how a range of factors in the Bay colony in the 1690s, including a new charter and government, a lethal frontier war, and religious and political conflicts, set the stage for the dramatic events in Salem. Engaging a range of perspectives, he looks at the key players in the outbreak--the accused witches and the people they allegedly bewitched, as well as the judges and government officials who prosecuted them--and wrestles with questions about why the Salem tragedy unfolded as it did, and why it has become an enduring legacy. Salem in 1692 was a critical moment for the fading Puritan government of Massachusetts Bay, whose attempts to suppress the story of the trials and erase them from memory only fueled the popular imagination. Baker argues that the trials marked a turning point in colonial history from Puritan communalism to Yankee independence, from faith in collective conscience to skepticism toward moral governance. A brilliantly told tale, *A Storm of Witchcraft* also puts Salem's storm into its broader context as a part of the ongoing narrative of American history and the history of the Atlantic World.

The Salem Witch Trials Lori Lee Wilson,1997-01-01 Discusses the witchcraft trials in Salem in 1692, the events leading up to them, and how the trials have been viewed by different historians since then.

The Salem Witch Trials Michael Burgan,2019 In the spring of 1692, girls in Salem, Massachusetts, accused several local women of witchcraft. The events that followed were marked by mass hysteria and religious extremism and ultimately led to trials, convictions, executions, and many more accusals.

The Salem Witch Trials Don Nardo,Tanya Dellaccio,2016-12-15 Mass hysteria in the late 17th century led to trials of people suspected to be witches in Salem, Massachusetts. Anyone could be accused of causing mysterious maladies or unfortunate occurrences, such as the death of cattle. Readers discover important facts and captivating details about this fascinating time in American history. The dangers of leveling accusations without proof and succumbing to panic are discussed in this engaging text, which is supplemented with a fact-filled timeline, full-color photographs, and primary sources.

The Witches Stacy Schiff,2015-10-27 The Pulitzer Prize-winning author of *Cleopatra*, the #1 national bestseller, unpacks the mystery of the Salem Witch Trials. It began in 1692, over an exceptionally raw Massachusetts winter, when a minister's daughter began to scream and convulse. It ended less than a year later, but not before 19 men and women had been hanged and an elderly man crushed to death. The panic spread quickly, involving the most educated men and prominent politicians in the colony. Neighbors accused neighbors, parents and children each other. Aside from suffrage, the Salem Witch Trials represent the only moment when women played the central role in American history. In curious ways, the trials would shape the future republic. As psychologically thrilling as it is historically seminal, *The Witches* is Stacy Schiff's account of this fantastical story -- the first great American mystery unveiled fully for the first time by one of our most acclaimed historians.

The Salem Witch Trials Reader Frances Hill,2000-10-19 Contains primary source material.

The Salem Witch Trials Jane Yolen,Heidi E. Y. Stemple,2021-05-25 In this spooky book from the nonfiction *An Unsolved Mystery* from History picture book series, tragedy strikes Salem, Massachusetts, in 1692 as the community is torn apart by accusations of witchcraft. When a group of girls came down with a horrible, mysterious bout of illness, they pointed the finger at people in their community they claimed were witches. Soon, the whole town was convinced they were in danger from supernatural forces. Today, we have details about the accusations, trials, and those who lost their lives, but the question remains: What caused the mass hysteria? Become a detective, study the clues, and see if you can help solve this chilling mystery from history!

The Salem Witch Trials Bruce Watson,2018-02-06 What caused the worst witch-hunt in U.S. history? What demons sent twenty innocent people to their deaths? Was it panic? Payback? Puritanism run amok? In this probing short-form book, award-winning journalist Bruce Watson captures all the fear and fear-mongering while exploring the latest historical

research into this unforgettable American tragedy.

Salem Story Bernard Rosenthal, 1993 *Salem Story* engages the story of the Salem witch trials by contrasting an analysis of the surviving primary documentation with the way events of 1692 have been mythologised by our culture. Resisting the temptation to explain the Salem witch trials in the context of an inclusive theoretical framework, the book examines a variety of individual motives that converged to precipitate the witch-hunt. Of the many assumptions about the Salem witch trials, the most persistent is that they were instigated by a circle of hysterical girls. Through an analysis of what actually happened - by perusal of the primary materials with the 'close reading' approach of a literary critic - a different picture emerges, one where 'hysteria' inappropriately describes the logical, rational strategies of accusation and confession followed by the accusers, males and females alike.

A Delusion of Satan Frances Hill, 1995 The Salem witch-hunt and trials have captured the attention and imagination of young and old for centuries. Now Frances Hill guides us through the thickets of history and explains in clear and factual terms exactly what went on during that horrifying period between 1691 and 1693 when over one hundred men, women, and children were shackled in the dank prisons of Salem, charged with witchcraft. Ultimately, nineteen were hanged at Gallows Hill, one was pressed to death under a pile of stones, and many others simply languished in prison for months on end, helplessly losing their families, homes, and possessions. Many lost their lives, not a few their sanity. But what really happened? Were the accused truly evil in some way? And if not, how could a group of teenagers work such a cruel and convincing outcome? Drawing on the insights of modern psychology and feminism, *A Delusion of Satan* answers these questions and more, and forces us to recognize hints of witch-hunts in the McCarthyism of the recent past and in current events like alleged child-abuse cases.

Salem Witch Trials Sean Price, 2008-10-17 Crucial eras and events in American history are brought to life through primary resources in this high interest series written especially for struggling readers. The personal struggles of the people making history guide the reader through each book. Background knowledge of the subject matter is incorporated into the text and vocabulary is defined at the point of use.

The Salem Witchcraft Trials Peter Charles Hoffer, 1997 Historian Peter Charles Hoffer reexamines a notorious episode in American history and presents many of its legal details in true perspective for the first time. Hoffer also shows how rights we take for granted today did not exist in colonial times, and he demonstrates how these cases relate to current instances of children accusing adults of abuse.

The Salem Witch Trials Don Nardo, 2007 Intrigue your readers with one of the strangest events in American history. Mass hysteria struck colonial Massachusetts in 1692. More than 200 people were accused of practicing witchcraft and 20 were executed. Eventually, the colony admitted that the trials were a mistake, and it compensated the families of the

members who were convicted of witchcraft.

The Story of the Salem Witch Trials Bryan F. Le Beau, 2016-05-23 Between June 10 and September 22, 1692, nineteen people were hanged for practicing witchcraft in Salem, Massachusetts. One person was pressed to death, and over 150 others were jailed, where still others died. *The Story of the Salem Witch Trials* is a history of that event. It provides a much needed synthesis of the most recent scholarship on the subject, places the trials into the context of the Great European Witch-Hunt, and relates the events of 1692 to witch-hunting throughout seventeenth century New England. This complex and difficult subject is covered in a uniquely accessible manner that captures all the drama that surrounded the Salem witch trials. From beginning to end, the reader is carried along by the author's powerful narration and mastery of the subject. While covering the subject in impressive detail, Bryan Le Beau maintains a broad perspective on events, and wherever possible, lets the historical characters speak for themselves. Le Beau highlights the decisions made by individuals responsible for the trials that helped turn what might have been a minor event into a crisis that has held the imagination of students of American history.

Salem Witch Trials Joeming Dunn, 2008-09-01 Massachusetts, 1692. The largest witch hunt in the United States was held in the small village of Salem, Massachusetts. Witness the accusations of witchcraft and trial that followed in this impressive graphic novel. Maps, timelines, glossaries, and indexes make these titles an exciting addition to classroom discussion. Graphic Planet is an imprint of Magic Wagon, a division of ABDO Publishing Group. Grades 3-6.

Deliverance From Evil Frances Hill, 2012-04-03 "Historian Hill utilizes her extensive research on the Salem Witch Trials to bone-chilling effect in this riveting tale of a town spiraling out of control." —Booklist *Deliverance from Evil* brings to life the Salem witch trials, one of the most uncanny times in our nation's history. Young girls in trances pointed out neighbors, leaders, relatives—over 150 people were arrested, with many hanged for their supposed sins. Frances Hill, author of *A Delusion of Satan*, brings her deep historical and political understanding together with her honed skills as a novelist to produce a picture of the trials both realistic and emotional. She has written an extraordinary and gripping novel of hysteria, power plays, and love in colonial America. "Frances Hill is a renowned historian of the period who has turned to fiction—with great success—to get into the minds and souls of those involved based, for the most part, on real people. It is hard not to feel oneself caught up in the hysteria and religious fervour of those horrifying events." —Daily Mail "Hill's done a fine job with a subject that's inspired countless accounts, adding historical content that makes this treatment stand out from the rest." —Publishers Weekly "With her admirable gift for dialogue and her ability to depict a time and place with telling incident, Hill is a welcome recruit to the ranks of historical novelists." —Historical Novel Society

The Story of the Salem Witch Trials Bryan Le Beau, 2023-04-24 Providing an accessible and comprehensive overview, *The Story of the Salem Witch Trials* explores the events between June 10 and September 22, 1692, when nineteen people were

hanged, one was pressed to death and over 150 were jailed for practicing witchcraft in Salem, Massachusetts. This book explores the history of that event and provides a synthesis of the most recent scholarship on the subject. It places the trials into the context of the Great European Witch-Hunt and relates the events of 1692 to witch-hunting throughout seventeenth-century New England. Now in a third edition, this book has been updated to include an expanded section on the European origins of witch-hunts, an updated and expanded epilogue (which discusses the witch-hunts, real and imagined, historical and cultural, since 1692), and an extensive bibliography. This complex and difficult subject is covered in a uniquely accessible manner that captures all the drama that surrounded the Salem witch trials. From beginning to end, the reader is carried along by the author's powerful narration and mastery of the subject. While covering the subject in impressive detail, Bryan Le Beau maintains a broad perspective on the events and, wherever possible, lets the historical characters speak for themselves. Le Beau highlights the decisions made by individuals responsible for the trials that helped turn what might have been a minor event into a crisis that has held the imagination of students of American history. This third edition of *The Story of the Salem Witch Trials* is essential for students and scholars alike who are interested in women's and gender history, colonial American history, and early modern history.

The Salem Witch Trials Robin R. Johnson, 2014-10-31 Discusses the 1692 Salem, Massachusetts, witch trials and how innocent people were jailed on the evidence of dreams and visions.

Book About Salem Witch Trials Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the power of words has become more evident than ever. They have the capacity to inspire, provoke, and ignite change.
