

# Buddhism In Sri Lanka

## Mahinda Deegalle

**The Work of Kings** H. L. Seneviratne, 1999 The Work of Kings is a stunning new look at the turbulent modern history and sociology of the Sri Lankan Buddhist Monkhhood and its effects upon contemporary society. Using never-before translated Sinhalese documents and extensive interviews with monks, Sri Lankan anthropologist H.L. Seneviratne unravels the inner workings of this New Buddhism and the ideology on which it is based. Beginning with Anagarika Dharmapala's rationalization of Buddhism in the early twentieth century, which called for monks to take on a more activist role in the community, Seneviratne shows how the monks have gradually revised their role to include involvement in political and economic spheres. The altruistic, morally pure monks of Dharamapala's dreams have become, Seneviratne trenchantly argues, self-centered and arrogant, concealing self-aggrandizement behind a façade of social service. A compelling call for reform and a forceful analysis, The Work of Kings is essential to anthropologists, historians of religion, and those interested in colonialism, nationalism, and postcolonial politics.

**The Buddhist Revival in Sri Lanka** George Doherty Bond, 1992-01-01 In 1956, Theravada Buddhists in Sri Lanka and throughout Southeast Asia celebrated the 2500th anniversary of the Buddha's entry into Nirvana and of the establishment of the Buddhist tradition. This book examines this revival of Theravada Buddhism among the laity of Sri Lanka, analysing its origins and its growth up to the present-day. Within the spectrum of reinterpretations that have comprised the revival, the book focuses on four important types or patterns of reinterpretation and response. It examines the rational reformism of the early Protestant Buddhists led by Anagarika Dharmapala and the conservative neotraditionalism of the Jayanti period. Particular attention is given to two of the most recent and dynamic reforms, the insight meditation movement, breaking with tradition, has opened the path of meditation to lay people, enabling them to seek Nirvana without renouncing the world. The sarvodaya Shramadana movement has addressed the social context, reinterpreting the Buddhist heritage to derive authentic forms of Buddhist social development. Comprising this series of interpretations and options for lay Buddhists, the Buddhist revival represents a new gradual path to Nirvana.

Buddhism in Sri Lanka in the 17th and 18th Centuries, with Special Reference to Sinhalese Literary Sources A. H. Mirando, 1985

*Buddhism, Conflict and Violence in Modern Sri Lanka* Mahinda Deegalle, 2006-09-27 Interdisciplinary in its approach,

this book explores the dilemmas that Buddhism faces in relation to the continuing ethnic conflict and violence in modern Sri Lanka. Prominent scholars in the fields of anthropology, history, Buddhist studies and Pali examine multiple dimensions of the problem. Buddhist responses to the crisis are discussed in detail, along with how Buddhism can help to create peace in Sri Lanka. Evaluating the role of Buddhists and their institutions in bringing about an end to war and violence as well as possibly heightening the problem, this collection puts forward a critical analysis of the religious conditions contributing to continuing hostilities.

**Popularizing Buddhism** Mahinda Deegalle, 2007-06-01 Explores the ritual practice of Buddhist preaching.

**Buddhism Transformed** Richard Gombrich, Gananath Obeyesekere, 2021-03-09 In this study a social and cultural anthropologist and a specialist in the study of religion pool their talents to examine recent changes in popular religion in Sri Lanka. As the Sinhala themselves perceive it, Buddhism proper has always shared the religious arena with a spirit religion. While Buddhism concerns salvation, the spirit religion focuses on worldly welfare. *Buddhism Transformed* describes and analyzes the changes that have profoundly altered the character of Sinhala religion in both areas.

**Buddha in Sri Lanka** Swarna Wickremaratne, 2012-02-01 This book provides both an erudite and intimate look at how Buddhism is lived in Sri Lanka. While India is known as the birthplace of Buddhism, Sri Lanka is its other home; Buddhism extends back over twenty-five hundred years on the island and remains at the center of its spiritual traditions and culture. Throughout the book, author Swarna Wickremaratne incorporates a personal view, sharing stories of herself, her family, friends, and acquaintances as they lived Buddhism both during her Sri Lankan girlhood and during more recent times. This personal view makes the traditions come alive as Wickremaratne details Buddhist beliefs, customs, rituals and ceremonies, and folklore. She also provides a fascinating discussion of the Sangha, the institutional monkhood in Sri Lanka, including its history, codes of conduct, and evolution and resilience over time. Wickremaratne explores the recent attempts by many monks to reinvent themselves in a society characterized by secularization, globalization, and a tide of aggressive Christian evangelization.

**Buddhism and Ethnic Conflict in Sri Lanka** Patrick Grant, 2009-01-05 Patrick Grant explores the relationship between Buddhism and violent ethnic conflict in modern Sri Lanka using the concept of regressive inversion. Regressive inversion occurs when universal teaching, such as that of the Buddha, is redeployed to supercharge passions associated with the kinds of group loyalty that the universal teaching itself intends to transcend. The book begins with an account of the main teachings of Theravada Buddhism and looks at how these inform, or fail to inform, modern interpreters. Grant considers the writings of three key figures—Anagarika Dharmapala, Walpola Rahula, and J. R. Jayewardene—who addressed Buddhism and politics in the years leading up to Sri Lanka's political independence from Britain, and subsequently, in postcolonial Sri Lanka. This book makes the Sri Lankan conflict accessible to readers interested in the modern global phenomenon of ethnic

violence involving religion and also illuminates similar conflicts around the world.

**The Religious World of Kirti Sri** John Clifford Holt, 1996-03-28 In this interdisciplinary inquiry, John Clifford Holt seeks to uncover how Buddhism was understood and expressed during the waning years of indigenous political power in Asia's oldest continuing Buddhist culture. Holt focusses on King Kirti Sri Rajasinha and how, despite powerful and persistent Dutch colonial threats and a deeply suspicious Kandyan Buddhist Sinhalese aristocracy, he successfully revived Sinhalese Theravada Buddhism. As Holt demonstrates, Kirti Sri succeeded in formulating his vision of an orthodox Buddhism in a number of ways: through the patronage of monastic sanha and re-establishing traditional lines of ordination, translating the Pali suttas into Sinhala, sponsoring public Buddhist religious rites, and refurbishing almost all Buddhist temples in the Kandyan culture region. The ultimate aim of Holt's study is to describe and interpret Kirti Sri's articulation of a normative Buddhist world, the essentials of which remain normative for many Buddhists in the Kandyan region of Sri Lanka today. Scholars and students will find *The Religious World of Kirti Sri* is an indispensable resource for the understanding of orthodox Buddhism at this important historical juncture, as well as the present day.

**Religion in Context** Jayadeva Uyangoda, 2007

**Locations of Buddhism** Anne M. Blackburn, 2010-04-15 Modernizing and colonizing forces brought nineteenth-century Sri Lankan Buddhists both challenges and opportunities. How did Buddhists deal with social and economic change; new forms of political, religious, and educational discourse; and Christianity? And how did Sri Lankan Buddhists, collaborating with other Asian Buddhists, respond to colonial rule? To answer these questions, Anne M. Blackburn focuses on the life of leading monk and educator Hikkaduve Sumangala (1827-1911) to examine more broadly Buddhist life under foreign rule. In *Locations of Buddhism*, Blackburn reveals that during Sri Lanka's crucial decades of deepening colonial control and modernization, there was a surprising stability in the central religious activities of Hikkaduve and the Buddhists among whom he worked. At the same time, they developed new institutions and forms of association, drawing on pre-colonial intellectual heritage as well as colonial-period technologies and discourse. Advocating a new way of studying the impact of colonialism on colonized societies, Blackburn is particularly attuned here to human experience, paying attention to the habits of thought and modes of affiliation that characterized individuals and smaller scale groups. *Locations of Buddhism* is a wholly original contribution to the study of Sri Lanka and the history of Buddhism more generally.

**Sacred Island** Shravasti Dhammika, 2008 This travel and pilgrimage guidebook is meant primarily for Buddhists or those interested in Buddhism who wish to explore Sri Lanka's rich cultural and spiritual heritage. Drawing on his extensive knowledge of the island, the author weaves together archaeological findings, art history and the stories and legends of the Buddhist tradition to bring to life thirty-three places of religious significance.

**Buddhist Currents** Piya Tan, 1992

*Sri Lanka - The Elusive Miracle of Asia* Sharmini Serasinghe, 2018 This is a book no publisher or printer in Sri Lanka wanted to be associated with, fearing for their lives. Their fears are justified. Under the despotic political regime headed by the megalomaniacal Mahinda Rajapaksa, journalists and writers in Sri Lanka who stood up for the truth were brutally murdered, tortured, kidnapped or made to disappear for good. Self-described Buddhists, Mahinda Rajapaksa and his cohorts embraced all that is ugly in his Sinhala-Buddhist toxic political ideology, using and abusing Buddhism to the maximum. With this book, the writer has placed her head on the block and in her words: I may face the same fate as my late colleagues Lasantha Wickrematunge and Richard de Zoysa, but it's a sacrifice I am ready to make for the sake of future generations of Sri Lanka!

**Peoples of the Buddhist World** Paul Hattaway, 2004 In the past 20 years, Christians around the world have launched initiatives to reach Muslims, Communists, Hindus and other major unreached people groups but the Buddhist world has largely been overlooked. Hundreds of millions of Buddhists continue to live and die without any exposure to the Gospel. In *Peoples of the Buddhist World*, researcher and author Paul Hattaway graphically presents prayer profiles of more than 200 Buddhist people groups around the world, beautifully illustrated with color pictures throughout. In addition, experts have contributed articles on various aspects of Buddhism, helping the reader to learn, pray and work until that day when the kingdom of the world has become the kingdom of our Lord and of his Christ and he will reign for ever and ever (Rev. 11:15).-- From publisher's description.

**Buddhism In Sri Lanka During The Period Of The 19th To 21st Centuries** Medagama Nandawansa, Bhikkhu TN Gioi Huong, 2023-12-26 Sri Lanka is a beautiful teardrop-shaped island in the Indian Ocean. It is a country based on the Buddha's philosophy nurtured for more than 2,600 years. The message of the Buddha's compassion and wisdom penetrated deep into the Sinhalese island. The spiritual practice of precepts-samadhi-wisdom as taught by the Buddha is an indispensable part of the daily life of Sri Lankans. Looking at the past, especially during the nineteenth and twenty-first centuries, the ancient Sinhala culture and Buddhist monks were influenced by Western countries. How did the Sri Lankan Sangha find a solution to adopt the conceptual modernization and still keep their traditions in Sri Lankan Buddhist society? How did the Sri Lanka Buddhist monks use their means, efforts, and contributions for the sake of this cause? These historical points serve as a compelling invitation to welcome international monastics and scholars from various nations who wish to visit and immerse themselves in this rich cultural heritage. Under the warm sunlight of July 16, 2023, on the beautiful grounds of the Sri Lanka Vidyala Maha Piriven in Colombo, Sri Lanka, there were many bright golden robes of Asian monastics from Sri Lanka, Myanmar, China, Thailand, Malaysia, Indonesia, India, Burma, Cambodia, Taiwan, and Vietnam. They were gathered to participate, learn and experience this Sri Lanka historical high mark, a seminar on Buddhism in Sri Lanka during the Period of the Nineteenth to Twenty-first Centuries. It was organized by the Maha Mahinda International

Dharmadutha Society with the collaboration and sponsorship of Huong Sen Buddhist Temple, California, USA. At this seminar, many learned monastics, speakers, delegates, spiritual leaders, and researchers presented their meaningful papers to shine light on this matter for listeners and readers. They were Prof. Ven. Medagama Nandawansa Thera (Patron, Maha Mahinda International Dharmadutha Society and Chief Incumbent of Sri Lanka Vidyalaya Maha Pirivena), Dr. Ven. Kahawatte Siri Sumedha (Chief Incumbent of Jambudvipa, Sri Lanka Buddhist Temple, Varanasi, India), Mr. Sanath Ediriweera (Chairman, Public Service Commission and the Honorable Secretary of the Maha Mahinda International Dharmadutha Society), Ven. Prof. Beligalle Dhammajoti (Professor at the Department of Pali and Buddhist Studies, University of Ruhuna), Ven. Taldena Ariyawimala and Dr. A.A.R. Priyanka (Senior Lecturers of the Department of Pali and Buddhist Studies, University of Ruhuna), the talented MC, Ven. Prof. Raluwe Padmasiri (Professor at the Department of Buddhist Thought, Postgraduate Institute of Pali and Buddhist Studies, University of Kelaniya), Ven. Sooriyawewe Somananda Thera (the Principal of the Sri Lanka Vidyalaya Maha Pirivena), Ven. Ketagoda Wimalajothi Thera (Deputy Principal, Sri Lanka Vidyalaya Maha Pirivena), Ven. Bhikkhuni Madulle Vijithananda (Abbess of Sakyadhita Training and Meditation Center), Dr. Ven. Bhiksuni Gioi Huong (Lecturer at Vietnam Buddhist University in HCM City and Abbess, Huong Sen Buddhist Temple, California, USA), Rev. O.U. Dhammadheera, Ms. M. D. Sachini Hansika Chandrapala, Mr. Anuda Kanchana, and Mrs. K.V.J. Koshalee (Lecturer at the Department of Pali and Buddhist Studies, University of Ruhuna). These papers are rich in knowledge, analysis, and information on Sri Lankan Buddhist history with specific focus on the period of the nineteenth to twenty-first centuries. They have been gathered together and are slated for publication in a book, which will serve as a valuable and dependable resource for academic studies and research. Huong Sen Buddhist Temple, September 30, 2023 With Metta, The Editorial Board

**In Defense of Dharma** Tessa J. Bartholomeusz, 2005-07-26 This is the first book to examine war and violence in Sri Lanka through the lens of cross-cultural studies on just-war tradition and theory. An important contribution to the understanding of the power of religion to create both peace and war.

Nation, Constitutionalism and Buddhism in Sri Lanka Roshan de Silva Wijeyeratne, 2013-08-15 Nation, Constitutionalism and Buddhism in Sri Lanka offers a new perspective on contemporary debates about Sinhalese Buddhist nationalism in Sri Lanka. In this book de Silva Wijeyeratne argues forcefully that 'Sinhalese Buddhism' in the period prior to its engagement with the British colonial State signified a relatively unbounded (although at times boundary forming) set of practices that facilitated both the inclusion and exclusion of non-'Buddhist' concepts and people within a particular cosmological frame. Juxtaposing the premodern against the backdrop of colonial modernity, de Silva Wijeyeratne tells us that in contrast modern 'Sinhalese Buddhism/nationalism' is a much more reified and bounded concept, one imagined through a 19th century epistemology whose purpose was not so much inclusion, but a much more radical exclusion of non-'Buddhist' ideas and

people. In this insightful analysis modern Sinhalese Buddhist nationalism, then, emerges through the conjunction of discourse, power and knowledge at a distinct moment in the trajectory of the colonial State. An intrinsic feature of this modernist moment is that premodern categories (such as the cosmic order) were subject to a bureaucratic re-valuation that generated profound consequences for State-society relations and the wider constitutional/legal imaginary. This book goes onto explore how key constitutional and nation-building moments were framed within the cultural milieu of modern Sinhalese Buddhist nationalism – a nationalism that reveals the power of a re-valued Buddhist cosmic order to still inform the present. Given the intensification of the Sinhalese Buddhist nationalist project following the defeat of the Tamil Tigers in 2009, this book is of interest to scholars of nationalism, South Asian studies, the anthropology of ritual, and comparative legal history.

**On Understanding Buddhists** John Ross Carter, 1993-01-01 Carter unfolds the cumulative traditions of Theravāda Buddhism by showing how one looks at the world through Buddhist eyes. Presenting evidence from the Buddhist heritage in Sri Lanka, he develops a disciplined, inclusive approach to understanding notions of ethical living and faith, or how individuals live life religiously. The author examines Buddhism as a worldview, reviewing the process of its origins and the development of its important concepts such as the pursuit of dhamma by Buddhists; the Four Noble Truths; the notion of refuge and the process of transcending; the role of the Buddhist monk (bhikkhu); and the role of music in ritual chant and song.

*Buddhism, Modernity, and the State in Asia* P. Kitiarsa, J. Whalen-Bridge, 2013-07-31 Leading scholars working on Buddhism and politics in South and Southeast Asia add to current discussions regarding 'Engaged Buddhism' and the recent work on protests. The writers have mostly established themselves in their fields, offering a diverse approach and country-by-country coverage.

Fuel your quest for knowledge with Learn from is thought-provoking masterpiece, **Buddhism In Sri Lanka** . **Buddhism In Sri Lanka  
Introduction**

Buddhism In Sri Lanka Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Buddhism In Sri Lanka Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Buddhism In Sri Lanka : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular

resource for finding various publications. Internet Archive for Buddhism In Sri Lanka : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Buddhism In Sri Lanka Offers a diverse range of free eBooks across various genres. Buddhism In Sri Lanka Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Buddhism In Sri Lanka Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Buddhism In Sri Lanka, especially related to Buddhism In Sri Lanka, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Buddhism In Sri Lanka, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Buddhism In Sri Lanka books or

magazines might include. Look for these in online stores or libraries. Remember that while Buddhism In Sri Lanka, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Buddhism In Sri Lanka eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Buddhism In Sri Lanka full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Buddhism In Sri Lanka eBooks, including some popular titles.

## FAQs About Buddhism In Sri Lanka Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader

engagement and providing a more immersive learning experience. Buddhism In Sri Lanka is one of the best book in our library for free trial. We provide copy of Buddhism In Sri Lanka in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Buddhism In Sri Lanka. Where to download Buddhism In Sri Lanka online for free? Are you looking for Buddhism In Sri Lanka PDF? This is definitely going to save you time and cash in something you should think about.
