**M&A Disputes** A. Vincent Biemans, Gerald M. Hansen, 2017-07-10 Navigate M&A accounting arbitrations with insider perspective M&A Disputes takes you inside the dispute resolution process to help you put together the many moving parts necessary to obtain a successful outcome. M&A volume remains high and continues to result in large numbers of current and future post-closing M&A disputes. Clients rely on their attorneys and advisers to guide them through the process and counsel them toward a positive outcome. Those professionals will find that M&A accounting arbitrations carry a range of distinctions that require a specialized knowledge base to navigate correctly. This book provides real-world guidance from experts in the field, with invaluable insight for every stage of the process. Walk through the entire dispute resolution process from arbitrator selection through final award Understand how M&A agreement provisions impact the awarded amount as well as the options available to limit the scope of potential disputes and the gaming of the post-closing process by the counterparty
