**God and Football... Why Men Love the Game** Patrick Greak, 2012-06-26 In football, coaches must trust their players not to make the same mistake over and over again. However, God never gives up on us, no matter how many times we make mistakes or commit sins. Remember that sinning is different from a mistake. To sin against the law of God requires intent against the law of God and the original Ten Commandments that God gave Moses. The connection between religion and sports is everywhere in our culture. Athletes and fans alike are known for praising God for all success. But beyond these public displays of religion is a spiritual connection that exists between our faith and our favorite teams. *God and Football: Why Men Love the Game* takes an in-depth look at this connection to show the spiritual reasoning behind our passions for the game. Playing or watching the game of football is beneficial physically and spiritually. Real-time decisions made during a game simulate decisions that will be made later in life off the field. Yet risk is involved and attached to the activity. Injuries can and do occur during games, just as spiritual injuries occur in our daily lives. While football is a fierce game, it teaches us the importance of following the rules, embracing discipline, committing to a team, and trusting in a higher power. Football helps make men better by reminding us of our mortality as well as teaching us valuable life and spiritual lessons. Find out more about the connection between football and spirituality in *God and Football: Why Men Love the Game*.

**The Wind of Change** Eudora Aletta,2015-07-31 “She was killing herself slowly, and this obsession with the war had to stop.” How can one man cope when his true love is a woman of great destiny? “The people are her purpose and she is my

purpose.” The Wind of Change follows the intersecting fates of Francois and Zola as they struggle with the injustices of life and inconsistencies of love in a world where children are dying. Within the Frenchman’s narrative and declarations of love lies the tragic tale of the children of war-torn Africa and the personal cost of civil war and armed conflict, of torture, murder, resistance, and forgiveness. Set in the days of Nelson Mandela’s release from incarceration, it brings to life the Pan-African ideals of the 60s through the journey of a young woman who would be queen to unite and bring peace to all of Africa. If you imagine a future can you make it real? Can you make a difference? If you give from your heart, can you make the wind change? Watch out for Volume 2 of The Wind of Change: What Happened in Africa

**The Anger of Saintly Men** Anubha Yadav, 2021-03-08 The Anger of Saintly Men is the story of three brothers, Sonu, Anu and Vicky, growing up in the 90s. A new decade has started. Maine Pyar Kiya has just been released. Young boys are having wet dreams after imagining what Salman Khan saw when Bhagyashree undraped herself for him on that windy night. The three brothers have just moved to their new, first and last home, which they name, Chuhedani. The Anger of Saintly Men explores how little boys are made men in Indian households. A story of sexual awakening, heartbreak and growing up under the shadow of India’s first wave of liberalisation. Told with compassion, the book delves deep into issues of masculinity, caste, class, homophobia and shame. The Anger of Saintly Men questions systems which have crushed men’s expectations, desires & hopes for centuries. One of the first novels that compels us to think on how we raise men and patriarchy’s deep grip on men’s life.

**The G Spot** Sumner M. Davenport, 2008 Not your typical book about gratitude. This book is for the cynic, the hopeless,

the happy and the already grateful. Do you have an opinion, a belief in gratitude or a passionate knowing? Is it how you were taught, or was it a lesson you learned through experience. People fake many things in life and I found that some even fake gratitude. The message in this book invites you on a self discovery journey sometimes through other perspectives and opinions. Question its message as you question your current opinions and perceptions.

Play From Your Fucking Heart Jerry Hyde, 2014-07-25 Play From Your Fucking Heart offers absolutely no new wisdom whatsoever. In fact, it could be called an eco book, as its entire contents are recycled. Indeed, it is written with the stated belief that there is no new wisdom, that in fact the experience a reader has whenever they read something and go Oh wow, that's really deep, is one of already knowing, of a part of themselves that was already there waking up to an eternal collective truth.

Cobra War Trilogy Timothy Zahn, 2016-07-05 Contains all three novels of the Cobra War series by New York Times #1 best-selling author Timothy Zahn. Cobra warriors: technologically enhanced and implanted with an arsenal of covert weaponry to fight against alien foes and evil humans. Three complete novels together for the first time: Cobra Alliance, Cobra Guardian, and Cobra Gamble. Cobra Alliance Earth had won its war with the Troft because of the Cobras, a guerilla force whose weapons were surgically implanted, invisible to the unsuspecting eye, yet undeniably deadly. Now the Moreau family, filled with Cobra warriors, is seen as a problem, not a solution. An urgent cry for help arrives from the secretive planet Qasama. Is it a true distress signal, or a trap for the Cobras? Jin Moreau and her son Merrick must journey into danger to find out. Cobra Guardian One young Cobra must forge a new political order as a deadly alien enemy strikes. Earth has won a previous war with the deadly Troft and grown soft, but now the aliens are back! Jasmine Moreau Broom, descendant of a now-legendary Cobra family, must rally the Cobras to war after a devastating attack on every planet with Cobras on it nearly succeeds in wiping them out entirely. The key to victory lies with Jasmine's quest to uncover a secret that might turn the tide while searching on a world that is under full-on alien attack. Cobra Gamble The Troft invasions of Qasama and the Cobra Worlds has had at least one result: it has turned long-time antagonists into uneasy and unwilling allies. As the aliens battle to consolidate their conquered territories, a small group of Cobras and Qasaman Djinn work together to create a victory that will rock the invaders to the core. Now one young Cobra must forge a new political order as a devastating alien enemy strikes—an enemy more deadly than any humanity has ever faced. At the publisher's request, this title is sold without DRM (Digital Rights Management). About Timothy Zahn: "Zahn keeps the story moving at a breakneck pace, maintaining excitement."—Publishers Weekly "[Y]ou can count on Timothy Zahn for three things: clean, sparse prose; good pacing; and great action scenes. The first book in the Cobra War series hits all those marks in admirable style and makes for a quick, entertaining sci-fi novel."—Blogcritics "[Conqueror's Heritage] is another finely wrought space adventure . . . [with] social, political and emotional complications, all of which Zahn treats with his usual skill."—Booklist "Zahn paints every detail [in

Angelmass] with gleamy realism . . . scientific dialogue that streams with starship hardware and military trooper talk . . . immensely appealing.”—Kirkus Review

**Space, Time and Language in Plutarch** Aristoula Georgiadou, Katerina Oikonomopoulou, 2017-10-10 'Space and time' have been key concepts of investigation in the humanities in recent years. In the field of Classics in particular, they have led to the fresh appraisal of genres such as epic, historiography, the novel and biography, by enabling a close focus on how ancient texts invest their representations of space and time with a variety of symbolic and cultural meanings. This collection of essays by a team of international scholars seeks to make a contribution to this rich interdisciplinary field, by exploring how space and time are perceived, linguistically codified and portrayed in the biographical and philosophical work of Plutarch of Chaeronea (1st-2nd centuries CE). The volume's aim is to show how philological approaches, in conjunction with socio-cultural readings, can shed light on Plutarch's spatial terminology and clarify his conceptions of time, especially in terms of the ways in which he situates himself in his era's fascination with the past. The volume's intended readership includes Classicists, intellectual and cultural historians and scholars whose field of expertise embraces theoretical study of space and time, along with the linguistic strategies used to portray them in literary or historical texts.
