Share your shots online. Post photos on iCloud or Facebook, Flickr, Instagram, and other social sites. Keep web journals. Create snazzy,

customizable online scrapbook pages. Create projects. Have fun building slideshows, gift books, calendars, and cards.

Social Media for Government Gohar F. Khan, 2017-02-15 This book provides practical know-how on understanding, implementing, and managing main stream social media tools (e.g., blogs and micro-blogs, social network sites, and content communities) from a public sector perspective. Through social media, government organizations can inform citizens, promote their services, seek public views and feedback, and monitor satisfaction with the services they offer so as to improve their quality. Given the exponential growth of social media in contemporary society, it has become an essential tool for communication, content sharing, and collaboration. This growth and these tools also present an unparalleled opportunity to implement a transparent, open, and collaborative government. However, many government organization, particularly those in the developing world, are still somewhat reluctant to leverage social media, as it requires significant policy and governance changes, as well as specific know-how, skills and resources to plan, implement and manage social media tools. As a result, governments around the world ignore or mishandle the opportunities and threats presented by social media. To help policy makers and governments implement a social media driven government, this book provides guidance in developing an effective social media policy and strategy. It also addresses issues such as those related to security and privacy.

@StickyJesus Toni Birdsong, Tami Heim, 2012 @stickyJesus is a fusion of discipleship, faith sharing, marketing, and a Get Started 101 on Twitter, Facebook and blogging. @stickyJesus lays out the current day reality--the good, the bad, and the ugly--and challenges Christ followers to regain our God-given dominion on earth, which includes the Internet. With knowledge, skills, and Holy Spirit guidance, we encourage believers to dig in and learn how to navigate this online world together--and give Christ a voice in the online world. The book also includes personal testimonies. Most are from everyday people impacting others' lives and culture online for Christ. These are real people and ministries (about a dozen) making a difference because they walk, talk and connect differently online. They are living out their faith before others unashamed. The authors' desire is that this project will equip and empower Christ followers and get them excited about sharing their faith online.

White Saviorism and Popular Culture Kathryn Mathers, 2022-09-15 This book interrogates the white savior industrial complex by exploring how America continues to present an imagined Africa as a space for its salvation in the 21st century. Through close readings of multiple mediated sites where Americans imagine Africa, *White Saviorism and Popular Culture* examines how an era of new media technologies is reshaping encounters between Africans and westerners in the 21st century, especially as Africans living and experiencing the consequences of western imaginings are also mobilizing the same mediated spaces. Kathryn Mathers emphasizes that the articulation of different forms of humanitarian engagement between America and Africa marks the necessity to interrogate the white savior industrial complex and the ways Africa is being asked to fulfill American needs as life in the United States becomes increasingly intolerable for Black Americans. Drawing on case

studies from Savior Barbie (@barbiesavior) to Black Panther and Black is King, Mathers posits that global imperialism not only still reigns, but that it also disguises white supremacy by outsourcing Black American emancipation onto an imagined Africa. This is crucial reading for courses on the cultural politics of representation, particularly in relation to race, social media and popular culture, as well as anyone interested in issues of representation in the global humanitarianism industry.

Successful Time Management For Dummies Dirk Zeller, 2015-05-06 Incorporate effective time management and transform your life If you always feel like there's not enough time in the day to get everything accomplished, *Successful Time Management For Dummies* is the resource that can help change your workday and your life. Find out how to accomplish more at work and in life, all in less time Organize your professional life and workspace for optimal productivity Learn to put an end to procrastination and successfully handle interruptions Get specific insights into time management in various functions, from administration professionals to executives If you're looking to take back your time and ramp up your productivity, *Successful Time Management For Dummies* is the resource to help get you there in a hurry.

Psychiatric Interviewing E-Book Shawn Christopher Shea, 2016-09-19 With time at a premium, today's clinicians must rapidly engage their patients while gathering an imposingly large amount of critical information. These clinicians appropriately worry that the person beneath the diagnoses will be lost in the shuffle of time constraints, data gathering, and the creation of the electronic health record. *Psychiatric Interviewing: The Art of Understanding: A Practical Guide for Psychiatrists, Psychologists, Counselors, Social Workers, Nurses, and other Mental Health Professionals*, 3rd Edition tackles these problems head-on, providing flexible and practical solutions for gathering critical information while always attending to the concerns and unique needs of the patient. Within the text, Dr. Shea deftly integrates interviewing techniques from a variety of professional disciplines from psychiatry to clinical psychology, social work, and counseling providing a broad scope of theoretical foundation. Written in the same refreshing, informal writing style that made the first two editions best sellers, the text provides a compelling introduction to all of the core interviewing skills from conveying empathy, effectively utilizing open-ended questions, and forging a powerful therapeutic alliance to sensitively structuring the interview while understanding nonverbal communication at a sophisticated level. Updated to the DSM-5, the text also illustrates how to arrive at a differential diagnosis in a humanistic, caring fashion with the patient treated as a person, not just another case.

Whether the reader is a psychiatric resident or a graduate student in clinical psychology, social work, counseling or psychiatric nursing, the updated third edition is designed to prepare the trainee to function effectively in the hectic worlds of community mental health centers, inpatient units, emergency rooms, and university counseling centers. To do so, the pages are filled with sample questions and examples of interviewing dialogue that bring to life methods for sensitively exploring difficult topics such as domestic violence, drug abuse, incest, antisocial behavior, and taking a sexual history as well as performing complex processes such as the mental status. The expanded chapter on suicide assessment includes an introduction to the internationally acclaimed interviewing strategy for uncovering suicidal ideation, the Chronological Assessment of Suicide Events (CASE Approach). Dr. Shea, the creator of the CASE Approach, then illustrates its techniques in a compelling video demonstrating its effective use in an interview involving a complex presentation of suicidal planning and intent. A key aspect of this text is its unique appeal to both novice and experienced clinicians. It is designed to grow with the reader as they progress through their graduate training, while providing a reference that the reader will pull off the shelf many times in their subsequent career as a mental health professional. Perhaps the most unique aspect in this regard is the addition of five complete chapters on Advanced and Specialized Interviewing (which comprise Part IV of the book) which appear as bonus chapters in the accompanying e-book without any additional cost to the reader. With over 310 pages, this web-based bonus section provides the reader with essentially two books for the price of one, acquiring not only the expanded core textbook but a set of independent monographs on specialized skill sets that the reader and/or faculty can add to their curriculum as they deem fit.

Harness the Power of Social Media: An Alternative Guide for Design & Construction Firms, 2010

Social Media Marketing All-in-One For Dummies Jan Zimmerman, Deborah Ng, 2017-05-01 The bestselling social media marketing book Marketing your business through social media isn't an option these days—it's absolutely imperative. An Imperishable Promise Sarathi Sabyasachi Sahoo, 2022-10-06 What happens to your love when you die? Does your love end? Does your love stay in your heart or in your body? When you say, “I Love You,” what does the “I” stand for? Is it your body, mind, or soul? When you die, is your love also destroyed like your body, or is it immortal like your soul? Then the question comes, is the soul immortal? Nobody can give a perfect answer to these questions. This book has tried to find the answers to that mystery. It's a love story between two immortal souls. Love is an endless fuel to the energy called the soul, which will keep it alive forever. Read An Imperishable Promise to find the real meaning of love. It is filled with lots of suspense and twists. What will happen to Raj and Kashish's love when death becomes an obstacle between them? Will they overcome this false materialistic life to keep their love alive forever? Will their love survive without having a physical existence of the human body? Dive in to find all these answers.
