The Dearly Beloved Cara Wall,2020-07-07 “This gentle, gorgeously written book may be one of my favorites ever.” —Jenna Bush Hager (A Today show “Read with Jenna” Book Club Selection!) This “moving portrait of love and friendship set against a backdrop of social change” (The New York Times Book Review, Editor’s Choice) traces two married couples whose lives become entangled when the husbands become copastors at a famed New York city congregation in the 1960s. Charles and Lily, James and Nan. They meet in Greenwich Village in 1963 when Charles and James are jointly hired to steward the historic Third Presbyterian Church through turbulent times. Their personal differences however, threaten to tear them apart. Charles is destined to succeed his father as an esteemed professor of history at Harvard, until an unorthodox lecture about faith leads him to ministry. How then, can he fall in love with Lily—fiercely intellectual, elegantly stern—after she tells him with certainty that she will never believe in God? And yet, how can he not? James, the youngest son in a hardscrabble Chicago family, spent much of his youth angry at his alcoholic father and avoiding his anxious mother. Nan grew up in Mississippi, the devout and beloved daughter of a minister and a debutante. James’s escape from his desperate circumstances leads him to Nan and, despite his skepticism of hope in all its forms, her gentle, constant faith changes the course of his life. In *The Dearly Beloved*, Cara wall reminds us of “the power of the novel in its simplest, richest form: bearing intimate witness to human beings grappling with their faith and falling in love,” (Entertainment Weekly, A-) as we follow these two couples through decades of love and friendship, jealousy and understanding, forgiveness and commitment. Against the backdrop of turbulent changes facing the city and the church’s congregation, Wall offers a poignant meditation on faith and reason, marriage and children, and the ways we find meaning in our lives. *The Dearly Beloved* is a gorgeous, wise, and provocative novel that is destined to become a classic.

Prince of Lies James Lowder,2012-01-17 The gods may have been restored to their rightful seats of power—but the end of the Time of Troubles does not mark the end of all strife Although the gods have regained their powers and no longer walk in the mortal world, there is still little peace between them. When their deeply engrained power struggles erupt once more, ex-comrades Mystra—formerly known as Midnight and recently elevated to godhood—and Cyric are bound together in conflict. Cyric, now the god of strife, murder, and the dead, has become even more obsessed with power and revenge. No longer content with just the Tablets of Fate, he wants the Forgotten Realms all to himself—and to rule them in the name of evil. Only Mystra, the new goddess of magic, has the ability to defeat him and restore the balance that has been lost.

Better Food for a Better World Erin McGraw,2013-03-01 Ideals and reality collide when six college friends band together to start an ice cream store, promising Better Food for a Better World, but finding a worse world than they had expected. It seems like a great idea: six friends from college pool their money and energy to start an ice cream store. Natural High Ice Cream: Better Food for a Better World. It's high-minded, with a wink, like the marital self-help group they all belong to. The store finds a ready clientele in its northern California college town filled with amiable ex-hippies who are happy to

contribute to a better world, even if all they have to contribute is the price of an ice cream cone. But the store, like the marriage group, turns out to be work, not fun, and rifts start to appear between the friends. Nancy, who had seemed so easygoing and sweetly sexy when they started, turns stern. Cecilia, who had wanted to be a musician, is openly bored. And flighty, excitable Vivy is crawling out of her skin. She yearns for the old days, before Natural High, when she and her husband Sam traveled around the country with countercultural musicians and dancers. She'd give anything to have those days back again. And so quietly, without telling the partners, she starts to rev up the old company, contacting her old acts--the fat contortionist, the muscle-bound juggler. She's going to save them all, and Natural High, too. But saving turns out to be harder than it looks, and Vivy isn't the only one with secrets.

When she’s finally taken in by an adoptive family at seventeen, Nica thinks she’s leaving the group home, its torments, and her prison of otherworldly tales behind her. That is, until Rigel—a young man raised from birth in the same dreadful orphanage—joins her new family. Rigel is as mesmerizingly handsome as he is troubled, and he and Nica have a long history of distrust and hostility. But as they come to live together again under one roof, the deep shared trauma of surviving such vicious circumstances sparks something magical, and Nica begins to fall for Rigel’s forbidden love. Before any relationship can become reality, though, they’ll have to face the darkness of their past . . . and the dangerous stakes of pursuing a future together.
