The Wiley World Handbook of Existential Therapy Erik Craig, Alfred Laengle, Kirk J. Schneider, Digby Tantam, Simon du Plock, 2019-06-17 An existential therapy handbook from those in the field, with its broad scope covering key texts, theories, practice, and research The Wiley World Handbook of Existential Therapy is a work representing the collaboration of existential psychotherapists, teachers, and researchers. It's a book to guide readers in understanding human life better through the exploration of aspects and applications of existential therapy. The book presents the therapy as a way for clients to explore their experiences and make the most of their lives. Its contributors offer an accurate and in-depth view of the field. An introduction of existential therapy is provided, along with a summary of its historical foundations. Chapters are organized into sections that cover: daseinsanalysis; existential-phenomenological, -humanistic, and -integrative therapies; and existential group therapy. International developments in theory, practice and research are also examined.

Il senso come terapia. Fondamenti teorico-clinici della logoterapia di Viktor E. Frankl E. Fizzotti, 2007

Sul senso della vita Viktor E. Frankl, 2022-11-15 Nel marzo del 1946, appena undici mesi dopo essere stato liberato dai campi di concentramento nazisti, Viktor E. Frankl tenne una serie di conferenze per l'università popolare di Ottakring, a Vienna. Il testo di quelle lezioni fu pubblicato da un piccolo editore in un volume andato presto esaurito e qui tradotto in italiano per la prima volta. Sopravvissuto all'indicibile orrore dell'Olocausto, che gli aveva portato via i genitori e la moglie incinta, pur nell'estrema sofferenza, Frankl ribadisce in queste pagine la sua convinzione che è sempre possibile dire sì alla vita. L'importante è darle un senso: con l'azione, con l'amore, con il nostro atteggiamento anche nelle situazioni più dolorose. Perché se non possiamo cambiare il destino, possiamo almeno accettarlo e farne un'occasione di crescita interiore. In un mondo che ha conosciuto la pandemia, l'isolamento sociale, la guerra e una grande incertezza economica, le sue parole sulla

resilienza risuonano oggi più attuali che mai.

Filosofia ed esistenza Lodovico E. Berra,2012

Foundation of Ethics-Based Practices Birthe Loa Knizek,Sven Hroar Klempe,2022-01-01 This book contrasts earlier textbooks on “evidence-based practices.” Whereas the latter is a slogan that call for scientific evidence to be used in standardized treatment manuals, ethics-based practices call for individualized treatment that makes the situation meaningful for the patient. The main argument for changing the treatment design from being evidence-based to one based on ethics, is the hypothesis that good health care is based on treatment which makes the situation positive and meaningful for the patient. The awareness for this is primarily provided by ethical considerations.

L'uomo incondizionato Viktor E. Frankl,2021-09-24T00:00:00+02:00 481.4

PNL per il benessere Richard Bandler, Garner Thomson,2015-04-17 Come fanno alcune persone a trasformare lo stress in motivazione, a raggiungere i propri obiettivi e ad affrontare lucidamente situazioni critiche, periodi di forte tensione e persino malattie? In altre parole, come fanno a vivere bene nonostante le sfide di ogni giorno? Richard Bandler, padre e genio creativo della PNL, ha dedicato la sua vita a studiare chi - più o meno consciamente - pensa, comunica e agisce in modo tale da assicurarsi una vita armoniosa e gratificante. Grazie a PNL per il Benessere l'essenza di questa sana attitudine è a disposizione di chiunque ne voglia trarre beneficio. Scritte in uno stile ironico e coinvolgente, queste pagine raccolgono un vero e proprio programma per vivere felice, che ti permetterà di costruire un presente in cui valga davvero la pena vivere.

Cognitivismo existencial ,2012

Abbracciare la speranza Viktor E. Frankl,2024-07-16 Abbracciare la speranza riunisce quattro testi di Viktor Frankl che trattano i suoi classici temi da diversi punti di vista: un saggio del 1955 affronta il vuoto spirituale lasciato nelle società occidentali dalla seconda guerra mondiale; un'intervista televisiva del 1977 e una lezione del 1946 analizzano lo stesso argomento, indagando il ruolo della libertà e della responsabilità nel dare senso alla vita; infine lo scritto di una conferenza del 1984 mostra l'evoluzione del pensiero del grande psichiatra attraverso i decenni, focalizzandosi soprattutto sul concetto di responsabilità. Il cuore del suo messaggio è unico: dobbiamo rimanere sempre aperti alla vita, anche quando subiamo tremende ingiustizie, o siamo costretti a misurarci con la brevità della nostra esistenza. In un mondo così affamato di senso e di speranza come quello globalizzato attuale, le parole di Frankl risuonano ancora oggi più preziose che mai.

Come ridare senso alla vita Viktor E. Frankl,2024-05-21 Tra il 1951 e il 1955 Viktor Frankl fu invitato da un'emittente

radiofonica viennese a tenere una conversazione mensile su problemi di ordine psicoterapeutico. Ciò che si proponeva non era tanto il «discutere» di psicoterapia quanto piuttosto il «fare» della psicoterapia attraverso il microfono, utilizzando la radio come mezzo capace di contrastare la nevrosi collettiva. Spinto anche dall'enorme successo delle trasmissioni e dalle lettere ricevute dagli ascoltatori, decise poi di raccogliere i testi di quelle conversazioni, ampliati e annotati. Anche se ogni conversazione affronta - con lo stile fresco e diretto proprio della lingua parlata - un argomento a sé, le intersezioni sono inevitabili e ciò che si delinea alla fine è un pensiero coerente basato sulla resilienza, sull'abbracciare la vita anche davanti alle più grandi avversità, e soprattutto sulla ricerca di senso, che diventa un potente strumento terapeutico. Ciò che dobbiamo indagare non sono infatti i motivi all'origine di quel vuoto esistenziale da cui sembriamo sempre più afflitti, ma gli scopi con cui possiamo colmare quel vuoto.

Immerse yourself in heartwarming tales of love and emotion with Explore Love with its touching creation, Experience Love's Journey in **Logoterapia E Analisi Esistenziale**. This emotionally charged ebook, available for download in a PDF format (PDF Size: *), is a celebration of love in all its forms. Download now and let the warmth of these stories envelop your heart.
